Why this fundraiser is unique...

By signing up to play in this year's Cuero ISD/FCA golf tournament you will be making an eternal difference in the lives of our high school student-athletes. FCA summer camps allow our athletes to attend camp where they may come to know and have a saving relationship with Jesus Christ, and, as well as, receive elite training by top tier coaches in their sport fields. Usually the difference doesn't stop there, many lives are changed to such a degree that these students return back to our schools, their teams, and our community ready to make an impact for Christ right here in Cuero.
