

DRESS AND GROOMING (All Grade Levels)

Standardized Dress and Grooming

The District's dress code is established to

- teach grooming and hygiene,
- instill discipline,
- prevent disruption,
- avoid safety hazards, and
- teach respect for authority.

Students shall come to school looking clean and neat, wearing clothing that will not be a health or safety hazard to the student or others.

The District prohibits pictures, emblems, or writings on clothing that are lewd, offensive, vulgar, obscene, or advertise or depict tobacco products, alcoholic beverages, drugs, or any other substance prohibited under policy FNCF(L) and prohibits any clothing or grooming that, in the principal's judgment, may reasonably be expected to cause disruption of, or interference with normal school operations.

Regular dress code checks will occur throughout the day by teachers and staff. Students in violation of the dress code will be sent to the office if the violation cannot be corrected in the classroom. Parent contact will be made and the student will remain out of the general population until the dress code violation is corrected. If the violation is not corrected in a timely manner, the student will receive an official office referral and will not return to class; the parents will be notified. Minor dress code issues such as tears in pants that occur during the school day will not be subject to an office referral as long as the tear/issue does not expose the student in an inappropriate manner or is a class disruption. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.

The dress code applies anytime a student is on campus during a normal school day and anytime a student is involved in an event or extra-curricular activity that represents Cuero ISD. There may be exceptions to the dress and grooming policy for certain special needs students with administrative approval. Repeated offenses may result in more serious disciplinary action. Appropriate disciplinary procedures shall be followed in all cases.

The following requirements are set forth to govern the grooming and appearance standards for the district, however, school administrators reserve the right to make judgment calls concerning the appropriateness of dress and grooming when necessary.
