Citizens of Cuero and Gobbler Family members,

Due to recent events, we would like to make you aware of what we are doing to keep our children safe in our schools. Safety and security have always been the number one priority for Cuero ISD. If families do not feel their children are safe coming to school, then nothing else we do matters. Texas DPS troopers, DeWitt County Sheriff department, and Cuero Police department conduct yearly trainings in our facilities to familiarize themselves with the layout of the facilities and to prepare themselves to rapidly respond in the event of an emergency. Cuero ISD has contracts with Cuero PD to ensure we have school resource officers on campus any time school is in session. We contract with all local law enforcement agencies to provide coverage for special events at the school. Cuero ISD added several hundred thousand dollars in safety and security measures which include: secure entry ways, updated camera systems, bullet proof/ entry resistant glass, updated phone, and communication systems paid for with grants and local funds. We are working with local law enforcement to add more armed personnel to our schools in the future. Law enforcement is working with the school to improve all security measures while still making the school welcome and inviting to the community. We will do everything in our power to continue to keep our children, staff, and community safe.

For The Children,

Sincerely,

Micah A. Dyer, Ed.D.
Superintendent, Cuero ISD
