

Cuero Independent School District

2021-2022 STUDENT HANDBOOK

CUERO ISD MISSION STATEMENT, GOALS, AND OBJECTIVES

The mission of Cuero ISD is to empower all students to reach their potential and become responsible, respectful citizens by teaching an enriched curriculum using all available resources.

OBJECTIVES

The objectives of public education are:

Objective 1: Parents will be full partners with educators in the education of their children.

Objective 2: Students will be encouraged and challenged to meet their full educational potential.

Objective 3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a diploma.

Objective 4: A well-balanced and appropriate curriculum will be provided to all students. Through that curriculum, students will be prepared to succeed in a variety of postsecondary activities, including employment and enrollment in institutions of higher education.

Objective 5: Educators will prepare students to be thoughtful, active citizens who have an appreciation for the basic values of our state and national heritage and who can understand and productively function in a free enterprise society.

Objective 6: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective 7: Texas students will demonstrate exemplary performance in comparison to national and international standards.

Objective 8: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective 9: Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.

Objective 10: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Objective 11: The State Board of Education, TEA, and the commissioner shall assist school districts and charter schools in providing career and technology education to students.

The academic goals of public education are to serve as a foundation for a well-balanced and appropriate education. The students in the public education system will demonstrate exemplary performance in:

GOALS

Goal 1: The reading and writing of the English language.

Goal 2: The understanding of mathematics.

Goal 3: The understanding of science.

Goal 4: The understanding of social studies.

The board usually meets on the third Thursday of each month at 6:30 p.m. except for the months of September and October. In September and October, the regular meetings of the Board shall be held on the third Monday at 6:30 p.m. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the Bulletin Board at the Cuero ISD Administration Building and on the District website at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Cuero High School Alma Mater

Hail to thee our Alma Mater,
Hail to Cuero High.
Hail to thee our Alma Mater,
Hail to Green and White.
We will always strive to honor,
Love thee, do or die.
Hail to thee our Alma Mater,
Hail to Cuero High.

Cuero ISD Fight Song

Wave the flag for Cuero High School,
All hail that grand old name.
Wave the flag for Cuero High School,
Watch us win this game.
Let's go, you fighting Cuero Gobblers,
And fight with all your might.
Wave the flag for Cuero High School,
And we'll win for Green and White.

Cuero Junior High School Song

Hail to Cuero Junior High,
With our colors green and white.
We will always strive to be,
Faithful, loyal, true to thee.
And when times are bad or good,
Through our loss or victory,
We will love thee, do or die,
Hail to Cuero Junior High.

How to Be a Gobbler Fan

All students should follow the guidelines below when cheering for the Cuero Gobblers:

- All students Pre-K through Grade 6 must be accompanied at all times by a parent, guardian, or other responsible adult.
- Exhibit good sportsmanship.
- Sit in the stands.
- Watch the game.
- Yell for the Gobblers.
- Show school spirit.
- Wear green and white.
- Be respectful of other fans.
- Throw your trash away.
- Take care of Gobbler Stadium/Athletic Facilities.

ACKNOWLEDGMENT

Student Code of Conduct Acknowledgment

Dear Student and Parent:

As required by state law, the board of trustees has officially adopted the *Student Code of Conduct* in order to promote a safe and orderly learning environment for every student.

We urge you to read this publication thoroughly and to discuss it with your family. If you have any questions about the required conduct and consequences for misconduct, we encourage you to ask for an explanation from the student's teacher or campus administrator.

The student and parent should each sign this page in the space provided below, and then return the page to the student's school.

Thank you.

Dr. Micah Dyer, Superintendent

.....

My child and I have received a copy of the ***Cuero ISD Student Code of Conduct*** and the ***Cuero ISD Student Handbook*** for the 2021-2022 school year. I understand the handbook contains information that my child and I may need during the school year and understand that students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the *Student Code of Conduct*. If I have any questions regarding the handbook or the Code of Conduct, I should direct those questions to the principal at my child's campus.

Acknowledgment of Electronic Distribution of Student Handbook

My child and I have been offered the option to receive a paper copy or to electronically access at www.cueroisd.org the *Cuero ISD Student Handbook* and the *Student Code of Conduct* for 2020-2021.

I have chosen to:

- ☐ Receive a paper copy of the *Student Handbook* and the *Student Code of Conduct*.
- ☐ Accept responsibility for accessing the *Student Handbook* by visiting the Web address listed above.

I understand that the handbook contains information that my child and I may need during the school year and that all students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the *Student Code of Conduct*. If I have any questions regarding this handbook or the *Student Code of Conduct*, I should direct those questions to the campus principal or superintendent.

Notice Regarding Directory Information and Parent's Response Regarding Release of Student Information

State law requires the district to give you the following information:

Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Cuero ISD to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing within ten school days of child's first day of instruction for this school year.

This means that the district must give certain personal information (called "directory information") about your child to any person who requests it, unless you have told the district in writing not to do so. In addition, you have the right to tell the district that it may, or may not, use certain personal information about your child for specific school-sponsored purposes. The district is providing you this form so you can communicate your wishes about these issues. [See **Directory Information** for more information.]

The District has designated the following categories of information as directory information: student name; address; telephone listing; electronic mail address; photograph; date and place of birth; major field of study; degrees, honors, and awards received; dates of attendance; grade level; most recent educational institution attended; participation in officially recognized activities and sports; and weight and height of members of athletic teams.

For the following school-sponsored purposes:

CISD BOARD POLICY [FL(LOCAL)] states: For the purposes of this policy, "school officials" shall mean any employees, trustees, or agents of the District, of cooperatives of which the District is a member, or of facilities with which the District contracts for placement of students with disabilities. The term also includes attorneys, consultants, and independent contractors who are retained by the District, by cooperatives of which the District is a member, or by facilities with which the District contracts for placement of students with disabilities.

School officials have a "legitimate educational interest" in a student's records when they are working with the student; considering disciplinary or academic actions, the student's case, or an individualized education program for a student with disabilities; compiling statistical data; or investigating or evaluating programs.

The Cuero ISD has designated the following information as directory information:

- student name,
- address,
- telephone listing,
- e-mail address,

- photograph,
- date and place of birth,
- major field of study;
- degrees, honors, and awards received;
- dates of attendance;
- grade level;
- most recent educational institution attended;
- participation in officially recognized activities and sports;
- weight and height of members of athletic teams

Directory information identified only for limited school-sponsored purposes remains otherwise confidential and will not be released to the public without the consent of the parent or eligible student.

Parent: Please circle one of the choices below:

I, parent of _____ (student's name), **(do give) (do not give)** the district permission to use the information in the above list for the specified school-sponsored purposes.

Parent signature _____ Date _____

For all other purposes, the Cuero ISD has designated the following information as directory information:

- student name,
- address,
- telephone listing,
- e-mail address,
- photograph,
- date and place of birth,
- major field of study;

- degrees, honors, and awards received;
- dates of attendance;
- grade level;
- most recent educational institution attended;
- participation in officially recognized activities and sports;
- weight and height of members of athletic teams

Parent: Please circle one of the choices below:

I, parent of _____ (student's name), (**do give**) (**do not give**) the district permission to release the information in this list in response to a request.

Parent's Objection to the Release of Student Information to Military Recruiters and Institutions of Higher Education

Federal law requires that the district release to military recruiters and institutions of higher education, upon request, the name, address, and phone number of secondary school students enrolled in the district, unless the parent or eligible student directs the district not to release information to these types of requestors without prior written consent. [See **Release of Student Information to Military Recruiters and Institutions of Higher Education** for more information.]

Parent: Please complete the following only if you do not want your child's information released to a military recruiter or an institution of higher education without your prior consent.

I, parent of _____ (*student's name*), request that the district **not** release my child's name, address, and telephone number to a military recruiter or institutions of higher education without my prior written consent.

Parent signature _____ Date _____

CONSENT/OPT-OUT

The district is required by federal law to notify you and obtain your consent for or denial of (opt-out) your child's participation in certain school activities. The activities include any student survey, analysis, or evaluation, known as "protected information survey" that concerns one or more of the following eight areas:

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sexual behavior or attitudes;
4. Illegal, antisocial, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom the student has a close family relationship;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility or to receive financial assistance under such a program.

This notice and consent/opt-out requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys"), and to certain physical exams and screenings.

Please note that this notice and authority to consent transfer from the parent to the student when the student reaches 18 or is an emancipated minor under state law.

If you wish to review any survey instrument or instructional material used in connection with any protected information survey, please submit a request to the assistant superintendent of curriculum and instruction at 361-275-1922. The assistant superintendent will notify you of the time and place where you may review these materials. You have the right to review a survey and/or instructional materials before the survey is administered to your child.

The District shall directly notify the parent of a student, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when activities, described below, are scheduled or expected to be scheduled. The following activities require notification under this section:

1. Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information.
2. The administration of any survey containing one or more items described at STUDENT RIGHTS, above.
3. Any nonemergency, invasive physical examination or screening that is required as a condition of attendance, administered and scheduled by the school in advance, and not necessary to protect the immediate health and safety of the student or of other students.

CONSENT/OPT-OUT FORM

SURVEYS CONCERNING PRIVATE INFORMATION

Should a survey be given, it will be an anonymous survey that asks students questions.

A parent must sign and return this consent form no later than 10 days from your child's first day of school if you would permit your child to participate in this survey.

Parent's Signature

Date

If you wish to review any survey instrument or instructional material used in connection with any protected information survey, please submit a request to your child's campus. The principal's office will notify you of the time and place where you may review these materials. You have the right to review a survey and/or instructional materials before the survey is administered to your child.

CONSENT/OPT-OUT FORM

OPT-OUT FOR NONEMERGENCY PHYSICAL EXAM OR SCREENING

This is not required for hearing, vision, or scoliosis screenings, or any other screenings/exams required by state law.

To opt out: A parent must sign and return this consent form no later than 10 days from your child's first day of school if you do not want your child to participate the nonemergency physical exam or screening.

NOTICES TO PARENTS

Statement of Nondiscrimination

In its efforts to promote nondiscrimination, the Cuero ISD does not discriminate on the basis of race, religion, color, national origin, gender, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

The following district staff members have been designated to coordinate compliance with these legal requirements:

- Title IX Coordinator, for concerns regarding discrimination on the basis of sex:
Dr. Pam Longbotham, Cuero Administration Offices, 960 East Broadway, Cuero, TX 77954.
Phone: 361-275-1922.
- Section 504 Coordinator, for concerns regarding discrimination on the basis of disability:
Dr. Pam Longbotham, Cuero Administration Offices, 960 East Broadway, Cuero, TX 77954.
Phone: 361-275-1922.
- All other concerns regarding discrimination: See the superintendent:
Cuero ISD Administration Offices, 960 East Broadway, Cuero, TX 77954. Phone: 361-275-1914.

Asbestos Management Plan (All Grade Levels)

The district's Asbestos Management Plan, designed to be in compliance with state and federal regulations addressing asbestos, and is available in the Cuero ISD Administration offices. If you have any questions, please contact the Assistant Superintendent at 361-275-1913.

Pest Management Plan (All Grade Levels)

The district applies only pest control products that comply with state and federal guidelines. Except in an emergency, signs will be posted 48 hours before application. Parents who want to be notified prior to pesticide application inside their child's school assignment area may contact the Dwayne Noack, facilities director or Robert Bermea, CISD IPM contact at 361-275-1909.

Additional Notices

Other important notices in the *Student Handbook* cover the following topics:

- Student participation in a survey, analysis, or evaluation;
- Opting out of surveys and data collection activities;
- Requesting the professional qualifications of teachers and staff;
- Requesting a transfer of your child to a safe public school;
- Assistance to students who have learning difficulties;
- Student records;
- Bacterial meningitis;
- DeWitt County Juvenile Probation Letters;
- Career and technology programs;
- Homeless students; and
- School lunch programs.

Please take some time to review these notices and other important information contained in the *Student Handbook*.

Use of Student Work in District Publications

Occasionally, the Cuero Independent School District wishes to display or publish student artwork, projects, photos taken by the student, or other original work on the district's Web site, a Web site affiliated or sponsored by the district, such as a campus or classroom Web site, and in district publications. The district agrees to only use these student projects in this manner.

State law, however, permits the school to make a video or voice recording without parental permission for the following circumstances:

- When it is to be used for school safety;
- When it relates to classroom instruction or a co-curricular or extracurricular activity; or
- When it relates to media coverage of the school.

Parent: Please circle one of the choices below:

I, parent of _____ (student's name), **(do give)** **(do not give)** the district permission to use my child's artwork, projects, photos, or other original work in the manner described above.

LETTER TO PARENTS REGARDING USE OF ONLINE TECHNOLOGY RESOURCES

Dear Parent:

Your child has access to a variety of technology resources through the District, including online applications for use on or off campus. Resources such as online encyclopedias, instructional videos, interactive tutorials, and many other applications offer teachers, students, and families an unprecedented variety of tools to enhance effective teaching and learning.

All websites, digital subscriptions, and technology tools made available to students through the District have been vetted by the District's technology team for quality, appropriateness, online security, and data privacy.

Additionally, the District contracts with certain providers of online educational services to provide District services and functions, including essential instructional and logistical programs such as the District's online grade book and the online lunch account management system. Where personally identifiable student information is implicated, service providers act as District officials and access only the information needed to perform the contracted service. These outside parties are under the District's direct control with respect to the use and maintenance of student data. A list of such services and the nature and type of student information used is available at <http://www.cueroisd.org/Content/list>.

It is important that you and your child read the enclosed District policy and student agreement form and discuss these requirements together.

If you have questions or need help understanding these materials, please contact the Technology Department: Oscar Ray at 361-275-1995 or Dave Truman at 361-275-1996.

STUDENT AGREEMENT FOR ACCEPTABLE USE OF THE DISTRICT'S TECHNOLOGY RESOURCES

Responsible Use Technology Agreement

The Cuero ISD (CISD) network is defined as CISD's wired and wireless network infrastructure, servers, computer workstations, mobile technologies, peripherals, applications, databases, online resources, Internet access, email and all other interconnected technologies as they currently exist or become available. This includes any access to the CISD network by CISD-owned or personal devices while on or near school property, in school vehicles and at school-sponsored activities, and includes the use of CISD technology resources via off-campus remote access.

Availability of Access

Access to CISD's network is a privilege, not a right. Access shall be made available to staff, students and members of the public primarily for instructional and administrative purposes and in accordance with administrative regulations, CISD policy and law.

Monitoring, Restricting and Filtering

Use of the network shall not be considered confidential and may be monitored or restricted at anytime by designated staff to ensure appropriate use for instructional or administrative purposes. CISD uses filtering devices and software that block access to visual depictions that are obscene, pornographic, inappropriate for students, or harmful to minors as defined by the federal Children's Internet Protection Act and as determined by the Superintendent or designee. CISD reserves the right to decrypt internet traffic as necessary to create a safe and secure environment for students.

Appropriate Use

- You are responsible for the use and protection of any network account assigned to you, including regular password changes in accordance with CISD password requirements and keeping your password private.
- Your account is to be used primarily for educational purposes, but some limited personal use is permitted as long as it does not unduly burden CISD technology resources or interfere with your educational responsibilities.
- You will be held responsible at all times for the proper use of CISD technology resources, and CISD may suspend or revoke your access if you violate the rules.
- As applicable, you must comply with CISD's record management program, the Texas Open Meetings Act, the Public Information Act, the Family Educational Rights and Privacy Act(FERPA), including retention and confidentiality of student and CISD records, and campaign laws.
- As applicable, you must maintain the confidentiality of health or personnel information concerning CISD employees and colleagues, unless disclosure serves lawful professional purposes or is required by law.
- Remember that people who receive email from you with a school address might think your message represents the school's point of view.

INAPPROPRIATE USE

- Using technology resources for any illegal purpose or in violation of CISD policy.
- Damaging technology resources in any way including:

- o Maliciously harming or destroying CISD equipment, materials or data
- o Negligence of reasonable care for CISD equipment, materials or data
- Negligence of reasonable security protections on personal devices. For example, not applying security updates and not running anti-virus software on personal computers connected to the CISD network.
- Attempting to circumvent internet content filtering or disabling the filter is prohibited per federal law (Children’s Internet Protection Act).
- Accessing sites not authorized under CISD’s filtering policies.
- Creation of or login by student accounts to any online service not officially approved by CISD.
- Encrypting communications to avoid security review.
- Using any account or login credentials other than your own or sharing your account or login credentials with anyone else. You are responsible for anything that happens on your account.
- Pretending to be someone else when posting, transmitting, or receiving messages.
- Attempting to read, delete, copy, modify, or interfere with another user’s work.
- Using resources to engage in conduct that harasses or bullies others.
- Posting, transmitting, or accessing materials that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation or illegal.
- Using inappropriate language such as swear words, vulgarity, ethnic or racial slurs and any other inflammatory language.
- Posting or transmitting pictures of students without obtaining prior permission from all individuals depicted or from guardians of depicted students who are under the age of 18.
- Violating others’ intellectual property rights, including uploading, downloading or using copyrighted information without permission from the copyright holder.
- Use of unlicensed software, or altering CISD installed software.
- Unauthorized scanning, probing or access of the CISD network. Any attempt to damage or degrade network services. Uploading or creating computer viruses.
- Wasting resources through improper use of CISD’s network, including creating and distributing chain letters, sending spam, setting up equipment so that it can act as an “open relay” for third-party spammers, or providing products or services for pay, i.e., outside employment.
- Sending unauthorized broadcasts to official or private distribution lists, regardless of content or recipients.
- Gaining unauthorized access to restricted information or resources.
- If you are a student:
 - o Posting or transmitting personal information about yourself or others, such as addresses and phone numbers
 - o Responding to requests for personally identifying information or contact from unknown individuals

- o Arranging to physically meet people first met online in non-school related contexts. If a request for such a meeting is received, it should be reported to a teacher or administrator immediately.

Google G Suite

CISD will create accounts for all students to allow for collaborative sharing using G Suite. These tools are housed on the Internet and can be accessed from any Internet-connected device. No special software is required.

Google G Suite is a set of online tools for communication, collaboration and document storage. Provided by Google to CISD at no cost, these tools include Gmail, Calendar, Drive, Sites and Classroom. As Google continues to add new tools, CISD will evaluate each for its educational potential. CISD may add additional tools within Google G Suite throughout the school year.

Student Email Addresses

Students will be assigned a CISD student email account. This account will be considered the student's official email address until such time as the student is no longer enrolled in CISD. The naming convention will be first initial, last name followed by two random numbers, ending with @mycueroisd.org. Upon graduation from high school, the students' email will be accessible for the following two years.

Consent

By acknowledging receipt of the Student Handbook, Student Code of Conduct, and this Technology Responsible Use Technology Agreement, guardians are giving consent for their student to use their CISD Google G Suite account and related services.

Conduct

Students are responsible for appropriate behavior online just as they are in a school building. Communication with others should always be course-related. Students should notify the teacher of anything inappropriate or that makes them uncomfortable. Bullying will not be tolerated. The privacy of others should be respected at all times.

Special Note: Cyberbullying

Cyberbullying is defined as the use of any Internet-connected device for the purpose of bullying, harassing, or intimidating another student. This includes, but may not be limited to: sending abusive text messages to cell phones, computers or Internet-connected game consoles; posting abusive comments on someone's blog or social networking site (e.g., Twitter or Facebook); creating a social networking site or web page that masquerades as the victim's personal site and using it to embarrass him or her; making it appear that the victim is posting malicious comments about friends to isolate him or her from friends; posting the victim's personally identifiable information on a site; sending abusive comments while playing interactive games; recording and distributing media with the intent to manipulate or embarrass others. (See Policy FFH and FFI).

Internet Safety

CISD makes every effort to ensure student safety and security when using the CISD network including a) preventing unauthorized access, hacking and other unlawful activities, b) restricting unauthorized disclosure, use, and dissemination of personally identifiable information regarding students, and c) educating staff and students about cyber bullying awareness and response, as well as appropriate online behavior.

COPPA (Children's Online Privacy Protection Act)

Under the provisions of COPPA all commercial websites must get prior consent before children under the age of 13 are permitted to share any personal information about themselves or are permitted to use any interactive communication technologies where they would be able to share personal information with others. This includes chat rooms, email, instant messaging, personal profiles, personal websites, registration forms, and mailing lists. CISD uses a Digital Resource Approval Process to verify COPPA compliance before use of online services by students under 13. Both students in this age group and their teachers will be educated as to the provisions of the law and the Acceptable Use Guidelines. Students under the age of 13 may not visit any websites that collect personal information unless it is for curricular reasons and is under the direction or supervision of a staff member of CISD. A list of resources used for curriculum and instruction can be found on the CISD website.

Consequences for inappropriate use

Noncompliance with applicable regulations will result in a) suspension of access to CISD technology resources; b) revocation of account; c) disciplinary action consistent with CISD policies and regulations. (See CISD Student Code of Conduct, Policy BBI, CQ and DH,, Employee Standards of Conduct Code of Ethics and Standard Practice for Texas Educators). Violations of law may result in criminal prosecutions as well as disciplinary action by CISD. Violating any of these rules can result in a disciplinary action. The nature of the violation will determine the appropriate disciplinary action on a case-by-case basis. Disciplinary actions may vary depending on the circumstances and are listed here as a guideline.

Disclaimer

CISD's network is provided on an "as is, as available" basis. CISD does not make any warranties, whether expressed or implied, with respect to any services provided by the network and any information or software contained therein. CISD does not warrant that the functions or services performed by, or that the information or software contained on the network will meet the network user's requirements, or that the network will be uninterrupted or error-free, or that defects will be corrected. Opinions, advice, services, and all other information expressed by network users, information providers, service providers, or other third party individuals in the network are those of the providers and not CISD. CISD will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of CISD's network.

Disclaimer of Liability

CISD shall not be liable for the users' inappropriate use of CISD's network or violations of copyright restrictions, users' mistakes or negligence, or costs incurred by users whether using CISD-owned or personal devices. CISD shall not be liable for any physical damage, loss or theft of personally owned devices. CISD shall not be responsible for ensuring the accuracy or usability of any information found

on the Internet. Oversight of the posting of official CISD, campus, or division/department materials on CISD's network will be the responsibility of the superintendent, principal, or division/department supervisor or designee. CISD's network will be used only for administrative and instructional purposes consistent with CISD's mission and goals.

Personally Owned Device Internet Usage

CISD offers wireless internet access for personally owned devices in our libraries, cafeterias, gyms and office areas. The CISD guest wireless network operates alongside the primary CISD wireless network used for CISD-owned devices, and allows community members, organizations, and others to gain access to the Internet with any personally owned Wi-Fi devices. This Internet access will be provided with the most protective level of Internet filtering currently deployed for CISD student access. The CISD guest wireless network does not allow access to any CISD resources that are not available from the Internet.

Upon logging in using a personally owned device, staff, students and members of the public will receive Internet filtering appropriate for their credentials. Configuring personal devices to connect to the CISD wireless network is the sole responsibility of the user. CISD does not provide technical support and assistance for personally owned devices.

Because the primary purpose of the CISD network is to provide connectivity for CISD-owned devices, CISD reserves the right to restrict access, bandwidth and content as it deems necessary on the guest wireless network.

Personally Owned Device User Agreement

Each time a personally owned electronic device is used on CISD property or at a CISD sponsored event, the user agrees to the terms listed below:

- CISD reserves the right to inspect, at any time, any personally owned device, and the network communications going to and from it, while connected to the CISD-Wifi and CISD-Guest networks. Such monitoring may be conducted remotely, and without prior notification to the device owner. Any other inspection of any personally owned device is subject to the requirements set forth in the Student Code of Conduct.
- Personally owned devices will only be connected to the network via the CISD guest or CISD wireless access connection. Any attempt to make an unauthorized connection to another CISD wireless network, plug a personally owned device into the CISD physical network (Ethernet), or circumvent any CISD Internet filtering may result in a loss of those individuals' privileges to bring a personally owned device to CISD facilities, as well as other potential disciplinary actions.
- CISD will not be obligated to supply electrical power access.
- Use of personally owned devices on CISD property or at CISD sponsored events is governed by CISD/campus administration.
- Student use of personally owned devices in the classroom setting will be at the discretion of the campus administration and the classroom teacher.
- Persons connecting computers to the CISD guest or CISD wireless Networks agree to maintain current security updates and anti-malware software on their computers.
- Persons accessing CISD email or any confidential CISD information using a personally owned device agree to prevent unauthorized access to the device by securing it with a password and complying with all CISD

required system security procedures as well as applicable Family Educational Rights and Privacy Act (FERPA) and Health Insurance Portability and Accountability Act (HIPAA) of 1996 (P.L. 104-191) [HIPAA] standards.

- If a computer or portable electronic device, such as a cell phone, is lost, stolen, or disposed of without properly deleting all CISD email or other confidential information, the user must contact the CISD Information Technology Help Desk immediately.
- Employees connecting to the CISD-Wifi network with any personally owned devices agree to adhere to all of the provisions of the Personal Use of Electronic Media (Policy DH). *The guardians of any student bringing personal technology to school agree to be responsible for and to reimburse CISD for any damage that their student may cause arising out of and relating to the use of the wireless network with his/her personally owned device.

CONSENT TO RECEIVE INFORMATION FROM CUERO ISD

VIA ELECTRONIC MAIL, CELLULAR PHONE, AND HOME TELEPHONE

In the event of an emergency or any situation affecting the health and safety of our students, Cuero ISD may send parents/guardians an automated informational message by email, phone call, or text message. This includes notification of school closures due to inclement weather, student attendance issues, or other health and safety concerns.

In addition to emergency communications, from time to time Cuero ISD may send automated informational messages by email or phone call in an effort to keep parents/guardians informed about their child's school activities. These automated informational messages are in addition to individual communications you may receive from your child's teachers or campus administrators. Your responses below will assist the District in communicating with you in the manner you prefer.

Please complete and return this form to your child's campus no later than September 10, 2021. If this form is not returned within the specified timeframe, the District may still use an automated message system to contact you in the case of an emergency using the email, home phone number, or cellular phone number on record.

COMMUNICATION IN THE EVENT

I, the parent or legal guardian of _____ (*student's name*), understand that Cuero ISD may send me automated informational messages in the event of an emergency or any situation affecting the health and safety of the students of Cuero ISD. I understand that if my cellular phone number changes at any time during the 2020-2021 school year I am responsible for notifying Cuero ISD in writing as soon as possible. I consent to receiving automated informational text messages or phone calls to the cellular phone numbers listed below:

Name: _____ Cell phone: _____

Name: _____ Cell phone: _____

OTHER INFORMATIONAL COMMUNICATIONS

I, the parent or legal guardian of _____ (*student's name*), understand that from time to time Cuero ISD will send me automated informational messages about my child's school activities. I understand that if my contact information changes at any time during the 2019-2020 school year I am responsible for notifying Cuero ISD in writing as soon as possible. I

consent to receiving automated informational messages, and my communication preferences are as follows (*choose one of the four*):

- ☐ **Consent for Non-Emergency Communication to Email & Home Phone.** I wish to be contacted via email or on my home phone. I give Cuero ISD permission to send me information deemed necessary by the District via email or via telephone calls to my home telephone number during the 2021-2022 school year. I understand that if my home telephone number or email address changes at any time during the 2021-2022 school year I am responsible for notifying Cuero ISD in writing as soon as possible.

My preferred email addresses to receive information via electronic mail are:

My home telephone number (not a cellular phone) is: _____

- ☐ **Consent for Non-emergency Communication to Email Only.** I wish to be contacted by email only. I give Cuero ISD permission to send me school information deemed necessary by the District via electronic mail during the 2021-2022 school year. My preferred email addresses to receive information via electronic mail are:

- ☐ **Consent for Non-emergency Communication to Home Phone Only.** I wish to be contacted on my home phone only. I give Cuero ISD permission to send me information deemed necessary by the District via telephone calls to my home telephone number during the 2021-2022 school year. I understand that if my home telephone number changes at any time during the 2021-2022 school year I am responsible for notifying Cuero ISD as soon as possible.

My home telephone number (not a cellular phone) is: _____

- ☐ **Do Not Send Non-emergency Communications.** I do not wish to receive automated informational messages from Cuero ISD. I understand that the District may still contract me by email, home phone, or cellular phone in the event of an emergency.

This consent form must be signed by all parties whose contact information is listed above.

PARENT STATEMENT PROHIBITING CORPORAL PUNISHMENT

A parent has the responsibility of submitting a signed statement to the principal each year if he or she chooses to prohibit the use of corporal punishment with his or her child. A parent may reinstate permission to use corporal punishment at any time during the school year by submitting a signed statement to the principal. Corporal punishment will be administered in accordance with the law, district policy, and the *Student Code of Conduct* (SCOC). [See FO and the SCOC.]

Corporal punishment will be administered as soon as possible after an offense and will not be administered in anger. The principal or a designee may choose not to use corporal punishment even if the parent has requested its use. Any use of corporal punishment will be documented on a district form. The principal or a designee will inform the parent when corporal punishment is used. Paddles used for administering corporal punishment will not be generally displayed and will be under the control of the principal or designee. Corporal punishment will be limited to spanking or paddling and will consist of an appropriate number of strikes based upon the size, age, and the physical, mental, and emotional condition of the student. Before corporal punishment is used, the district may give the student a choice between other disciplinary measures and corporal punishment.

Parent Statement Prohibiting Corporal Punishment:

I have read the information on the use of corporal punishment in the Cuero ISD, and I prohibit the use of corporal punishment with my child. This form must be submitted annually and can be revoked by the parent at any time.

SUICIDE PREVENTION

POLICY, PROCEDURES, AND GUIDELINES

CISD recognizes that suicide has become one of the top three leading causes of death among young people. It further acknowledges the schools' role in providing an environment which is sensitive to societal changes which place youth at greater risk for suicide, and one which helps to foster positive youth development. Consequently, CISD recognizes its moral and ethical responsibility to take a proactive stance in preventing the problem of youth suicide by providing programs which are conducive to the positive development of youth, and by providing appropriate intervention and referral for those potentially suicidal youth who come to the attention of school personnel. At the same time, however, CISD recognizes that suicide is a complex issue which cannot be potentially suicidal youth; it cannot provide the necessary, in-depth, clinical assessment and psychotherapy. The school system's role in dealing with youth who are at high risk for suicide is to try to identify and refer these youth to appropriate community agencies for more in-depth assessment and treatment. Therefore, any school employee who may have knowledge of a suicide possibility of suicide must take the proper steps, as specified in the following administrative procedures, to report this information to the designated school personnel, the student's family, and/ or appropriate community agencies.

ADMINISTRATIVE GUIDELINES

DEFINITION OF TERMS

- 1. ADMINISTRATIVE REPRESENTATIVE:** Throughout this document, the term “**administrative representative**” shall be defined as personnel who hold appropriate certification for, and who are hired for the position of School Counselor, and/ or School Social Worker.
- 2. RISK ASSESSMENT:** A **risk assessment** is defined as an evaluation of a student who may be at risk for suicide, and is conducted by a School Counselor, or School Social Worker. This interview is designed to elicit information regarding the student's intent to kill himself/herself, previous history of suicide attempts, the presence of a suicide plan and its level of lethality and availability, the presence of support systems, level of hopelessness and helplessness, mental status, and other relevant risk factors.
- 3. HIGH RISK:** A student who is defined as **high risk** for suicide is one who has made a suicide attempt, or has the intent to kill himself/ herself. He/she has thought about how he/she would do this, and may have a plan. He/she has access to the method described, but may not have everything in place. In addition, he/she may exhibit feelings of isolation, hopelessness, helplessness, and the inability to tolerate any more pain. Support systems are often limited. This situation would necessitate parental contact and referral, as documented in the following procedures.
- 4. VERY LOW OR NO RISK:** A student who is defined as **very low or no risk** for suicide is one who has not seriously considered suicide and has no plan or method. He/ she may be experiencing feelings of pain, but is willing to work to help to change the situation.

5. CRISIS TEAM: At district level this will include district nurse, member of the Social Services Department, district designated counselor and superintendent or his/her designee.

At the campus level, this will include an administrator, nurse, school counselor and teacher, or classroom aide.

6. MENTAL HEALTH: A state of mental and emotional being that can impact choices and actions that affect wellness. Mental health problems include mental and substance use disorders.

7. POSTVENTION: Suicide postvention is a crisis intervention strategy designed to reduce the risk of suicide and suicide contagion, provide the support needed to help survivors cope with a suicide death, address the social stigma associated with suicide, and disseminate factual information after the suicide death of a member of the school community.

8. RISK FACTORS FOR SUICIDE: Characteristics or conditions that increase the chance that a person may try to take his or her life. Suicide risk tends to be highest when someone has several risk factors at the same time. Risk factors may encompass biological, psychological, and or social factors in the individual, family, and environment.

9. SELF-HARM: Behavior that is self-directed and deliberately results in injury or the potential for injury to oneself can be categorized as either non-suicidal or suicidal. Although self-harm often lacks suicidal intent, youth who engage in self-harm are more likely to attempt suicide.

10. SUICIDE: Death caused by self-directed injurious behavior with any intent to die as a result of the behavior. Note: The coroner or medical examiner's officer must first confirm that the death was a suicide before any school official may state this as the cause of death.

11. SUICIDE ATTEMPT: A self-injurious behavior for which there is evidence that the person had at least some intent to kill himself or herself. A suicide attempt may result in death, injuries, or no injuries. A mixture of ambivalent feelings such as wish to die and desire to live is a common experience with most suicide attempts. Therefore, ambivalence is not a sign of a less serious or less dangerous suicide attempt.

12. SUICIDAL BEHAVIOR: Suicide attempts, intentional injury to self, associated with at least some level of intent, developing a plan or strategy for suicide, gathering the means for a suicide plan, or any other overt action or thought indicating intent to end one's life.

13. SUICIDE CONTAGION: The process by which suicidal behavior or a suicide influences an increase in the suicidal behaviors of others. Guilt, identification, and modeling are each thought to play a role in contagion. Although rare, suicide contagion can result in a cluster of suicides.

14. SUICIDAL IDEATION: Thinking about, considering, or planning for self-injurious behavior which may result in death. A desire to be dead without a plan or intent to end one's life is still considered suicidal ideation and should be taken seriously.

PREVENTION OF SUICIDE

CUERO ISD will undertake the following tasks in order to promote conditions that reduce the risk of possible youth suicide:

1. Conduct, and encourage others to conduct, activities designed to raise student, parent, staff, and community awareness about the problem of youth suicide.
2. Work collaboratively with community agencies for the purpose of fostering healthy youth development within the community and also facilitating appropriate student referrals.
3. Provide developmentally-based curricula to foster positive self-esteem, and the abilities to effectively cope with loss, to identify and utilize appropriate support systems, and to recognize and respond appropriately to the warning signs of suicide.

Identification: While no one risk factor, in itself, proves suicidal intent, the presence of a combination of factors may indicate a need for further assistance. In order to promote good mental health, CISD agrees to respond to students who are experiencing stressful life conditions, and who are demonstrating an inability to cope with these stressors.

High risk students include those who have made a suicide attempt, as well as those who are exhibiting the commonly recognized warning signs of suicide as listed in the Appendix of this document. Staff are encouraged to be sensitive to other signs they believe may indicate a student is suicidal.

ASSESSMENT AND REFERRAL

When a student is identified by a staff person as potentially suicidal, i.e., verbalizes about suicide, presents overt risk factors such as agitation or intoxication, the act of self-harm occurs, or a student self-refers, the student will be seen by a school employed mental health professional within the same school day to assess risk and facilitate referral. If there is no mental health professional available, a school nurse or administrator will fill this role until a mental health professional can be brought in.

For youth at risk:

1. School staff will continuously supervise the student to ensure their safety.
2. The principal and school suicide prevention coordinator will be made aware of the situation as soon as reasonably possible.
3. The school counselor will contact the student's parent or guardian, and/or mentor crisis team as described in the Parental Notification and Involvement section, and will assist the family with urgent referral. When appropriate, this may include calling emergency services or bringing the student to the local Emergency Department, but in most cases will involve setting up an outpatient mental health or primary care appointment and communicating the reason for referral to the healthcare provider.
4. Staff will ask the student's parent or guardian for written permission to discuss the student's health with outside care, if appropriate.

5. In order to facilitate such identification, the CISD will provide training to all staff and students, at appropriate grade levels, in recognizing the warning signs for suicide.

SUICIDE PREVENTION

STAFF PROFESSIONAL DEVELOPMENT

All staff will receive annual professional development on risk factors, warning signs, protective factors, response procedures, referrals, postvention, and resources regarding youth suicide prevention.

The professional development will include additional information regarding groups of students at elevated risk for suicide, including those living with mental and/or substance use disorders, those who engage in self-harm or have attempted suicide, those in out-of-home settings, those experiencing homelessness, American Indian/Alaska Native students, LGBTQ (lesbian, gay, bisexual, transgender, and questioning) students, students bereaved by suicide, and those with medical conditions or certain types of disabilities.

Additional professional development in risk assessment and crisis intervention will be provided to school employed mental health professionals and school nurses.

YOUTH SUICIDE PREVENTION PROGRAMMING

Developmentally-appropriate, student-centered education materials will be integrated into the curriculum of all K-12 health classes. The content of these age-appropriate materials will include: 1) the importance of safe and healthy choices and coping strategies, 2) how to recognize risk factors and warning signs of mental disorders and suicide in oneself and others, 3) help-seeking strategies for oneself or others, including how to engage school resources and refer friends for help. In addition, schools may provide supplemental small-group suicide prevention programming for students.

RISK FACTORS AND WARNING SIGNS

- Risk Factors for Suicide are characteristics or conditions that increase the chance that a person may try to take her or his life. Suicide risk tends to be highest when someone has several risk factors at the same time.
- The most frequently cited risk factors for suicide are:
- Major depression (feeling down in a way that impacts your daily life) or bipolar disorder (severe mood swings)
- Problems with alcohol or drugs
- Unusual thoughts and behavior or confusion about reality
- Personality traits that create a pattern of intense, unstable relationships or trouble with the law
- Impulsivity and aggression, especially along with a mental disorder
- Previous suicide attempt or family history of a suicide attempt or mental disorder
- Serious medical condition and/ or pain

PUBLICATION AND DISTRIBUTION

This policy will be distributed annually and included in all student and teacher handbooks and on the school website.

OUT-OF-SCHOOL SUICIDE ATTEMPTS

If a staff member becomes aware of a suicide attempt by a student that is in progress in an out-of-school location, the staff member will:

1. Call the police and/ or emergency medical services, such as 911.
2. Inform the student's parent or guardian.
3. Inform the school suicide prevention coordinator and administrator.

If the student contacts the staff member and expresses suicidal ideation, the staff member should maintain contact with the student (either in person, online, or on the phone). The staff member should then enlist the assistance of another person to contact the police while maintaining verbal engagement with the student.

PARENTAL NOTIFICATION AND INVOLVEMENT

In situations where a student is assessed at risk for suicide or has made a suicide attempt, the student's parent or guardian will be informed as soon as practicable by the principal, designee, or school counselor. If the student has exhibited any kind of suicidal behavior, the parent or guardian should be counseled on "means restriction," limiting the child's access to mechanisms for carrying out a suicide attempt. Staff will also seek parental permission to communicate with outside mental health care providers regarding their child.

Through discussion with the student, the principal, designee, school counselor will assess whether there is further risk of harm due to parent or guardian notification. If the principal, designee, or school counselor believes, in their professional capacity, that contacting the parent or guardian would endanger the health or well-being of the student, they may delay such contact as appropriate, if contact is delayed, the reasons for the delay should be documented.

IN- SCHOOL SUICIDE ATTEMPTS

In the case of an in-school suicide attempt, the health and safety of the student is paramount. In these situations:

1. First aid will be rendered until professional medical treatment and/or transportation can be received, following district emergency medical procedures.
2. School staff will supervise the student to ensure their safety.
3. Staff will move all other students out of the immediate area as soon as possible.
4. If appropriate, staff will immediately request a mental health assessment for the youth.
5. The school employed counselor or member of crisis intervention team will contact the student's parent or guardian, as described in the Parental Notification and Involvement section.

6. Staff will immediately notify the principal or school suicide prevention coordinator regarding in-school suicide attempts.
7. Suicide Intervention Form will be completed. One copy will be filed with the student's counselor at the student's home campus. Another will be filed by the person completing the form and a final copy should be sent to the district suicide prevention coordinator. (See prevention form.)

RE-ENTRY PROCEDURE

For students returning to school after a mental health crisis (e.g., suicide attempt or psychiatric hospitalization), a school counselor or member or crisis intervention team member will meet with the student's parent or guardian, and if appropriate meet with the student to discuss re-entry and appropriate next steps to ensure the student's readiness for return to school.

1. A school counselor or other designee will be identified to coordinate with the student, their parent or guardian, and any outside mental health care providers.
2. The parent or guardian will provide documentation from a mental health care provider that the student has undergone examination and that they are no longer a danger to themselves or others.
3. The designated staff person will periodically check in with student to help the student readjust to the school community and address any ongoing concerns.

POSTVENTION

1. Development and Implementation of an Action Plan

The crisis team will develop an action plan to guide school response following a death by suicide. A meeting of the crisis team to implement the action plan should take place immediately following news of the suicide death. The action plan may include the following steps:

- a) **Verify the death.** Staff will confirm the death and determine the cause of death through communication with a coroner's office, local hospital, the student's parent or guardian or police department. Even when a case is perceived as being an obvious instance of suicide, it should not be labeled as such until after a cause of death ruling has been made. If the cause of death has been confirmed as suicide but the parent or guardian will not permit the cause of death to be disclosed, the school will not share the cause of death but will use the opportunity to discuss suicide prevention with students.
- b) **Assess the situation.** The crisis team will meet to prepare the postvention response, to consider how severely the death is likely to affect other students, and to determine which students are most likely to be affected. The crisis team will also consider how recently other traumatic events have occurred within the school community and the time of year of the suicide. If the death occurred during a school vacation, the need for or scale of postvention activities may be reduced.
- c) **Share information.** Before the death is officially classified as a suicide by the coroner's office, the death can and should be reported to staff, students, and parents/ guardians with an

acknowledgement that its cause is unknown. Inform the faculty that a sudden death has occurred, preferably in a staff meeting. Write a statement for staff members to share with students. The statement should include the basic facts of the death and known funeral arrangements (without providing details of the suicide method), recognition of the sorrow the news will cause, and information about the resources available to help students cope with their grief. Public address system announcements and school-wide assemblies should be avoided. The crisis team may prepare a letter to send home with students that includes facts about the death (with the input and permission of the parent or guardian, crisis parent or guardian who is involved), information about what the school is doing to support students, the warning signs of suicidal behavior, and a list of resources available.

- d) **Avoid suicide contagion.** It should be explained in the staff meeting described above that one purpose of trying to identify and give services to other high risk students is to prevent another death. The crisis team will work with teachers to identify students who are most likely to be significantly affected by the death. In the staff meeting, the crisis team will review suicide warning signs and procedures for reporting students who generate concern.
 - e) **Initiate support services.** Students identified as being more likely to be affected by the death will be assessed by a school employed mental health professional to determine the level of support needed. The crisis team will coordinate support services for students and staff in need of individual and small group counseling as needed. In concert with parents or guardians, crisis team members will refer to community mental healthcare providers to ensure a smooth transition from the crisis intervention phase to meeting underlying or ongoing mental health needs.
2. **External Communication** The Superintendent or Central Office administrator will be the sole media spokesperson. Staff will refer all inquiries from the media directly to the spokesperson. The spokesperson will:
- a) Keep the district suicide prevention coordinator and superintendent informed of school actions relating to the death.
 - b) Prepare a statement for the media including the facts of the death, postvention plans, and available resources. The statement will not include confidential information, speculation about victim motivation, means of suicide, or personal family information.
 - c) Answer all media inquiries. If a suicide is to be reported by news media, the spokesperson should encourage reporters not to make it a front-page story, not to use pictures of the suicide victim, not to use the word suicide in the caption of the story, not to describe the method of suicide and not to use the phrase “suicide epidemic”- as this may elevated the risk of suicide contagion. They should also be encouraged not to link bullying to suicide and not to speculate about the reason for suicide. Media should be asked to offer the community information on suicide risk factors, warning signs, and resources available.

Teen Suicide

What is suicidal behavior?

Suicidal behavior is defined as a preoccupation or act that is focused on causing one's own death voluntarily. An intent to cause one's death is essential in the definition. Suicidal ideation refers to thoughts of suicide or wanting to take one's own life. Suicidal behavior refers to actions taken by one who is considering or preparing to cause his/her own death. Suicide attempt usually refers to an act focused on causing one's own death that is unsuccessful in causing death. Suicide refers to having intentionally caused one's own death.

What causes adolescents to attempt suicide?

Adolescence is a stressful developmental period filled with major changes-body changes, changes in thoughts, and changes in feelings. Strong feelings or stress, confusion, fear, and uncertainty, as well as pressure to succeed, and the ability to think about things in new ways influence a teenager's problem solving and decision making abilities.

For some teenagers, normal developmental changes, when compounded by other events or changes in their families such as divorce or moving to a new community, changes in friendships, difficulties in school, or other losses can be very upsetting and can become overwhelming. Problems may appear too difficult or embarrassing to overcome. For some, suicide may seem like a solution.

As many as 12 to 25 percent of older children and adolescents experience some form of thoughts about suicide (suicidal ideation) at one time or another. When feelings or thoughts become more persistent are accompanied by changes in behavior or specific plans for suicide, the risk of a suicide attempt increases.

What is known about teen suicide?

Suicide is the third leading cause of death in 15 to 24 year olds, and the third leading cause of death in 10 to 14 year olds. According to the National Institute of Mental Health (NIMH), reliable scientific research has found the following:

- There are as many as 8 to 25 attempted suicides to one completed suicide with the ratio even higher in youth.
- The strongest risk factors for attempted suicide in youth are depression, substance abuse, and aggressive or disruptive behaviors.

The Centers for Disease Control and Prevention (CDC) reports the following:

- Males are 4 times more likely to die from suicide than females.
- Females are more likely to attempt suicide than males.
- Firearms are used in over half of youth suicides.

What are the risk factors for suicide?

Suicide risk factors vary with age, gender, and cultural and social influences and may change over time. Risk factors for suicide frequently occur in combination with each other. The following are some suicide risk factors that may be present:

- One or more diagnosable mental or substance abuse disorders
- Impulsive behaviors
- Undesirable life events or recent losses (i.e., death, parental divorce)
- Family history of mental or substance abuse disorder
- Family history of suicide

- Family violence, including physical, sexual, or verbal/emotional abuse
- Prior suicide attempt
- Firearm in the home
- Incarceration
- Exposure to the suicidal behaviors of others, including family, peers, in the news, or in fiction stories

Warning Signs of Suicidal Feelings, Thoughts, or Behavior

Many of the warning signs of possible suicidal feelings are also symptoms of depression. Observation of the following behaviors by parents and caregivers may be helpful in identifying adolescents who may be at risk of attempting suicide:

- Changes in eating and sleep habits
- Loss of interest in usual activities
- Withdrawal from friends and family members
- Acting out behaviors and running away
- Alcohol and drug use
- Neglect of personal appearance
- Unnecessary risk taking
- Preoccupation with death and dying
- Increased physical complaints frequently associated with emotional distress such as stomachaches, headaches, and fatigue
- Loss of interest in school or schoolwork
- Feelings of boredom
- Difficulty concentrating
- Feelings of wanting to die
- Lack of response to praise
- Indicates plans or efforts toward plans to commit suicide, including the following:
 - Verbalizes, “I want to kill myself,” or “I’m going to commit suicide.”
 - Gives verbal hints such as “I won’t be a problem much longer,” or “If anything happens to me, I want you to know ...”
 - Gives away favorite possessions; throws away important belongings
 - Becomes suddenly cheerful after a period of depression
 - May express bizarre thoughts
 - Writes one or more suicide notes

Threats of suicide exhibit desperation and a cry for help. Always take statements of suicidal feelings, thoughts, behaviors, or plans very seriously. Any child or adolescent who expresses thoughts of suicide should be evaluated immediately.

The warning signs of suicidal feelings, thoughts, or behaviors may resemble other medical conditions or psychiatric problems. Always consult your child’s physician for a diagnosis.

Treatment for Suicidal Feelings and Behaviors

Specific treatment for suicidal feelings and behaviors will be determined by your teen’s physician based on:

- Your teen's age, overall health, and medical history
- Extent of your teen's symptoms
- Seriousness of the attempt
- Your teen's tolerance for specific medications, procedures, or therapies
- Expectations regarding future suicide risk
- Your opinion or preference

Any adolescent who has attempted suicide requires an initial physical evaluation and treatment until he/she is physically stable. Mental health treatment for suicidal feelings, thoughts, or behaviors begins with detailed evaluation of events in the adolescent's life during the two to three days preceding the suicidal behaviors. A comprehensive evaluation of the adolescent and family contributes to decisions regarding treatment needs. Treatment recommendations may include individual therapy for the adolescent, family therapy, and, when necessary, hospitalization to provide the adolescent a supervised and safe environment. Parents play a vital supportive role in any treatment process.

Prevention of Suicide

Recognition and early intervention of mental substance abuse disorders is the most effective way to prevent suicide and suicidal behavior. Studies have shown that suicide prevention programs most likely to succeed are those focused on identification and treatment of mental illness and substance abuse, coping with stress, and controlling aggressive behaviors.

According to the American Foundation for Suicide Prevention (ASFP), it is important to learn the warning signs of teenage suicide in order to prevent an attempt. Maintaining open communication with your teenager and their friends provides an opportunity for help as needed. If a teen is talking about suicide, he or she must receive an immediate evaluation.

- Warning signs for teen depression:
 - Feelings of sadness or hopelessness
 - Declining school performance
 - Loss of pleasure/interest in social and sports activities
 - Sleeping too little or too much
 - Changes in weight or appetite
 - Nervousness, agitation or irritability
 - Substance abuse
- Steps parents can take:
 - Keep medications and firearms away from children.
 - Get your child help (medical or mental health professional).
 - Support your child (listen, avoid undue criticism, remain connected).
 - Become informed (library, local support group, Internet)
- Steps teens can take:
 - Take your friend's behavior and discussion of suicide seriously.
 - Encourage your friend to seek professional help, accompany if necessary.
 - Talk to an adult you trust. Don't be alone in helping your friend.

Myths about Suicide

Many myths have developed about suicide and those who engage in suicidal behaviors. The following are the most common myths and are NOT TRUE:

1. People who talk about suicide usually don't go through with it.
FALSE. Many people who die by suicide have given definite warnings to family and friends of their intentions. Always take any comment about suicide seriously.
2. Suicidal people are fully intent on dying.
FALSE. Most suicidal people are undecided about living or dying. This is called "suicidal ambivalence." While a part of them wants to live, death seems like the only way out of their pain and suffering. They sometimes "gamble with death," leaving it up to others to save them.
3. Sometimes a bad event can push a person to complete suicide.
FALSE. Suicide results from serious psychiatric disorders rather than from any single event.
4. Thinking about suicide is rare.
FALSE. According to a recent study, one in five high school students considered ending his or her life in the past year.
5. Everyone who dies by suicide is depressed.
FALSE. Although depression is often associated with suicidal feelings, not all individuals who kill themselves are depressed. Many want to escape their situation seeing no other options. Adolescents, in particular, are very impulsive, and fail to think through alternative solutions to their life's problems.
6. You have to be "crazy" to die by suicide.
FALSE. The majority of individuals who commit suicide do not have a diagnosable mental illness. They are people just like you and me who at a particular time are feeling isolated, desperately unhappy and alone. Suicidal thoughts and actions may be the result of not being able to cope with life's stresses and losses.
7. You can't stop someone who really wants to die by suicide.
FALSE. Know the warning signs. If you see these signs, be willing to talk about suicide with the person in danger. Ask questions in a non-threatening way. Let the person know you hear what they are saying, and make it clear that you intend to be there for them. Try to stall them. Say if they've made up their mind, they can always do it later. Get help. Love and instinct may not be enough.
8. Most people who attempt suicide have gotten it out of their systems and won't try it again.
FALSE. If a person attempts suicide once, it is likely that they will try again. Any attempt is regarded as an indicator of further attempts. It is likely that the level of danger will increase with each attempt. If their situation does not change, the pain is still there and they will most likely try again.
9. Talking to someone about suicide will put the idea into his/ her head.

FALSE. If a person is not suicidal, they will reject the idea. If a person has been thinking about suicide and you ask, most welcome the chance to talk about their feelings. Talking to teens about suicide will NOT put the idea in their head. For too many students, suicide is already something they've considered. Bringing up the subject and discussing it openly is one of the most important things you can do.

If you are concerned that you or someone you know may be at risk for suicide, we strongly encourage you to do one or more of the following:

- Contact a mental health provider on your campus or in your community
- Call 1-800-273-8255(TALK), the National Suicide Prevention Hotline, for a referral
- Call your school or school district emergency number
- Call 911

Cuero Independent School District

Title I, Part A

Parent and Family Engagement – ESSA Public Law 114-95, Section 1116

May 25, 2020

PART I. GENERAL EXPECTATIONS

The Cuero ISD agrees to implement the following statutory requirements:

- The school district will put into operation programs, activities and procedures for the engagement of parents and family members in all of its schools with Title I, Part A programs, consistent with section 1118 of the Every Student Succeeds Act (ESSA). Those programs, activities and procedures, including the process of school review and improvement under section 1116, will be planned and operated with meaningful consultation with parents and family members of participating children.
- Consistent with section 1118, the school district will work with its schools to ensure that the required school-level parent and family engagement policies meet the requirements of section 1118(b) of the ESSA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESSA.
- The school district will incorporate this district-wide parent and family engagement policy into its LEA plan developed under section 1112 of the ESSA.
- In carrying out the Title I, Part A parent and family engagement policy requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of parents and family members with limited English proficiency, with disabilities, and of migratory children, including providing information and school reports required under section 1111 of the ESSA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in a language parents and family members understand.
- If the LEA plan for Title I, Part A, developed under section 1112 of the ESSA, is not satisfactory to the parents and family members of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the State Department of Education.
- The school district will involve the parents and family members of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the 1 percent reserved goes directly to the schools.

- The school district will provide such other reasonable support for parent and family engagement activities under section 1118 of the ESSA as the parents and family members may request.
- The school district will be governed by the following statutory definition of parent and family engagement, and expects that its Title I schools will carry out programs, activities, and procedures in accordance with this definition:

Parent and family engagement means the participation of parents and family members in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

- (A) that parents and family members play an integral role in assisting their child’s learning;
- (B) that parents and family members are encouraged to be actively involved in their child’s education at school;
- (C) that parents and family members are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- (D) the carrying out of other activities, such as those described in section 1118 of the ESSA.

- Provide assistance to parents of children served by the school or local educational agency, as appropriate, in understanding such topics the challenging State academic standards, State and local academic assessments, the requirements of this part, and how to monitor a child’s progress and work with educators to improve the achievement of their children;
- Provide materials and training to help parents to work with their children to improve their children’s achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement;
- Educate teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school;
- To the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. Provide assistance to parents to understand the State’s academic content standards, the State and local assessment, and how to work with educators to improve their child’s achievement;
- Ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand;

- Provide reasonable support for family engagement activities.

PART II. DESCRIPTION OF HOW DISTRICT WILL IMPLEMENT REQUIRED DISTRICTWIDE PARENT AND FAMILY ENGAGEMENT POLICY COMPONENTS

1. The Cuero ISD will take the following actions to engage parents and family members in the joint development of its district-wide parent and family engagement plan under section 1118 of the ESSA:
 - Parent Members on CPOC
 - Parent Teacher Organization (PTO)
 - Bi-annual Parent Conferences
 - Parent/Teacher/Student Compacts
2. The Cuero ISD will take the following actions to involve parents and family members in the process of school review and improvement under section 1116 of the ESSA:
 - Parent Surveys
 - Parent Teacher Organization (PTO)
 - Parent Information/Involvement Night
 - Student/Parent Orientation
 - Parent Membership on CPOC

C. The school district will, with the assistance of its schools, parents and family members, educate its teachers, pupil services personnel, principals and other staff, in how to reach out to,

communicate with, and work with parents and family members as equal partners in the value and utility of contributions of parents, and in how to implement and coordinate parent and family engagement, and build ties between parents, family members, and schools, by:

- Teacher Trainings (prior to start of school year)
- Faculty Meetings
- Parental Conferences
- In-service
- Teacher Memos as Necessary

D. The school district will, to the extent feasible and appropriate, coordinate and integrate parent and family engagement activities with Head Start, the Parents as Teachers Program, and other programs. The school will also conduct other activities, such as parent and family engagement resource centers that encourage and support parents and family members in more fully participating in the education of their children, by:

- Free Transportation
- Parent / Child Resource Room
- Childcare

E. The school district will take the following actions to ensure that information related to the school and parent-programs, meetings, and other activities is sent to the parents and family members of participating children in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand:

- Alternative language translations available upon request

PART III. DISCRETIONARY DISTRICTWIDE PARENT AND FAMILY ENGAGEMENT PROGRAM COMPONENTS

NOTE: The District-wide Parent and Family Engagement Program may include additional paragraphs listing and describing other discretionary activities that the school district, in consultation with its parents and family members, chooses to undertake to build parents' capacity for engagement in the school and school system to support their children's academic achievement, such as the following discretionary activities listed under section 1118(e) of the ESSA:

- involving parents and family members in the development of training for teachers, principals, and other educators to improve the effectiveness of that training;
- providing necessary literacy training for parents from Title I, Part A funds, if the school district has exhausted all other reasonably available sources of funding for that training;
- paying reasonable and necessary expenses associated with parent and family engagement activities, including transportation and child care costs, to enable parents to participate in school-related meetings and training sessions;
- training parents and family members to enhance the involvement of other parents and family members;
- arranging school meetings at a variety of times or conducting in-home conferences between teachers or other educators who work directly with participating children, arrange meetings with parents and family members who are unable to attend conferences at school; in order to maximize parent and family engagement and participation in their children's education;
- adopting and implementing model approaches to improving parent and family engagement;

- establishing a district-wide parent and family member advisory council to provide advice on all matters related to parent and family engagement in Title I, Part A programs;
- developing appropriate roles for community-based organizations and businesses, including faith-based organizations, in parent and family engagement activities.

NOTE: Events may be canceled or scheduled in a virtual format due to guidelines and mandates associated with school safety as a result of COVID-19.

PART IV. ADOPTION

This District-wide Parent and Family Engagement Policy has been developed jointly with, and agreed on with, parents and family members of children participating in Title I, Part A programs, as evidenced by Title I parent/staff meetings.

This policy was adopted by the **Cuero ISD** on July 1, 2020, and will be in effect for the period from July 1, 2020 to June 30, 2021. The school district will distribute this policy to all parents and family members of participating Title I, Part A children on or before September 1, 2020.

John C. French Elementary School Parent Engagement Plan

NOTE: Events may be canceled or scheduled in a virtual format due to guidelines and mandates associated with school safety as a result of COVID-19.

John C. French Elementary is focused on empowering families to support the early learning and development of children and by providing families educational opportunities and resources to ensure lifelong success.

John C. French will establish family engagement strategies that are based on best practices research to support student learning, achievement and family well-being. These practices are proven to demonstrate positive short-term and long-term outcomes for early childhood education.

A. Facilitated family-to-family support using strategies such as:

- Activities building positive and productive relationships where families can learn from each other.
- Provide a safe environment at each campus to promote family engagement, considering the different barriers that hinder family involvement. ("Meet the Teacher and Family Nights, Color Run, Thanksgiving Lunch, PTO, Christmas Bizarre, and Painting Night, Family Movie Night, and the Tattoo Crew)
- Assist families at the beginning of the year face to face conferences in understanding the academic requirements and supports we can offer students to help them in obtaining their goals.

B. Establishing a network of community resources using strategies such as:

- Cuero and Victoria support our students with certificates from local business. Jason's Deli, McDonalds, Sonic, Cherry Berry, Stripes
- Other Partners that support our school: Education Foundation, HEB, Walmart, Cuero Lions Club, Dewitt Coop, Keep Cuero Beautiful, Dewitt County Agrilife, and Full-of- Pep, Farmers Insurance, and State Farm Insurance
- Truancy Program through the Juvenile Probation Office
- Cuero Police Department and DPS troopers

C. Increase family participation in decision-making using strategies such as:

- Families will be given the opportunity to give input on campus climate surveys, at the end of the year, surveys about future programs, surveys about their needs, survey about family engagement, etc.
- Parents will be included in the DPOC, as well as CPOC
- SHAC (School Health Advisory Council)
- Fall and Spring Title One Meetings
- PTO Executive Committee

- D. Equip families with tools to enhance and extend learning using strategies such as:
- Family Engagement Reading Night providing work sessions on developmentally appropriate activities to utilize at home.
 - Individual family conferences at the beginning of the year and the end of the year
 - Providing all parents, a guide for reading with their child at home
 - Marvelous Mondays- Extended hours with special programs in the library and access to the computer lab for Rosetta Stone and other programs
 - School Services Ms. Green and Mrs. Willingham
 - At Home access to Istation
 - Literacy Bags provided to every student at John C. French to promote summer literacy
 - Guided Reading Books sent home for reading

E. Assist staff in developing skills in evidence-based practices that support families in meeting their children's learning benchmarks using strategies such as:

- Heinemann two day training on our new Phonics, and Reading curriculum
- BAS training for teachers from our Reading Interventionist
- Teacher observing teachers
- Handwriting Without Tears training
- Data digs
- Teacher data meetings
- Book Study
- Weekly PLCs
- Team discussion and planning
- Fundamental Five
- Seesaw

F. Evaluate family engagement efforts and use evaluations for continuous improvement using strategies such as:

- Set child-centered goals with parents
- Family engagement goals in the Campus Improvement Plans
- The district will survey parents annually on the effectiveness of their child's grade experience and parent involvement opportunities
- Evaluate programs annually within the district curriculum staff

Conclusion

In conclusion, the John C. French Elementary hopes to use this Family Engagement Plan to promote shared responsibility to increase and enhance the collaboration of staff with parents. All efforts will be focused on improving the education of all students in an innovative way that will help them become lifelong learners who will be successful.

ADOPTION

The John C. French Elementary School Parental Involvement Policy has been developed jointly with, and agreed on with, parents of children participating in Title I, Part A programs.

This policy was adopted by the **Cuero Independent School District** on July 1, 2020 and will be in effect for the period of July 1, 2020 to June 30, 2021. The school will distribute this policy to all parents of participating Title I, Part A children on or before September 1, 2020.

CUERO ISD TRIP AGREEMENT: IN-TOWN

Occasionally, classes go on various in-town field trips by walking or riding in transportation provided by the CISD. By completing this form, you give your permission for your child to participate in these events during the 2021-2022 school year. All such trips will be under the direct supervision of an administrator or teacher.

I hereby give my permission for my child to accompany their class on various in-town field trips during the 2021-2022 school year.

CUERO ISD TRIP AGREEMENT: OUT-OF-TOWN

The Cuero Independent School District ("Cuero ISD") will sponsor out-of-district Trips subject to the following terms and conditions.

Students and staff will travel by vehicles provided by the Cuero ISD Transportation Department. Parents/legal guardians or adult students are responsible for ensuring that students are at the designated departure site on time. The departure site and time will be determined by the Cuero ISD staff and the Transportation Director.

As the parent/legal guardian or adult student, I, _____, understand that students must comply with the District's *Student Code of Conduct* while on the Trip and that if a student engages in any misconduct, his/her parents will be notified and he or she will immediately be sent home at the parents' expense.

CONSENT FOR MEDICAL TREATMENT

By my signature below, I authorize any administrator or professional faculty member of the District to consent to emergency medical treatment for any illness or injury that may occur to my child, _____, while participating in the Trip. I agree to bear full financial responsibility for costs associated with emergency medical treatment of my child during the Trip, including reimbursement of expenses incurred by chaperones or the District for medical-related expenses. All students and chaperones that have medical insurance must provide pertinent insurance information.

RELEASE & CHOICE OF LAW

I agree that neither the District nor its chaperones shall bear any responsibility or liability for any accident or injury that may occur to my child while participating in this Trip. Furthermore, I agree that I am personally responsible for any costs arising out of damage caused by my child on the Trip.

I agree that this Agreement shall be governed by, interpreted, and enforced in accordance with the laws of the State of Texas. Moreover, any dispute arising out of my child's participation in the Trip shall be governed by the laws of the State of Texas or federal laws as interpreted by federal courts within Texas, the Fifth Circuit, or the United States Supreme Court.

Additionally, any dispute between a student/parent and the District shall be resolved informally or through the courts of the State of Texas, federal courts within Texas, the Fifth Circuit, or Supreme Court, but not in the state or federal courts in other state. The District does not hereby waive any immunity to which it is entitled under any state or federal law. This Agreement constitutes the entire and complete understanding between the District and the Parent and Student. The parties agree that if any provision of the Agreement is held to be unenforceable or invalid, that portion will be stricken and the remaining provisions will be enforceable.

PERMISSION

By my signature below, I acknowledge that I have read this Trip Agreement and agree to its terms, and I give my permission for my son/daughter to participate in Cuero Independent School District sponsored Trips for the school year.

PREFACE

To Students and Parents:

Welcome to the 2021-2022 school year! Education is a team effort, and we know that students, parents, teachers, and other staff members all working together can make this a wonderfully successful year for our students.

The *Cuero Independent School District Student Handbook* is designed to provide basic information that you and your child will need during the school year. The handbook is divided into two sections:

Section I—PARENTAL RIGHTS—with information to assist you in responding to school-related issues. We encourage you to take some time to closely review this section of the handbook;

Section II—OTHER IMPORTANT INFORMATION FOR STUDENTS AND PARENTS—organized alphabetically by topic, and, where possible, further divided by applicability to ages and/or grade levels, for quick access when searching for information on a specific issue.

Please be aware that the term “the student’s parent” is used to refer to the parent, legal guardian, any person granted some other type of lawful control of the student, or any other person who has agreed to assume school-related responsibility for a student.

Both students and parents should become familiar with the Cuero ISD *Student Code of Conduct*, which is a document adopted by the board and intended to promote school safety and an atmosphere for learning. That document may be found as an attachment to this handbook, posted on the Cuero ISD website at www.cueroisd.org.

The *Student Handbook* is a general reference guide only and is designed to be in harmony with board policy and the *Student Code of Conduct*. Please be aware that it is not a complete statement of all policies, procedures, or rules that may be applicable in a given circumstance.

In case of conflict between board policy including the *Student Code of Conduct* and any provisions of the *Student Handbook*, the provisions of board policy and the *Student Code of Conduct* that were most recently adopted by the board are to be followed.

Please be aware that the Student Handbook is updated yearly, while policy adoption and revision may occur throughout the year. The district encourages parents to stay informed of proposed board policy changes by attending board meetings and reviewing newsletters and other communications explaining changes in policy or other rules that affect Student Handbook provisions. The district reserves the right to modify provisions of the Student Handbook at any time, whenever it is deemed necessary. Notice of any revision or modification will be given as is reasonably practical under the circumstances.

Please be aware that the handbook is updated yearly, while policy adoption and revision may occur throughout the year. Changes in policy or other rules that affect *Student Handbook* provisions will be made available to students and parents through newsletters or other communications. The district reserves the right to modify provisions of the *Student Handbook* at any time, whenever it is deemed necessary. Notice of any revision or modification will be given as is reasonably practical under the circumstances.

Although the *Student Handbook* may refer to rights established through law or district policy, the *Student Handbook* does not create any additional rights for students and parents. It does not, nor is it intended to, create contractual or legal rights between any student or parent and the district.

If you or your child has questions about any of the material in this handbook, please contact the campus principal.

Please complete and return to your child’s campus all forms provided to your student at the beginning of the year or upon enrollment.

NOTE: References to policy codes are included so that parents can refer to board policy. A copy of the district’s policy manual is available for review in the district office or online at www.cueroisd.org.

SECTION I: PARENTAL RIGHTS

This section of the *Cuero ISD Student Handbook* includes information related to certain rights of parents as specified in state or federal law.

CONSENT, OPT-OUT, AND REFUSAL RIGHTS

CONSENT TO CONDUCT A PSYCHOLOGICAL EVALUATION

A district employee will not conduct a psychological examination, test, or treatment without obtaining prior written parental consent unless the examination, test, or treatment is required under state or federal law regarding requirements for special education or by the Texas Education Agency (TEA) for child abuse investigations and reports.

CONSENT TO DISPLAY A STUDENT'S ORIGINAL WORKS AND PERSONAL INFORMATION

Teachers may display students' work, which may include personally identifiable student information, in classrooms or elsewhere on campus as recognition of student achievement.

However, the district will seek parental consent before displaying students' artwork, special projects, photographs taken by students, original videos or voice recordings, and other original works on the district's website, a website affiliated or sponsored by the district, such as a campus or classroom website, and in district publications, which may include printed materials, videos, or other methods of mass communication.

CONSENT TO RECEIVE PARENTING AND PATERNITY AWARENESS INSTRUCTION IF STUDENT IS UNDER AGE 14

A student under the age of 14 must have parental permission to receive instruction in the district's parenting and paternity awareness program; otherwise, the student will not be allowed to participate in the instruction.

This program, developed by the Office of the Texas Attorney General and the State Board of Education (SBOE), is incorporated into the district's health education classes.

CONSENT TO VIDEO OR AUDIO RECORD A STUDENT WHEN NOT OTHERWISE PERMITTED BY LAW

State law permits the school to make a video or voice recording without parental permission for the following circumstances:

- When it is to be used for school safety;
- When it relates to classroom instruction or a cocurricular or extracurricular activity;
- When it relates to media coverage of the school; or
- When it relates to the promotion of student safety as provided by law for a student receiving special education services in certain settings.

The district will seek parental consent through a written request before making any other video or voice recording of your child not otherwise allowed by law.

[See **Video Cameras** for more information, including a parent's right to request video and audio equipment be placed in certain special education settings.]

PROHIBITING THE USE OF CORPORAL PUNISHMENT

Corporal punishment—spanking or paddling the student—may be used as a discipline management technique in accordance with the Student Code of Conduct and policy FO(LOCAL) in the district’s policy manual.

If you do not want corporal punishment to be administered to your child as a method of student discipline, please return the form included in the forms packet **OR** submit a written statement to the campus principal stating this decision. A signed statement must be provided each year if you do not want corporal punishment to be administered to your child.

You may choose to revoke this prohibition at any time during the year by providing a signed statement to the campus principal. However, district personnel may choose to use discipline methods other than corporal punishment even if the parent requests that this method be used on the student.

Note: If the district is made aware that a student is in temporary or permanent conservatorship (custody) of the state, through foster care, kinship care, or other arrangements, corporal punishment will not be administered, even when a signed statement prohibiting its use has not been submitted by the student’s caregiver or caseworker.

LIMITING ELECTRONIC COMMUNICATION WITH STUDENTS BY DISTRICT EMPLOYEES

Teachers and other approved employees are permitted by the district to communicate with students through the use of electronic media within the scope of the individual’s professional responsibilities. For example, a teacher may set up a social networking page for his or her class that has information related to class work, homework, and tests. As a parent, you are welcome to join or become a member of such a page.

An employee described above may also contact a student individually through electronic media to communicate about items such as homework or upcoming tests.

If you prefer that your child not receive any one-to-one electronic communications from a district employee or if you have questions related to the use of electronic media by district employees, please contact the campus principal.

OBJECTING TO THE RELEASE OF DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act, or FERPA, permits the district to disclose appropriately designated “directory information” from a student’s education records without written consent.

“Directory information” is information that is generally not considered harmful or an invasion of privacy if released. Examples include a student’s photograph for publication in the school yearbook; a student’s name and grade level for purposes of communicating class and teacher assignment; the name, weight, and height of an athlete for publication in a school athletic program; a list of student birthdays for generating school-wide or classroom recognition; a student’s name and photograph posted on a district-approved and -managed social media platform; and the names and grade levels of students submitted by the district to a local newspaper or other community publication to recognize the A/B honor roll for a specific grading period. This directory information will be released to anyone who follows procedures for requesting it.

However, a parent or eligible student may object to the release of a student’s directory information.

This objection must be made in writing to the principal within ten school days of your child’s first day of instruction for this school year OR on a later date established by the District. [See the “**Notice**

Regarding Directory Information and Parent’s Response Regarding Release of Student Information” included in this handbook.]

DIRECTORY INFORMATION FOR SCHOOL-SPONSORED PURPOSES

The district often needs to use student information for the following school-sponsored purposes:

CISD BOARD POLICY [FL(LOCAL)] states: For the purposes of this policy, “school officials” shall mean any employees, trustees, or agents of the District, of cooperatives of which the District is a member, or of facilities with which the District contracts for placement of students with disabilities. The term also includes attorneys, consultants, and independent contractors who are retained by the District, by cooperatives of which the District is a member, or by facilities with which the District contracts for placement of students with disabilities.

School officials have a “legitimate educational interest” in a student’s records when they are working with the student; considering disciplinary or academic actions, the student’s case, or an individualized education program for a student with disabilities; compiling statistical data; or investigating or evaluating programs.

For these specific school-sponsored purposes, the district would like to use your child’s

- student name,
- address,
- telephone listing,
- electronic mail address,
- photograph,
- and date and place of birth,
- as well as major field of study;
- degrees, honors, and awards received;
- dates of attendance;
- grade level;
- most recent educational institution attended;
- participation in officially recognized activities and sports;
- and weight and height of members of athletic teams.

This information will not be used for other purposes without the consent of the parent or eligible student, except as described above at Directory Information.

Unless you object to the use of your child’s information for these limited purposes, the school will not need to ask your permission each time the district wishes to use this information for the school-sponsored purposes listed above.

OBJECTING TO THE RELEASE OF STUDENT INFORMATION TO MILITARY RECRUITERS AND INSTITUTIONS OF HIGHER EDUCATION (SECONDARY GRADE LEVELS ONLY)

The district is required by federal law to comply with a request by a military recruiter or an institution of higher education for students’ names, addresses, and telephone listings, unless parents have advised the district not to release their child’s information without prior written consent. A form is available if you do not want the district to provide this information to military recruiters or institutions of higher education.

PARTICIPATION IN THIRD-PARTY SURVEYS

CONSENT REQUIRED BEFORE STUDENT PARTICIPATION IN A FEDERALLY FUNDED SURVEY, ANALYSIS, OR EVALUATION.

Your child will not be required to participate without parental consent in any survey, analysis, or evaluation—funded in whole or in part by the U.S. Department of Education—that concerns:

Political affiliations or beliefs of the student or the student's parent.

- Mental or psychological problems of the student or the student's family.
- Sexual behavior or attitudes.
- Illegal, antisocial, self-incriminating, or demeaning behavior.
- Critical appraisals of individuals with whom the student has a close family relationship.
- Relationships privileged under law, such as relationships with lawyers, physicians, and ministers.
- Religious practices, affiliations, or beliefs of the student or parents.
- Income, except when the information is required by law and will be used to determine the student's eligibility to participate in a special program or to receive financial assistance under such a program.

You will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation. [For further information, see policy EF(LEGAL).]

“OPTING OUT” OF PARTICIPATION IN OTHER TYPES OF SURVEYS OR SCREENING AND THE DISCLOSURES OF PERSONAL INFORMATION

As a parent, you have a right to receive notice of and deny permission for your child's participation in:

- Any survey concerning the private information listed above, regardless of funding.
- School activities involving the collection, disclosure, or use of personal information gathered from your child for the purpose of marketing or selling that information. NOTE: This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for; or to, students or educational institutions.
- Any nonemergency, invasive physical examination or screening required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student. Exceptions are hearing, vision, or spinal screenings, or any physical examination or screening permitted or required under state law. [See policies EF and FFAA.]

As a parent, you may inspect a survey created by a third party, instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and instructional material used as part of the educational curriculum.

REMOVING A STUDENT FROM INSTRUCTION OR EXCUSING A STUDENT FROM A REQUIRED COMPONENT OF INSTRUCTION

Human Sexuality Instruction

As a part of the district's curriculum, students receive instruction related to human sexuality. The School Health Advisory Council (SHAC) is involved with the selection of course materials for such instruction.

State law requires that the district provide written notice before each school year of the board's decision to provide human sexuality instruction

State law requires that any instruction related to human sexuality, sexually transmitted diseases, or human immunodeficiency virus or acquired immune deficiency syndrome must:

- Present abstinence from sexual activity as the preferred choice of behavior in relationship to all sexual activity for unmarried persons of school age;
- Devote more attention to abstinence from sexual activity than to any other behavior;
- Emphasize that abstinence is the only method that is 100 percent effective in preventing pregnancy, sexually transmitted diseases, and the emotional trauma associated with adolescent sexual activity;
- Direct adolescents to a standard of behavior in which abstinence from sexual activity before marriage is the most effective way to prevent pregnancy and sexually transmitted diseases; and
- If included in the content of the curriculum, teach contraception and condom use in terms of human use reality rates instead of theoretical laboratory rates.

In accordance with state law, please contact the District Nurse for a summary of the district's curriculum regarding human sexuality instruction.

As a parent, you are entitled to review the curriculum materials. In addition, you may remove your child from any part of the human sexuality instruction with no academic, disciplinary, or other penalties. You may also choose to become more involved with the development of curriculum used for this purpose by becoming a member of the district's SHAC. Please see the campus principal for additional information.

RECITING A PORTION OF THE DECLARATION OF INDEPENDENCE IN GRADES 3-12

You may request that your child be excused from recitation of a portion of the Declaration of Independence. State law requires students in social studies classes in grades 3–12 to recite a portion of the text of the Declaration of Independence during Celebrate Freedom Week unless (1) you provide a written statement requesting that your child be excused, (2) the district determines that your child has a conscientious objection to the recitation, or (3) you are a representative of a foreign government to whom the United States government extends diplomatic immunity. [See policy EHBK(LEGAL).]

RECITING THE PLEDGES TO THE U.S. AND TEXAS FLAGS

State law designates the week of September 17 as Celebrate Freedom Week and requires all social studies classes provide instruction concerning the intent, meaning, and importance of the Declaration of Independence and the U.S. Constitution, and a specific recitation from the Declaration of Independence for students in grades 3–12.

As a parent, you may request that your child be excused from participation in the daily recitation of the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. The request must be in writing. State law does not allow your child to be excused from participation in the required minute of silence or silent activity that follows. [See **Pledges of Allegiance and A Minute of Silence** and policy EC(LEGAL).]

RELIGIOUS OR MORAL BELIEFS

You may remove your child temporarily from the classroom if an instructional activity in which your child is scheduled to participate conflicts with your religious or moral beliefs. The removal cannot be for the purpose of avoiding a test and may not extend for an entire semester. Further, your child must satisfy grade-level and graduation requirements as determined by the school and by state law.

TUTORING OR TEST PREPARATION

Based on informal observations, evaluative data such as grades earned on assignments or tests, or results from diagnostic assessments, a teacher may determine that a student is in need of additional targeted assistance for the student to achieve mastery in state-developed essential knowledge and skills. The school will always attempt to provide tutoring and strategies for test-taking in ways that prevent removal from other instruction as much as possible. In accordance with state law and policy EC, the school will not remove a student from a regularly scheduled class for remedial tutoring or test preparation for more than ten percent of the school days on which the class is offered, unless the student's parent consents to this removal.

The school may also offer tutorial services, which students whose grades are below 70 will be required to attend.

[Also refer to policies EC and EHBC, and contact your student's teacher with questions about any tutoring programs provided by the school.]

RIGHT OF ACCESS TO STUDENT RECORDS, CURRICULUM MATERIALS, AND DISTRICT RECORDS/POLICIES

INSTRUCTIONAL MATERIALS

As a parent, you have a right to review teaching materials, textbooks, and other teaching aids and instructional materials used in the curriculum, and to examine tests that have been administered to your child.

You are also entitled to request that the school allow your child to take home any instructional materials used by the student. If the school determines that sufficient availability exists to grant the request, the student must return the materials at the beginning of the next school day if requested to do so by the student's teacher.

NOTICES OF CERTAIN STUDENT MISCONDUCT TO NONCUSTODIAL PARENT

A noncustodial parent may request in writing that he or she be provided, for the remainder of the school year, a copy of any written notice usually provided to a parent related to your child's misconduct that may involve placement in a Disciplinary Alternative Education Program (DAEP) or expulsion. [See policy FO(LEGAL) and the *Student Code of Conduct*.]

PARTICIPATION IN FEDERALLY REQUIRED, STATE-MANDATED, AND DISTRICT ASSESSMENTS

You may request information regarding any state or district policy related to your child's participation in assessments required by federal law, state law, or the district.

STUDENT RECORDS

ACCESSING STUDENT RECORDS

You may review your child's student records. These records include:

- Attendance records,
- Test scores,
- Grades,
- Disciplinary records,

- Counseling records,
- Psychological records,
- Applications for admission,
- Health and immunization information,
- Other medical records,
- Teacher and counselor evaluations,
- Reports of behavioral patterns
- State assessment instruments that have been administered to your child, and
- Teaching materials and tests used in your child's classroom.

AUTHORIZED INSPECTION AND USE OF STUDENT RECORDS

A federal law, known as the Family Educational Rights and Privacy Act, or FERPA, affords parents and eligible students certain rights with respect to the student's education records. For purposes of student records, an "eligible" student is one who is 18 or older or who is attending an institution of postsecondary education. These rights, as discussed in this section as well as at Objecting the Release of Directory Information are:

- The right to inspect and review student records within 45 days after the day the school receives a request for access.
- The right to request an amendment to a student record the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of FERPA.
- The right to provide written consent before the school discloses personally identifiable information from the student's records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the US Department of Education concerning failures by the school to comply with FERPA requirements. The name and address of the office that administers FERPA are:

Family Policy Compliance Office
US Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

Both FERPA and state laws safeguard student records from unauthorized inspection or use and provide parents and eligible students certain rights of privacy. Before disclosing any personally identifiable information from a student's records, the district must verify the identity of the person, including a parent or the student, requesting the information.

Virtually all information pertaining to student performance, including grades, test results, and disciplinary records, is considered confidential educational records.

Inspection and release of student records is primarily restricted to an eligible student or a student's parents—whether married, separated, or divorced—unless the school is given a copy of a court order terminating parental rights or the right to access a student's education records.

Federal law requires that, as soon as a student reaches the age of 18, is emancipated by a court, or enrolls in a post-secondary institution, control of the records goes to the student. The parents may continue to have access to the records, however, if the student is a dependent for tax purposes and under limited circumstances when there is a threat to the health and safety of the student or other individuals.

FERPA permits the disclosure of personally identifiable information from a student's education records, without written consent of the parent or eligible student, in the following circumstances:

- When District school officials have what federal law refers to as a “legitimate educational interest” in a student’s records. School officials would include board members and employees, such as the superintendent, administrators, and principals; teachers, counselors, diagnosticians, and support staff (including district health or district medical staff); a person or company with whom the district has contracted or allowed to provide a particular institutional service or function (such as an attorney, consultant, third-party vendor that offers online programs or software, auditor, medical consultant, therapist, school resource officer, or volunteer); a parent or student serving on a school committee; or a parent or student assisting a school official or staff in the performance of his or her duties. “Legitimate educational interest” in a student’s records includes working with the student; considering disciplinary or academic actions, the student’s case, or an individualized education program for a student with disabilities; compiling statistical data; reviewing an educational record to fulfill the official’s professional responsibility to the school and the student; or investigating or evaluating programs.
- To authorized representatives of various governmental agencies, including juvenile service providers, the US Comptroller General’s office, the US Attorney General’s office, the US Secretary of Education, TEA, the US Secretary of Agriculture’s office, and Child Protective Services (CPS) caseworkers or other child welfare representatives, in certain cases.
- To individuals or entities granted access in response to a subpoena or court order.
- To another school, school district/system, or institution of postsecondary education to which a student seeks or intends to enroll or in which he or she is already enrolled.
- In connection with financial aid for which a student has applied or which a student has received.
- To accrediting organizations to carry out accrediting functions.
- To organizations conducting studies for; on behalf of, the school, in order to develop, validate, or administer predictive tests; administer student aid programs; or improve instruction.
- To appropriate officials in connection with a health or safety emergency.
- When the district discloses information it has designated as directory information.

Release of personally identifiable information to any other person or agency—such as a prospective employer or for a scholarship application—will occur only with parental or student permission as appropriate.

The principal is custodian of all records for currently enrolled students at the assigned school. The principal is the custodian of all records for students who have withdrawn or graduated.

Records may be inspected by a parent or eligible student during regular school hours. If circumstances prevent inspection during these hours, the district will either provide a copy of the records requested or make other arrangements for the parent or student to review these records. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records. The address of the superintendent’s office is 960 East Broadway, Cuero, TX 77954.

A parent (or eligible student) may inspect the student’s records and request a correction if the records are considered inaccurate or otherwise in violation of the student’s privacy rights. A request to correct a student’s record should be submitted to the appropriate records custodian. The request must clearly identify the part of the

record that should be corrected and include an explanation of how the information in the record is inaccurate. If the district denies the request to amend the records, the parent or eligible student has the right to request a hearing. If the records are not amended as a result of the hearing, the parent or eligible student has 30 school days to exercise the right to place a statement commenting on the information in the student's record. Although improperly recorded grades may be challenged, contesting a student's grade in a course is handled through the general complaint process found in policy FNG(LOCAL). A grade issued by a classroom teacher can be changed only if, as determined by the board of trustees, the grade is arbitrary, erroneous, or inconsistent with the district's grading policy. [See **FINALITY OF GRADES at FNG(LEGAL), Report Cards/Progress Reports and Conferences, and Student or Parent Complaints and Concerns for an overview of the process.**]

Copies of student records are available at a cost of ten cents per page, payable in advance. If the student qualifies for free or reduced-price lunches and the parents are unable to view the records during regular school hours, one copy of the record will be provided at no charge upon written request of the parent.

The district's policy regarding student records found at FL(LEGAL) and (LOCAL) is available from the principal's or superintendent's office or on the district's website at www.cueroisd.org.

The parent's or eligible student's right of access to and copies of student records do not extend to all records. Materials that are not considered educational records—such as a teacher's personal notes about a student that are shared only with a substitute teacher—do not have to be made available to the parents or student.

TEACHERS AND STAFF PROFESSIONAL QUALIFICATIONS

You may request information regarding the professional qualifications of your child's teachers, including whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and whether the teacher is currently teaching in the field of discipline of his or her certification.. You also have the right to request information about the qualifications of any paraprofessional who may provide services to your child.

STUDENTS WITH EXCEPTIONALITIES OR SPECIAL CIRCUMSTANCES

CHILDREN OF MILITARY FAMILIES

Children of military families will be provided flexibility regarding certain district requirements, including:

- Immunization requirements.
- Grade level, course, or educational program placement.
- Eligibility requirements for participation in extracurricular activities.
- Graduation requirements.

In addition, absences related to a student visiting with his or her parent related to leave or deployment activities may be excused by the district. The district will permit no more than five excused absences per year for this purpose. For the purpose to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent's return from deployment.

Additional information may be found at Military Family Resources at the Texas Education Agency.

PARENTAL ROLE IN CERTAIN CLASSROOM AND SCHOOL ASSIGNMENTS

MULTIPLE BIRTH SIBLINGS

As a parent, if your children are multiple birth siblings (e.g., twins, triplets, etc.) assigned to the same grade and campus, you may request that they be placed either in the same classroom or in separate classrooms. Your written request must be submitted no later than the 14th day after the enrollment of your children. [See policy FDB(LEGAL).]

SAFETY TRANSFERS/ASSIGNMENTS

As a parent, you may:

- Request the transfer of your child to another classroom or campus if your child has been determined by the superintendent or designee to have been a victim of bullying as the term is defined by Education Code 37.0832. Transportation is not provided for a transfer to another campus. See the superintendent or campus principal for information.
- Consult with district administrators if your child has been determined by the district to have engaged in bullying and the board decides to transfer your child to another classroom or campus. Transportation is not provided in this circumstance. [See **Bullying**, policy FDB, and policy FFI.]
- Request the transfer of your child to attend a safe public school in the district if your child attends school at a campus identified by TEA as persistently dangerous or if your child has been a victim of a violent criminal offense while at school or on school grounds. [See policy FDE(LOCAL).]
- Request the transfer of your child to another campus or a neighboring district if your child has been the victim of a sexual assault by another student assigned to the same campus, whether that assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for that assault. If the victim does not wish to transfer, the district will transfer the assailant in accordance with policy FDE(LOCAL).

SERVICE/ASSISTANCE ANIMAL USE BY STUDENTS

A parent of a student who uses a service animal because of the student's disability must submit a request in writing to the principal at least ten district business days before bringing the service animal on campus.

STUDENTS IN THE CONSERVATORSHIP OF THE STATE (FOSTER CARE)

A student who is currently in the conservatorship (custody) of the state and who enrolls in the district after the beginning of the school year will be allowed credit-by-examination opportunities outside the district's established testing windows, and the district will grant proportionate course credit by semester (partial credit) when a student does only passes one semester of a two-semester course.

A student who is currently in the conservatorship (custody) of the state and who is moved outside of the district's or school's attendance boundaries, or who is initially placed in the conservatorship of the state and who is moved outside the district's or school's boundaries, is entitled to continue in enrollment at the school he or she was attending prior to the placement or move until the student reaches the highest grade level at the particular school. In addition, if a student in grade 11 or 12 transfers to another district but does not meet the graduation requirements of the receiving district, the student can request to receive a diploma from the previous district, the student can request to receive a diploma from the previous district if he or she meets the criteria to graduate from the previous district.

A student or parent who is dissatisfied by the district's eligibility, school selection, or enrollment decision may appeal through policy FNG(LOCAL). The district will expedite local timelines, when possible, for prompt dispute resolution.

[See also **Credit by Examination For Advancement/Acceleration, Course Credit, and Students in Foster Care** for more information.]

STUDENTS WHO ARE HOMELESS

Children who are homeless will be provided flexibility regarding certain district provisions, including:

- Proof of residency requirements;
- Immunization requirements;
- Educational program placement, if the student is unable to provide previous academic records, or misses an application deadline during a period of homelessness;
- Credit-by-examination opportunities;
- The award of partial credit (awarding credit proportionately when a student passes only one semester of a two-semester course);
- Eligibility requirements for participation in extracurricular activities; and
- Graduation requirements.

If a student in grade 11 or 12 is homeless and transfers to another school district but does not meet the graduation requirements of the receiving district, the student can request to receive a diploma from the previous district if he or she meets the criteria to graduate from the previous district.

Federal law also allows a homeless student to remain enrolled in what is called the “school of origin” or to enroll in a new school in the attendance area where the student is currently residing.

A student or parent who is dissatisfied by the district’s eligibility, school selection, or enrollment decision may appeal through policy FNG(LOCAL). The district will expedite local timelines, when possible, for prompt dispute resolution.

[See also **Credit by Examination for Advancement/Acceleration, Course Credit, and Homeless Students** for more information.]

Students Who Have Learning Difficulties or Who Need Special Education or 504 Services

For those students who are having difficulty in the regular classroom, all school districts must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of districts to meet the needs of all struggling students.

If a student is experiencing learning difficulties, his or her parent may contact the individuals listed below to learn about the school’s overall general education referral or screening system for support services. This system links students to a variety of support options, including making a referral for a special education evaluation or for a Section 504 evaluation to determine whether the student needs specific aids, accommodations, or services. A parent may request an evaluation for special education or Section 504 services at any time.

SPECIAL EDUCATION REFERRALS

If a parent makes a written request for an initial evaluation for special education services to the director of special education services or to a district administrative employee of the school district, the district must respond no later than 15 school days after receiving the request. At that time, the district must give

the parent prior written notice of whether it agrees or refuses to evaluate the student, along with a copy of the *Notice of Procedural Safeguards*. If the district agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

If the district decides to evaluate the student, it must complete the student's initial evaluation and evaluation report no later than 45 school days from the day it receives a parent's written consent. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an exception to the 45-school-day timeline. If the district receives a parent's consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30 due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the district must give the parent a copy of the evaluation report at no cost.

Additional information regarding special education is available from the school district in a companion document titled *Parent's Guide to the Admission, Review, and Dismissal Process*.

CONTACT PERSON FOR SPECIAL EDUCATION REFERRALS

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education is Kim Alvarez at 361-275-1903.

SECTION 504 REFERRALS

Each school district must have standards and procedures in place for the evaluation and placement of students in the district's Section 504 program.

Districts must also implement a system of procedural safeguards that includes notice, an opportunity for a parent or guardian to examine relevant records, an impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel, and a review procedure.

CONTACT PERSON FOR SECTION 504 REFERRALS

The designated person to contact regarding options for a student experiencing learning difficulties or regarding a referral for evaluation for Section 504 services is *Dr. Pam Longbotham* at 361-275-1922. [See also Students with Physical or Mental Impairments Protected under Section 504.]

NOTIFICATION TO PARENT OF INTERVENTION STRATEGIES FOR LEARNING DIFFICULTIES PROVIDED TO STUDENT IN GENERAL EDUCATION

The district will annually notify parents that it provides assistance to students, other than those already enrolled in a special education program, who need assistance for learning difficulties, including intervention strategies

STUDENTS WHO RECEIVE SPECIAL EDUCATION SERVICES WITH OTHER SCHOOL-AGED CHILDREN IN THE HOME

If a student is receiving special education services at a campus outside his or her attendance zone, the parent or guardian may request that any other student residing in the household be transferred to the same campus, if the appropriate grade level for the transferring student is offered on that campus. However, the district is not required to provide transportation to the other children in the household. The parent or guardian should speak with the principal of the school regarding transportation needs prior to requesting a transfer for any other children in the home. [See policy FDB(LOCAL).]

STUDENTS WHO SPEAK A PRIMARY LANGUAGE OTHER THAN ENGLISH

A student may be eligible to receive specialized support if his or her primary language is not English, and the student has difficulty performing ordinary class work in English. If the student qualifies for these extra services, the Language Proficiency Assessment Committee (LPAC) will determine the types of services the student needs, including accommodations or modifications related to classroom instruction, local assessments, and state-mandated assessments.

STUDENTS WITH PHYSICAL OR MENTAL IMPAIRMENTS PROTECTED UNDER SECTION 504

A student determined to have a physical or mental impairment that substantially limits a major life activity, as defined by law, and who does not otherwise qualify for special education services, may qualify for protections under Section 504 of the Rehabilitation Act. Section 504 is a federal law designed to prohibit discrimination against individuals with disabilities. When an evaluation is requested, a committee will be formed to determine if the child is in need of services and supports under Section 504 to receive a free appropriate public education (FAPE), as this is defined in federal law.

[See policy FB.]

SECTION II: OTHER IMPORTANT INFORMATION FOR STUDENTS AND PARENTS

Topics in this section of the handbook contain important information on academics, school activities, and school operations and requirements. Take a moment with your child to become familiar with the various issues addressed in this section. It is conveniently organized in alphabetical order to serve as a quick-reference when you or your child has a question about a specific school-related issue. Should you be unable to find the information on a particular topic, please contact the superintendent or campus principal.

ABSENCES/ATTENDANCE

Regular school attendance is essential for a student to make the most of his or her education—to benefit from teacher-led and school activities, to build each day’s learning on the previous day’s, and to grow as an individual. Absences from class may result in serious disruption of a student’s mastery of the instructional materials; therefore, the student and parent should make every effort to avoid unnecessary absences. Two state laws, one dealing with the required presence of school-aged children in school, e.g. compulsory attendance, the other with how a student’s attendance affects the award of a student’s final grade for course credit – are of special interest to students and parents. They are discussed below:

COMPULSORY ATTENDANCE

Age 19 and Older

A student who voluntarily attends or enrolls after his or her 19th birthday is required to attend each school day until the end of the school year. If a student age 19 or older has more than five unexcused absences in a semester, the district may revoke the student’s enrollment. The student’s presence on school property thereafter would be unauthorized and may be considered trespassing. [See policy FEA.]

Between Ages 6 and 19

State law requires that a student between the ages of 6 and 19 attend school, as well as any applicable accelerated instruction program, extended year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

State law requires attendance in an accelerated reading instruction program when kindergarten, first grade, or second grade students are assigned to such a program. Parents will be notified in writing if their child is assigned to an accelerated reading instruction program as a result of a diagnostic reading instrument.

A student will be required to attend any assigned accelerated instruction program, which may occur before or after school or during the summer, if the student does not meet the passing standards on the state assessment for his or her grade level and/or applicable subject area.

Prekindergarten and Kindergarten

Students enrolled in prekindergarten or kindergarten are required to attend school and are subject to the compulsory attendance requirements as long as they remain enrolled.

EXEMPTIONS TO COMPULSORY ATTENDANCE

All Grade Levels

State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:

- Religious holy days;
- Required court appearances;
- Activities related to obtaining United States citizenship;
- Documented health-care appointments for the student or a child of the student, including absences for recognized services for students diagnosed with autism spectrum disorders, if the student comes to school or returns to school on the same day as the appointment. A note from the health-care provider must be submitted upon the student's arrival or return to campus; and
- For students in the conservatorship (custody) of the state,
 - An activity required under a court-ordered service plan; or
 - Any other court-ordered activity, provided it is not practicable to schedule the student's participation in the activity outside of school hours.

As listed in Section I at **Children of Military Families**, absences of up to five days will be excused for a student to visit with a parent, stepparent, or legal guardian who has been called to duty for, is on leave from, or immediately returned from certain deployments. [See page for that section.]

Secondary Grade Levels

In addition, a junior or senior student's absence of up to two days related to visiting a college or university will be considered an exemption, provided this has been authorized by the board under policy FEA(LOCAL), the student receives approval from the campus principal, follows the campus procedures to verify such a visit, and makes up any work missed.

An absence will also be considered an exemption if a student 17 years of age or older is pursuing enlistment in a branch of the U.S. armed services or Texas National Guard, provided the absence does not exceed four days **during the period the student is enrolled in high school** and the student provides verification to the district of these activities.

Absences of up to two days in a school year will also be considered an exemption for:

- A student serving as an early voting clerk, provided the district's board has authorized this in policy FEA(LOCAL), the student notifies his or her teachers, and the student receives approval from the principal prior to the absences; and
- A student serving as an election clerk, if the student makes up any work missed.

An absence of a student in grades 6–12 for the purpose of sounding “Taps” at a military honors funeral for a deceased veteran will also be excused by the district.

FAILURE TO COMPLY WITH COMPULSORY ATTENDANCE

All Grade Levels

School employees must investigate and report violations of the state compulsory attendance law. A student absent without permission from school; from any class; from required special programs, such as additional special instruction, termed “accelerated instruction” by the state; or from required tutorials will be considered in violation

of the compulsory attendance law and subject to disciplinary action.

Students with Disabilities

If a student with disability is experiencing attendance issues, the student's ARD committee or Section 504 committee will be notified, and the committee will determine whether the attendance issues warrant an evaluation, a reevaluation, and/or modifications to the student's individualized education program or Section 504 plan, as appropriate.

Age 19 and Older

After a student age 19 or older incurs a third unexcused absence, the district will send the student a letter as required by law explaining that the district may revoke the student's enrollment for the remainder of the school year if the student has more than five unexcused absences in a semester. As an alternative to revoking a student's enrollment, the district may implement a behavior improvement plan.

Between Ages 6 and 19

When a student between ages 6 and 19 incurs unexcused absences for three or more days or parts of days within a four-week period, the school will send a notice to the student's parent, as required by law, to remind the parent that it is the parent's duty to monitor the student's attendance and to require the student to come to school. The notice will also inform the parent that the district will initiate truancy prevention measures and request a conference between school administrators and the parent. These measures will include a behavior improvement plan, school-based community service, or referrals to either in-school or out-of-school counseling or other social services. Any other measures considered appropriate by the district will also be initiated.

The truancy prevention facilitator for the district will be determined by the campus principal. If you have questions about your student and the effect of his or her absences from school, please contact the facilitator or any other campus administrator.

A court of law may also impose penalties against a student's parent if a school-aged student is deliberately not attending school. A complaint against the parent may be filed in court if the student is absent without excuse from school on ten or more days or parts of days within a six-month period in the same school year.

If a student ages 12 through 18 incurs unexcused absences on ten or more days or parts of days within a six-month period in the same school year, the district, in most circumstances, will refer the student to truancy court or DeWitt County Juvenile Probation Department.

[See policy FEA(LEGAL).]

ATTENDANCE FOR CREDIT OR FINAL GRADE (KINDERGARTEN THROUGH GRADE 12)

To receive credit or a final grade in a class, a student must attend at least 90 percent of the days the class is offered. A student who attends fewer than 90 percent of the days the class is offered will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit or a final grade lost because of absences. [See policy FEC.]

All absences, whether excused or unexcused, must be considered in determining whether a student has attended the required percentage of days. In determining whether there were extenuating circumstances for the absences, the attendance committee will use the following guidelines:

- If makeup work is completed, absences for the reasons listed above at **Exemptions to Compulsory Attendance** will be considered extenuating circumstances for purposes of attendance for credit or the award of a final grade.
- A transfer or migrant student begins to accumulate absences only after he or she has enrolled in the district.
- In reaching a decision about a student's absences, the committee will attempt to ensure that it is in the best interest of the student.
- The committee will review absences incurred based on the student's participation in board-approved extracurricular activities. These absences will be considered by the attendance committee as extenuating circumstances in accordance with the absences allowed under FM(LOCAL) if the student made up the work missed in each class.
- The committee will consider the acceptability and authenticity of documented reasons for the student's absences.
- The committee will consider whether the absences were for reasons over which the student or the student's parent could exercise any control.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student or parent will be given an opportunity to present any information to the committee about the absences and to talk about ways to earn or regain credit or a final grade.

The student or parent may appeal the committee's decision to the board by following policy FNG(LOCAL).

The actual number of days a student must be in attendance in order to receive credit or a final grade will depend on whether the class is for a full semester or for a full year.

OFFICIAL ATTENDANCE-TAKING TIME (ALL GRADE LEVELS)

The district must submit attendance of its students to the Texas Education Agency (TEA) reflecting attendance at a specific time each day.

Official attendance is taken every day during the second instructional period. The official attendance time for all campuses of the Cuero ISD is 9:10 a.m.

A student absent for any portion of the day, including at the official attendance-taking time, should follow the procedures below.

Attendance for off campus instructional settings will be sent by email from the administrators/ staff of that instructional setting.

DOCUMENTATION AFTER AN ABSENCE (ALL GRADE LEVELS)

When a student is absent from school, the student—upon arrival or return to school—must bring a note signed by the parent that describes the reason for the absence. A note signed by the student, even with the parent's permission, will not be accepted unless the student is age 18 or older or is an emancipated minor under state law. A phone call from the parent may be accepted, but the district reserves the right to require a written note.

The campus will document in its attendance records for the student whether the absence is considered by the district to be excused or unexcused. **NOTE:** Unless the absence is for a statutorily allowed reason under compulsory attendance laws, the district is not required to excuse any absence, even if the parent provides a note explaining the absence.

DOCTOR'S NOTE AFTER AN ABSENCE FOR ILLNESS (ALL GRADE LEVELS)

Upon return to school, a student absent for four or more consecutive days or nine cumulative days per semester because of a personal illness must bring a statement from a doctor/health clinic verifying the illness or condition that caused the student's extended absence from school. Otherwise, the student's absence may be considered unexcused and, if so, would be considered to be in violation of compulsory attendance laws.

Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the student's absence from school in order to determine whether the absences will be excused or unexcused.

[See policy FEC(LOCAL).]

DRIVER LICENSE ATTENDANCE VERIFICATION (SECONDARY GRADE LEVELS ONLY)

For a student between the ages of 16 and 18 to obtain a driver license, written parental permission must be provided for the Texas Department of Public Safety (DPS) to access the student's attendance records and, in certain circumstances, for a school administrator to provide the student's attendance information to DPS. A verification of enrollment (VOE) and attendance form may be obtained from the office, which the student will need to submit to DPS upon application for a driver license.

CLASSIFICATION OF ABSENCES

According to the State of Texas, absences shall be classified as follows:

1. Excused

- Personal illness - a doctor's statement will be required for four or more consecutive days, and after the ninth absence per semester.
- Serious illness or death in the immediate family.
- Medical or dental appointment
- Religious Holy Days as specified in the Texas Education Code.
- Parent request days. There may be times when circumstances dictate that parents must take their children out of school for family reasons and other justified reasons; therefore, certain absences may be classified as excused on request of parents **when approved by the principal or assistant principal**. Requests may not exceed three days per year and requests will not be granted for days designated as semester test days. Student academic progress **and attendance** will also be taken into consideration before requests are approved/denied.
- School mandated suspension
- Days as runaway (if filed by parent/guardian)
- Participation in Court Proceedings
- Completion of a competency-based program for at-risk students
- Participation in a substance abuse rehabilitation program

2. Unexcused

- Any absence which is known and approved by parents, but which cannot be classified as an excused absence according to the above policy defining excused absences. **Students who miss more than half the class will be unexcused absent for that class.**

- Truancy--Students absent from school without prior permission of parent(s) or guardian(s), or absent from class without the principal's permission, shall be considered truant and shall be subject to disciplinary action.
- Tardies - Students who **miss more than half** the class will be counted unexcused absent for that period.
- Students shall receive **no higher than a 70** on any make-up work after an unexcused absence or truancy.

A student who has been absent for any reason is encouraged to make up specific assignments missed and/or to complete additional in-depth study assigned by the teacher to meet subject or course requirements. It is the student's responsibility to find out the assignments and make up the work on a one-to-one daily ratio on homework, and teacher discretion on larger assignments. Failure to make up assigned work within the time allotted by the teacher will result in adverse consequences.

A student who is not in their room when the tardy bell rings is tardy and will receive disciplinary action. Repeated instances of tardiness shall result in more severe disciplinary action.

At Cuero High School, a student who must leave school during the day must sign-out at the attendance office and bring a note from his or her parent that morning. A student who becomes ill during the school day will, with the teacher's permission, report to the school nurse. The nurse will decide whether or not the student should be sent home and will notify the student's parent.

ATTENDANCE PROCEDURES - ABSENCES AFFECTING CREDIT AND ABSENCES SUBJECT TO TRUANCY

State Law 90% Attendance Rule = 8 days per semester are allowable according to the current calendar. If a student has more than 8 absences per semester, or 16 absences per school year, credit may be denied, regardless of whether absences are excused or unexcused.

Excused and Unexcused Absences Affecting Credit (This includes notes sent by parents.)

6 absences	Warning letter will be sent to parents
8 absences	Attendance make-up time may be assigned to a student to prevent loss of credit

Truancy

3 unexcused absences in a 4 week period or longer.	Campus Administrator or Designee contacts parent/guardian by letter
7 unexcused absences in a 4 week period or longer.	School district may file on parent(s) and/or student with the court for truancy and sets up a time to meet to create an Attendance Behavioral Contract
10 or more days or parts of days within under a 6 month period in the same school year or on 3 or more days or parts of days within a 4 week period	The student's parent is subject to prosecution under Education Code 25.093, and the student is subject to prosecution under Education Code 25.094 and will be referred to the DeWitt County Juvenile Probation Department.

*Absences for medical reasons do not count as an excused or unexcused absence IF the following conditions are met: the student must begin or end the school day and return a note signed by a medical doctor to the attendance office within 3 school days.

GUIDELINES FOR MAKE-UP DAYS

A student may be required to make up days when dropping below the 90% rule for any course. Saturday School, Detention Hall, summer school, or approved community service may be allowed for make-up days.

After a student falls below the 90% rule per semester, or for the year, all other absences will be unexcused unless accompanied by a doctor's statement, or approved in advance by the principal.

If extenuating circumstances exist, the attendance committee has the right to waive the make-up days.

NOTE: 4 hours SATURDAY SCHOOL = 8 hours for attendance

Students attending or participating in any school sponsored/school related activity on or off school property are considered to be present—not absent from school. Therefore, they will not be permitted to have additional days to turn in missed assignments. They will be responsible for knowing what assignment is due the day they return to school.

Students attending or participating in any school sponsored/school related activity on or off school property must also be responsible for turning in any work due on the day of the activity before leaving, not when returning from the activity.

TARDINESS

GRADES EC-GRADE 5

Students tardy for Grades Pre-K through Grade 5: After the 7th and after the 12th tardy, the student will receive an office referral and the student will no longer be eligible for Good Citizenship awards for that current six weeks.

Students arriving after the morning tardy bell must report to the office for a pass to enter the classroom. Repeated instance of tardiness will result in disciplinary action:

7 tardies – student and parent conference with the principal and/or counselor

12 tardies – student and parent conference with principal and/or counselor, and SRO

After 12 tardies – further disciplinary actions will be taken

ACADEMIC PROGRAMS

The school counselor provides students and parents information regarding academic programs to prepare for higher education and career choices. [For more information, see **Academic Counseling** and policy at EIF.]

ACCOUNTABILITY UNDER STATE AND FEDERAL LAW (ALL GRADE LEVELS)

The Cuero ISD and each of its campuses are held to certain standards of accountability under state and federal law. A key component of the accountability requirements is the dissemination and publication of certain reports and information, which include:

- The Texas Academic Performance Report (TAPR) for the district, compiled by TEA, the state agency that oversees public education, based on academic factors and ratings;
- A School Report Card (SRC) for each campus in the district compiled by TEA based on academic factors and ratings;
- The district’s financial management report, which will include the financial accountability rating assigned to the district by TEA;
- The performance ratings of the district’s evaluation of community and student engagement using the indicators required by law; and
- Information compiled by TEA for the submission of a federal report card that is required by federal law.

Information about all of these can be found on the district’s website at www.cueroisd.org. Hard copies of any reports are available upon request to the district’s administration office.

TEA also maintains additional accountability and accreditation information at TEA Performance Reporting Division and the TEA homepage.

Armed Services Vocational Aptitude Battery Test (Grade 10-12)

A student in grades 10–12 will be offered an opportunity to take the Armed Services Vocational Aptitude Battery test and consult with a military recruiter. Please contact the principal for information about this opportunity.

AWARDS AND HONORS (ALL GRADE LEVELS)

CUERO HIGH SCHOOL

Each year in May, the Cuero High School holds the annual Awards Day Assembly. At this time, the highest-ranking student in each subject will be recognized and will receive an achievement award. Students taking a course as Pass/Fail will be eligible to receive a highest-ranking award for that subject if that student has the highest percentage grade in that subject. The recipient in each subject will be determined by his grade average from the beginning of the school year through the end of the fifth cycle. At this time special awards, attendance awards, civic awards, and scholarships will be presented.

Academic awards will be made to four of the eight highest-ranking students in each grade. Of these eight, the four scoring the highest on a standardized test (providing they score above the 90th percentile) will be recommended to the principal for final approval for the Academic Award. A student may receive an Academic Award in addition to awards given in UIL competition.

The award for academic recipients will be as follows:

1st Year—Bronze Medal

3rd Year—Gold Medal

2nd Year—Silver Medal

4th Year—Blanket

Nomination shall be based only on scholarship and citizenship. A student may meet the requirements for an award and not receive the award, if, in the opinion of the awards committee, the student has not displayed proper attitudes toward the school, the teaching staff, and fellow students.

CUERO JUNIOR HIGH SCHOOL

Each year in May, the Cuero Junior High School holds the annual Awards Day Assembly. Special awards, attendance awards, and civic awards will be presented during the assembly. Since attendance is recorded each class period, students must be present each period on each school day in order to be recognized for Perfect Attendance at the end of the year.

ELEMENTARY CAMPUSES

At the end of each six-weeks and at the end of the year, Award Recognitions will be held.

[See **Academic Counseling**.]

BULLYING (ALL GRADE LEVELS)

Bullying is defined in Section 37.0832 of the Education Code as a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and

involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
- Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
- Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
- Infringes on the rights of the victim at school.

Bullying includes cyberbullying. Cyberbullying is defined by Section 37.0832 of the Education Code as bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

The district is required to adopt policies and procedures regarding:

1. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
2. Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying interferes with a student's educational opportunities or substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Bullying is prohibited by the district and could include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name-calling, rumor-spreading, or ostracism.

If a student believes that he or she has experienced bullying or has witnessed bullying of another student, it is important for the student or parent to notify a teacher, school counselor, principal, or another district employee as soon as possible to obtain assistance and intervention. The administration will investigate any allegations of bullying or other related misconduct. The district will also provide notice to the parent of the alleged victim and the parent of the student alleged to have engaged in bullying. A student may anonymously report an alleged incident of bullying by means provided to the students.

If the results of an investigation indicated that bullying has occurred, the administration will take appropriate disciplinary action. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying. The district will also contact the parents of the victim and of the student who was found to have engaged in the bullying. Available counseling options will be provided to those individuals, as well as to any students who have been identified as witness to the bullying.

Any retaliation against a student who reports an incident of bullying is prohibited.

Upon the recommendation of the administration, the board may, in response to an identified case of bullying, decide to transfer a student found to have engaged in bullying to another classroom at the campus. In consultation with the student's parent, the student may also be transferred to another campus in the district. The parent of a student who has been determined by the district to be a victim of bullying may request that the student be transferred to another classroom or campus within the district. See **Safety Transfers/Assignments**.

FFI(LOCAL) STUDENT WELFARE: FREEDOM FROM UING	<p><i>Note:</i> This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyberbullying.</p> <p>For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.</p>
--	---

BULLYING PROHIBITED	The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.
EXAMPLES	Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.
RETALIATION	The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.
EXAMPLES	Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.
FALSE CLAIM	A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.
TIMELY REPORTING	Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.
REPORTING PROCEDURES STUDENT REPORT	To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.
EMPLOYEE REPORT	Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.
REPORT FORMAT	A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.
NOTICE OF REPORT	When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.

PROHIBITED CONDUCT	The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.
INVESTIGATION OF REPORT	The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.
CONCLUDING THE INVESTIGATION	<p>Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.</p> <p>The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.</p>
NOTICE TO PARENTS	If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.
DISTRICT ACTION BULLYING	If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.
DISCIPLINE	<p>A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.</p> <p>The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.</p>
CORRECTIVE ACTION	Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.
TRANSFERS	The principal or designee shall refer to FDB for transfer provisions.

COUNSELING	The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.
IMPROPER CONDUCT	If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.
CONFIDENTIALITY	To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.
APPEAL	A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.
RECORDS RETENTION	Retention of records shall be in accordance with CPC(LOCAL).
ACCESS TO POLICY AND PROCEDURES	This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.

A copy of the district's policy is available in the principal's office, superintendent's office, and on the district's website. Procedures related to reporting allegations of bullying may also be found on the district's website.

A student or parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG(LOCAL).

[See Safety Transfers/Assignments, Dating Violence, Discrimination, Harassment, and Retaliation, Hazing, policy FFI, and the district improvement plan, a copy of which can be viewed in the campus office.]

CAREER AND TECHNICAL EDUCATION (CTE) PROGRAMS (SECONDARY GRADE LEVELS ONLY)

The district offers career and technical education programs in Agriculture, Family Consumer Science, Business, Health Services, and Industrial Technology. Admission to these programs is based on aptitude, prerequisite courses, teacher approval, and space availability.

It is the policy of the district not to discriminate on the basis of race, color, national origin, sex, or handicap in its vocational programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of the district not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

The district will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

See **Nondiscrimination Statement** for additional information regarding the district's efforts regarding participation in these programs. Dr. Pam Longbotham is the Title IX coordinator and ADA Section 504 coordinator. She will address certain allegations of discrimination.]

CELEBRATIONS (ALL GRADE LEVELS)

Although a parent or grandparent is not prohibited from providing food for a school-designated function or for children in the child's or grandchild's classroom for his or her birthday, please be aware that children in the school may have severe allergies to certain food products. Therefore, it is imperative to ensure our student's safety, the following guidelines will be followed. The food items must be store bought sealed and contain a list of ingredients. Campus nurse must approve the food items before items will be distributed to the class. It is recommended, at least one week before the planned event, that the teacher has approved the food items. All parties must be planned after lunch. Occasionally, the school or a class may host certain functions or celebrations tied to the curriculum that will involve food. The school or teacher will notify students and parents of any known food allergies when soliciting potential volunteers for bringing food products.

See **Food Allergies**.

CHILD SEXUAL ABUSE AND OTHER MALTREATMENT OF CHILDREN (ALL GRADE LEVELS)

The district has established a plan for addressing child sexual abuse, which may be accessed at CISD Administration Building. The contact person is Dr. Pam Longbotham at 361-275-1922. As a parent, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Possible physical warning signs of sexual abuse could be difficulty sitting or walking, pain in the genital areas, and claims of stomachaches and headaches. Behavioral indicators may include verbal references or pretend games of sexual activity between adults and children, fear of being alone with adults of a particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping and eating disorders, and problems in school.

A child who has experienced sexual abuse should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse, and

it is important to be calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing by telling you.

Parents, if your child is a victim of sexual abuse or other maltreatment, the campus counselor or principal will provide information regarding counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (DFPS) also manages early intervention counseling programs. [To find out what services may be available in your county, see [Texas Department of Family and protective Services, Programs Available in Your County.](#)]

Be aware that children and adolescents who have experienced dating violence may show similar physical, behavioral, and emotional warning signs. [See Dating Violence, Discrimination, Harassment, and Retaliation (All Grade Levels).]

Warning Signs of Trafficking

Child trafficking of any sort is prohibited by the Penal Code. Sex trafficking involves forcing a person, including a child, into sexual abuse, assault, indecency, prostitution, or pornography. Labor trafficking involves forcing a person, including a child, to engage in forced labor or services.

Traffickers are often trusted members of a child's community, such as friends, romantic partners, family members, mentors, and coaches, although traffickers frequently make contact with victims online.

Possible warning signs of sexual trafficking in children include:

- Changes in school attendance, habits, friend groups, vocabulary, demeanor, and attitude;
- Sudden appearance of expensive items (for example, manicures, designer clothes, purses, technology);
- Tattoos or branding;
- Refillable gift cards;
- Frequent runaway episodes;
- Multiple phones or social media accounts;
- Provocative pictures posted online or stored on the phone;
- Unexplained injuries;
- Isolation from family, friends, and community; and
- Older boyfriends or girlfriends.

Additional warning signs of labor trafficking in children include:

- Being unpaid, paid very little, or paid only through tips;
- Being employed but not having a school-authorized work permit;
- Being employed and having a work permit but clearly working outside the permitted hours for students;
- Owning a large debt and being unable to pay it off;
- Not being allowed breaks at work or being subjected to excessively long work hours;
- Being overly concerned with pleasing an employer and/or deferring personal or educational decisions to a boss;

- Not being in control of his or her own money;
- Living with an employer or having an employer listed as a student's caregiver; and
- A desire to quit a job but not being allowed to do so.

Reporting and Responding to Sexual Abuse, Trafficking, and Other Maltreatment of Children

Anyone who suspects that a child has been or may be abused, trafficked, or neglected has a legal responsibility, under state law, to report the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

A child who has experienced sexual abuse or any other type of abuse or neglect should be encouraged to seek out a trusted adult. Children may be more reluctant to disclose sexual abuse than physical abuse and neglect and may only disclose sexual abuse indirectly. As a parent or trusted adult, it is important to be calm and comforting if your child or another child confides in you. Reassure the child that he or she did the right thing by telling you.

If your child is a victim of sexual abuse, trafficking, or other maltreatment, the school counselor or principal will provide information on counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (DFPS) also manages early intervention counseling programs.

To find out what services may be available in your county, see [Texas Department of Family and Protective Services, Programs Available in Your County](#).

Reports of abuse, trafficking, or neglect may be made to the CPS division of the DFPS at 1-800-252-5400 or on the web at [Texas Abuse Hotline Website](#)).

CLASS RANK / HIGHEST RANKING STUDENT (SECONDARY GRADE LEVELS ONLY)

VALEDICTORIAN AND SALUTATORIAN

To be eligible for valedictorian or salutatorian honors, a student shall have been enrolled in the District high school all of his or her junior and senior years and shall have fulfilled the requirements for the Foundation Graduation Plan with Distinguished Achievement. [See also EIF.] During his or her tenure at the high school, the student shall have earned credits in at least three courses designated as Advanced Placement (AP), dual enrollment, or dual credit courses.

CLASS RANKING

For students entering Grade 9 in 2017-2018 and beyond, class ranking and academic average will be determined by courses weighted as follows:

- Regular courses will be unweighted and calculated on a 4.0 GPA scale.
- Honors and Pre-AP courses will be weighted on a 4.5 GPA scale.
- Advanced Placement courses, approved dual enrollment, and approved dual credit courses will be weighted on a 5.0 GPA scale.

Only grades from courses taken during the regular school year shall be used in determining a student's rank. Grades earned from schools not accredited by accepted accreditation agencies (TEA, SASC, and the like) shall not be used to determine class rank. Grade point average (GPA) for ranking purposes and for Valedictorian and Salutatorian honors shall be calculated at the end of cycle five of the six-week grading period. Grades for dual credit courses or college readiness courses provided in partnership with an institution of higher education (IHE) are not finalized until the end of a semester.

Only academic courses shall be used to compile grade averages. For students entering Grade 9 in 2017-18 and 2018-19, these courses shall include all courses except JH courses, PE, any Theatre course, Athletics, Dance PE (Cheer), Sports Medicine, Athletic Training, Band, Character Development (and any equivalent course), MAPS, Choir, Aide, Art, Dance (Trotters), and EOC.

Beginning with students entering Grade 9 in 2019-20 and thereafter, academic courses shall include all courses except those listed above with the additional exclusion of Teen Leadership.

Actual grades that students earned during the school year shall be posted on the academic achievement record. Course weights shall be used only to compute class rank and GPA, which shall be posted on the student's official transcript.

Transfer grades will receive grade points accordingly to the Cuero High School schedule of course offerings and grade point values. These will be determined according to the weighted scale of each appropriate academic year prior to the current school year. Pass, P, from other districts, transfer as a Pass, P, with no numeric value.

HONOR GRADUATES

Students with a GPA of 90 or higher shall be designated as honor graduates. Students with a GPA of 4.0 or above will be designated as summa cum laude; students with a GPA of 3.8 to 3.99 shall be designated as magna cum laude, and students with a GPA of 3.5 to 3.79 shall be designated as cum laude graduates.

To be able to graduate with honors, a student must complete the final two consecutive semesters at the District high school.

NATIONAL HONOR SOCIETY

Only academic courses shall be used to determine membership in the National Honor Society.

EARLY GRADUATES

To be eligible to graduate early, a student shall meet the following requirements:

1. Prior to the start of the fall semester of his or her final year, submit a written application that includes parent approval, declaring an intent to graduate early;
2. Be classified as a senior prior to the start of the fall semester of his or her final year;
3. Complete all coursework and graduation requirements for the foundation program with an endorsement; and
4. Achieve satisfactory performance on all state-mandated testing required of the grade 9 class in which he or she began high school.
5. Met CCMR Indicator (College, Career, and Military Readiness) as recognized by TEA.

An eligible student who completes all of the outlined requirements in fewer than four years shall be ranked in the class with which he or she actually graduates, regardless the number of years the student is enrolled in high school. For rank purposes, a school year begins on the first day of the school year and ends on the last day of summer school.

Early graduates shall be eligible for honors recognition other than valedictorian and salutatorian. The District shall apply the same class rank calculation method and rules for local graduation honors for all students in a graduating class, regardless of the school year in which a student first earned high school credit.

Students who choose to not graduate with their cohort (graduate a year early) will not be eligible to have an off period in their daily schedule.

CLASS SCHEDULES (SECONDARY GRADE LEVELS ONLY)

All students are expected to attend school for the entire school day and maintain a class/course schedule to fulfill each period of the day. Exceptions may be made occasionally by the campus principal for students in grades 9-12 who meet specific criteria and receive parental consent to enroll in less than a full-day's schedule.

COLLEGE AND UNIVERSITY ADMISSIONS AND FINANCIAL AID (SECONDARY GRADE LEVELS ONLY)

For two school years following his or her graduation, a district student who graduates in the top ten percent and, in some cases, the top 25 percent, of his or her class is eligible for automatic admission into four-year public universities and colleges in Texas if the student:

- Completes the distinguished level of achievement under the foundation graduation program (a student must graduate with at least one endorsement and must have taken Algebra 2 as one of the four required math courses); or
- Satisfies the ACT College Readiness Benchmarks or earns at least a 1500 out of 2400 on the SAT.

In addition, the student must submit a completed application for admission in accordance with the deadline established by the college or university. The student is ultimately responsible for ensuring that he or she meets the admission requirements of the university or college to which the student submits an application.

The University of Texas at Austin may limit the number of students automatically admitted to 75 percent of the University's enrollment capacity for incoming resident freshmen. For students who are eligible to enroll in the University during the summer or fall 2020 term, the University will admit the top six percent of the high school's graduating class who meet the above requirements. Additional applicants will be considered by the University through a holistic review process.

Should a college or university adopt an admissions policy that automatically accepts the top 25 percent of a graduating class, the provisions above will also apply to a student ranked in the top 25 percent of his or her class.

Upon enrolling in their first course that is eligible for high school credit, the district will provide written notice concerning automatic college admission, the curriculum requirements for financial aid, and the benefits of completing the requirements for automatic admission and financial aid.

Students and parents should contact the school counselor for further information about automatic admissions, the application process, and deadlines.

[See also Class Rank/Highest Ranking Student for information specifically related to how the district calculates a student's rank in class and Graduation Requirements for information associated with the foundation graduation program].

[See Students in the Conservatorship of the State (Foster Care) for information on assistance in transitioning to higher education for students in foster care.]

COLLEGE CREDIT COURSES (SECONDARY GRADE LEVELS ONLY)

Students in grades 9–12 have opportunities to earn college credit through the following methods:

- Certain courses taught at the high school campus, which may include courses termed dual credit or Advanced Placement (AP);
- Enrollment in an AP or dual credit course through the Texas Virtual School Network (TxVSN);
- Enrollment in courses taught in conjunction and in partnership with various junior colleges; which may be offered on or off campus;
- Enrollment in courses taught through local junior colleges in the district; and,
- Certain CTE courses.

All of these methods have eligibility requirements and must be approved prior to enrollment in the course. Please see the counselor for more information. Depending on the student's grade level and the course, an end-of-course assessment may be required for graduation and, if so, will affect a student's final course grade.

It is important to keep in mind that not all colleges and universities accept credit earned in all dual credit or AP courses taken in high school for college credit. Students and parents should check with the prospective college or university to determine if a particular course will count toward the student's desired degree plan.

When selecting where to take college courses, parents and students should also consider when credit is awarded for the course and when the student's grade will be available for calculating GPA for ranking purposes. For all dual credit courses and college readiness courses, whether online or otherwise, students will receive credit at the end of the semester. Because Victoria College and Cuero High School follow different academic calendars and have different grading policies, student grades for dual credit courses and college readiness courses may not be available to include in Progress Reports. Students and parents are encouraged to monitor grades through Victoria College's Blackboard system. The scores for these courses will be available for GPA/Ranking purposes at the end of the fall semester. The grade earned to date in any dual credit course or college readiness course by the end of the fifth six weeks of the Cuero High School academic school year will be the grade used for GPA/Ranking Purposes for the spring semester.

COMMUNICATIONS—AUTOMATED

Emergency

The district will rely on contact information on file with the district to communicate with parents in an emergency situation, which may include real-time or automated messages. An emergency purpose may include early dismissal or delayed opening because of severe weather or another emergency, or if the campus must restrict access due to a security threat. It is crucial to notify your child's school when a phone number previously provided to the district has changed.

[See Safety for information regarding contact with parents during an emergency situation.]

Nonemergency

Your child's school will request that you provide contact information, such as your phone number and e-mail address, in order for the school to communicate items specific to your child, your child's school, or the district. If you consent to receive such information through a landline or wireless phone, please ensure that you notify the school's administration office immediately upon a change in your phone number. The district or school may generate automated or pre-recorded messages, text messages, or real-time phone or e-mail communications that are closely related the school's mission, so prompt notification of any change in contact information will be crucial to maintain timely communication with you. Standard messaging rates of your phone carrier may apply. If you have specific requests or needs related to how the district contacts you, please contact your child's principal. [See **Safety** for information regarding contact with parents during an emergency situation.]

COMPLAINTS AND CONCERNS (ALL GRADE LEVELS)

Usually student or parent complaints or concerns can be addressed by a phone call or a conference with the teacher or principal. For those complaints and concerns that cannot be handled so easily, the district has adopted a standard complaint policy at FNG(LOCAL) in the district's policy manual. A copy of this policy and complaint

forms may be obtained in the principal's or superintendent's office or on the district's website at www.cueroisd.org.

Should a parent or student feel a need to file a formal complaint, the parent or student should file a district complaint form within the timelines established in policy FNG(LOCAL). In general, the student or parent should submit the written complaint form to the campus principal. If the concern is not resolved, a request for a conference should be sent to the superintendent. If still unresolved, the district provides for the complaint to be presented to the board of trustees.

COMPUTER AND TECHNOLOGY RESOURCES

To prepare students for an increasingly technological society, the district has made an investment in computer technology for instructional purposes. Use of these computer resources is restricted to students working under a teacher's supervision and for approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these resources; violations of this agreement may result in withdrawal of privileges and other disciplinary action.

Students and their parents should be aware that e-mail using district computers is not private and will be monitored by district staff. [For additional information, see policies at CQ.]

CONDUCT (ALL GRADE LEVELS)

APPLICABILITY OF SCHOOL RULES

As required by law, the board has adopted a *Student Code of Conduct* that prohibits certain behaviors and defines standards of acceptable behavior—both on and off campus—and consequences for violation of these standards. The district has disciplinary authority over a student in accordance with the *Student Code of Conduct*. Students and parents should be familiar with the standards set out in the *Student Code of Conduct*, as well as campus and classroom rules. During any periods of instruction during the summer months, the *Student Handbook* and *Student Code of Conduct* in place for the year immediately preceding the summer period shall apply, unless the district amends either or both documents for the purpose of summer instruction.

To achieve the best possible learning environment for all students, the *Student Code of Conduct* and other campus rules will apply whenever the interest of the district is involved, whether on or off school grounds, in conjunction with classes and school-sponsored activities.

CAMPUS BEHAVIOR COORDINATOR

By law, each campus has a campus behavior coordinator to apply discipline management techniques and administer consequences for certain student misconduct, as well as provide a point of contact for student misconduct. The campus behavior coordinator at each district campus is listed below:

- John C French Elementary Campus Principal
- Hunt Elementary Campus Principal
- Cuero Junior High School Principal
- Cuero Senior High School Principal

DISCIPLINE MANAGEMENT PLAN

The classroom teacher can successfully manage many behaviors. There will be immediate and consistent intervention of any behavior that interferes with an orderly classroom environment or the orderly operation of the school. The teacher and principal will maintain a record of offenses and disciplinary actions. Parents will be notified. When students are written up, a copy will be given to the student.

Students may have a principal's D-Hall assignment before having an administrative D-Hall if that is the appropriate punishment for the misbehavior. After three Principal's D-hall/after school (OFI) sessions, students may be placed in DAEP for the next administrative level offense.

GENERAL GUIDELINES

When imposing discipline, District personnel shall adhere to the following general guidelines:

1. Discipline shall be administered when necessary to protect students, school employees, or property and maintain essential order and discipline.
2. Students shall be treated fairly and equitably. Discipline shall be based on a careful assessment of the circumstances of each case. Factors to consider shall include:
 - a) The seriousness of the offense;
 - b) The student's age;
 - c) The frequency of misconduct;
 - d) The student's attitude;
 - e) The potential effect of the misconduct on the school environment;
 - f) Requirements of Chapter 37 of the Education Code; and
 - g) The *Student Code of Conduct* adopted by the Board.

STUDENT CODE OF CONDUCT

The *Student Code of Conduct* containing information regarding student discipline shall be distributed at the beginning of the school year to students and parents, teachers, and administrators. The *Student Code of Conduct* shall be provided also to newly hired professional employees, newly enrolled students, and any other person on request.

REVISIONS

Revisions to the *Student Code of Conduct* during the year shall be communicated promptly to students and parents, teachers, and administrators and shall also be posted on campus.

‘PARENTS’ DEFINED

Throughout the *Student Code of Conduct* and discipline policies, the term “parents” includes the single parent, legal guardian, or person having lawful control of the child.

DETENTION

For minor infractions of the *Student Code of Conduct* or campus or classroom rules, teachers or administrators may detain students after school hours on one or more days, as provided by the discipline management program and/or *Student Code of Conduct*. Before being assigned to detention, a student shall be informed of the behavior that allegedly constitutes the violation, and shall be given an opportunity to explain his or her version of the incident. The period of time for which a student is assigned to detention shall be used for educational purposes.

DELIVERIES

Except in emergencies, delivery of messages or packages to students will not be allowed during instructional time. A parent may leave a message or a package, such as a forgotten lunch, for the student to pick up from the front office during a passing period or lunch.

DISRUPTIONS OF SCHOOL OPERATIONS

Disruptions of school operations are not tolerated and may constitute a misdemeanor offense. As identified by law, disruptions include the following:

- Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator.
- Interference with an authorized activity by seizing control of all or part of a building.
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Use of force, violence, or threats to cause disruption during an assembly.
- Interference with the movement of people at an exit or an entrance to district property.
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator.
- Disruption of classes or other school activities while on district property or on public property that is within 500 feet of district property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; and entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct.
- Interference with the transportation of students in vehicles owned or operated by the district.

RADIOS, CD PLAYERS, OTHER ELECTRONIC DEVICES AND GAMES, AND CELL PHONES

Any disciplinary action will be in accordance with the *Student Code of Conduct* and may include confiscation of the device. The school may charge the owner for the release of certain telecommunications devices.

Confiscated telecommunications devices that are not retrieved by the student or student's parents will be disposed of after the notice required by law. [See policy FNCE.]

Any disciplinary action will be in accordance with the *Student Code of Conduct*. The district will not be responsible for damaged, lost, or stolen telecommunications devices.

For safety purposes, the District allows students **in grades 6-12** to possess personal cell phones. Students may use their mobile telephones in the common areas and hallways during the passing periods and at lunch.

Students that use their telecommunication devices are not eligible for technical support and must adhere to the Technology Responsible Use Guidelines while on school grounds. The school is not liable for the theft or loss of any devices the student brings to school. Classroom instruction or regular duties of staff will not be disrupted to locate lost devices. In addition, the school is not responsible for students who bring their own internet connectivity via air-cards or data-plan on a mobile device.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

Students may use personal electronic devices (i.e., electronic readers, laptops, smart phones) in the classroom for educational purposes based solely on teacher approval. Any time a cell phone or other device with access to the internet is turned on, the device must be in "airplane mode" with no access to cellular networks. Students may utilize the District's wireless network on their personal devices in order to perform school work in accordance with the District's Acceptable Use Policy.

Continued violations of rules concerning electronic devices may result in charges (not to exceed \$15) and/or retention of the device for the remainder of the school year.

CUERO HIGH SCHOOL

Violating the policy will have the following consequences:

- 1st violation: Phone/electronic device being confiscated; \$15 return fee to the parent/legal guardian at the end of the school day
- 2nd violation: Phone/electronic device being confiscated; student assignment of Administrative D-Hall; \$15 return fee to the parent/legal guardian at the end of the school day
- 3rd violation: Phone/electronic device being confiscated; student assignment of Principal's DHall; \$15 return fee to the parent/legal guardian on the final day of the school year

Except for the last day of school, the device will not be returned until the \$15 fee has been paid and the noted detention served. These offenses are cumulative and not for any separate device. Any device that is not included above will be at the administrator's discretion including any offenses exceeding three.

Phones and electronic devices brought to campus will be done so at the student's own risk. No administrative time will be spent searching for stolen, lost or damaged phones/electronic devices.

CUERO JUNIOR HIGH SCHOOL

Violating the policy will have the following consequences:

- 1st & 2nd violations: Phone/electronic device being confiscated; student assignment of Administrative D-Hall; \$15 return fee to the parent/legal guardian
- 3rd violation: Device will be kept until the final day of the school year; student assignment of 2 days Administrative D-Hall; a \$15 return fee to the parent/legal guardian

Except for the last day of school, the device will not be returned until the \$15 fee has been paid and the noted detention served. These offenses are cumulative and not for any separate device. Any device that is not included above will be at the administrator's discretion including any offenses exceeding three.

Phones and electronic devices brought to campus will be done so at the student's own risk. No Administrative Time will be spent searching for stolen, lost, or damaged phones/electronic devices.

HUNT ELEMENTARY AND JOHN C. FRENCH ELEMENTARY

Students should ***not*** bring the following items to school:

Cell phones	Pagers
Radio	CD player
Tape recorder	Camcorder
DVD player	Camera
iPod	MP3 player
Any other electronic device or game	

Any violation will result in the device (including cell phones) being confiscated with the following disciplinary actions being taken:

Each offense	\$15.00 device return fee to the parent/legal guardian
--------------	--

INAPPROPRIATE USE OF TECHNOLOGY

Students are prohibited from sending or posting electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition applies to conduct off school property if it results in a substantial disruption to the educational environment. Any person taking, disseminating, transferring, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content will be disciplined according to the *Student Code of Conduct* and may, in certain circumstances, be reported to law enforcement.

SOCIAL EVENTS

School rules for behavior apply to all school social events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share responsibility for the conduct of his or her guest. A student attending a social event will be asked to sign out when leaving before the end of the event; anyone leaving before the official end of the event will not be readmitted. A parent interested in serving as a chaperone for any school social events should contact the campus principal.

COUNSELING

ACADEMIC COUNSELING

Elementary and Middle/Junior High School Grade Levels

The school counselor is available to students and parents to talk about the importance of postsecondary education and how best to plan for postsecondary education, including appropriate courses to consider and financial aid availability and requirements.

In either grade 7 or 8, each student will receive instruction related to how the student can best prepare for high school, college, and a career.

High School Grade Levels

High school students and their parents are encouraged to talk with a school counselor, teacher, or principal to learn more about course offerings, graduation requirements, and early graduation procedures. Each spring, students in grades 6 through 12 will be provided information on anticipated course offerings for the next school year and other information that will help them make the most of academic and CTE opportunities.

To plan for the future, each student should work closely with the counselor in order to enroll in the high school courses that best prepare him or her for attendance at a college, university, or training school, or for pursuit of some other type of advanced education. The counselor can also provide information about entrance exams and application deadlines, as well as information about automatic admission to state colleges and universities, financial aid, housing, and scholarships.

PERSONAL COUNSELING (ALL GRADE LEVELS)

The school counselor is available to assist students with a wide range of personal concerns, including such areas as social, family, or emotional issues, or substance abuse. The counselor may also make available information about community resources to address these concerns. A student who wishes to meet with the counselor should contact their campus counselor's office to make an appointment.

[Also, see **Substance Abuse Prevention and Intervention and Suicide Awareness and Mental Health Support, and Other Maltreatment of Children and Dating Violence**]

COURSE CREDIT (SECONDARY GRADE LEVELS ONLY)

A student who earns a final grade of at least 70 in a course is considered to have met the standard for mastery and is awarded credit. In the case of a two-semester course, the two semesters must average to a 70.

- Scenario #1: A student earns a 60 in the fall semester and an 80 in the spring semester, so the final average is 70. In this case, the student earns the full credit.

For college courses taken as dual credit, a minimum of 70% is required to earn high school credit.

For college courses taken as Pass/Fail, a minimum of 70% is required to earn high school credit.

For courses taken through credit recovery, a minimum of 70% is required to earn high school credit. The highest grade a recover credit will be is 70.

CREDIT BY EXAM—IF A STUDENT HAS TAKEN THE COURSE/SUBJECT (ALL GRADE LEVELS)

A student who has previously taken a course or subject—but did not receive credit or a final grade for it—may, in circumstances determined by the principal or attendance committee, be permitted to earn credit by passing an examination approved by the district’s board of trustees on the essential knowledge and skills defined for that course or subject. Prior instruction may include, for example, incomplete coursework due to a failed course or excessive absences, homeschooling, or coursework by a student transferring from a non-accredited school. The opportunity to take an examination to earn credit for a course or to be awarded a final grade in a subject after the student has had prior instruction is sometimes referred to as “credit recovery.”

If the student is granted approval to take an examination for this purpose, the student must score at least 70 on the examination to receive credit for the course or subject.

The attendance review committee may also offer a student with excessive absences an opportunity to earn credit for a course by passing an examination.

[For further information, see the school counselor and policy EHDB(LOCAL).]

CREDIT BY EXAM FOR ADVANCEMENT/ACCELERATION—IF A STUDENT HAS NOT TAKEN THE COURSE/SUBJECT

A student will be permitted to take an examination to earn credit for an academic course or subject area for which the student has had no prior instruction, i.e., for advancement or to accelerate to the next grade level. The examinations offered by the district are approved by the district’s board of trustees, and state law requires the use of certain examinations, such as College Board Advanced Placement (AP) and College Level Examination Program (CLEP) tests, when applicable. The dates on which examinations are scheduled during the 2018–19 school year will be published in appropriate district publications and on the district’s website. The only exceptions to the published dates will be for any examinations administered by another entity besides the district or if a request is made outside of these time frames by a student experiencing homelessness or by a student involved in the foster care system. When another entity administers an examination, a student and the district must comply with the testing schedule of the other entity. During each testing window provided by the district, a student may attempt a specific examination only once.

If a student plans to take an examination, the student (or parent) must register with the school counselor no later than 30 days prior to the scheduled testing date. [For further information, see policy EHDC.]

STUDENTS IN GRADES 1–5

A student in elementary school will be eligible to accelerate to the next grade level if the student scores at least 80 on each examination in the subject areas of language arts, mathematics, science, and social studies, a district administrator recommends that the student be accelerated, and the student’s parent gives written approval of the grade advancement.

STUDENTS IN GRADES 6–12

A student in grade 6 or above will earn course credit with a passing score of at least 80 on the examination, a scaled score of 50 or higher on an examination administered through the CLEP, or a score of 3 or higher on an AP

examination, as applicable. A student may take an examination to earn high school course credit no more than twice. If a student fails to achieve the designated score on the applicable examination before the beginning of the school year in which the student would need to enroll in the course according to the school's high school course sequence, the student must complete the course.

DATING VIOLENCE, DISCRIMINATION, HARASSMENT, AND RETALIATION (ALL GRADE LEVELS)

The district believes that all students learn best in an environment free from dating violence, discrimination, harassment, and retaliation and that their welfare is best served when they are free from this prohibited conduct while attending school. Students are expected to treat other students and district employees with courtesy and respect; to avoid behaviors known to be offensive; and to stop those behaviors when asked or told to stop. District employees are expected to treat students with courtesy and respect.

The board has established policies and procedures to prohibit and promptly respond to inappropriate and offensive behaviors that are based on a person's race, color, religion, gender, national origin, disability, age, or any other basis prohibited by law. A copy of the district's policy is available in the principal's office and in the superintendent's office. [See policy FFH.]

DATING VIOLENCE

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense. This type of conduct is considered harassment if the conduct is so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of dating violence against a student may include, but are not limited to, physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, threats to harm a student's current dating partner, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

DISCRIMINATION

Discrimination is defined as any conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law, that it negatively affects the student.

HARASSMENT

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of harassment may include, but are not limited to, offensive or derogatory language directed at a person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

In addition to dating violence as described above, two other types of prohibited harassment are described below.

SEXUAL HARASSMENT AND GENDER-BASED HARASSMENT

Sexual harassment and gender-based harassment of a student by an employee, volunteer, or another student are prohibited.

Examples of sexual harassment may include, but not be limited to, touching private body parts or coercing physical contact that is sexual in nature; sexual advances; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact not reasonably construed as sexual in nature, such as comforting a child with a hug or taking the child's hand. However, romantic and other inappropriate social relationships, as well as all sexual relationships, between students and district employees are prohibited, even if consensual.

Gender-based harassment includes harassment based on a student's gender, expression by the student of stereotypical characteristics associated with the student's gender, or the student's failure to conform to stereotypical behavior related to gender.

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

RETALIATION

Retaliation against a person, who makes a good faith report of discrimination or harassment, including dating violence, is prohibited. Retaliation against a person who is participating in an investigation of alleged discrimination or harassment is also prohibited. A person who makes a false claim or offers false statements or refuses to cooperate with a district investigation, however, may be subject to appropriate discipline.

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishment, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

REPORTING PROCEDURES

Any student who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, school counselor, principal, or other district employee. The report may be made by the student's parent. [See policy FFH(LOCAL) and (EXHIBIT) for other appropriate district officials to whom to make a report.]

Upon receiving a report of prohibited conduct as defined by policy FFH, the district will determine whether the allegations, if proven, would constitute prohibited conduct as defined by that policy. If not, the district will refer to policy FFI to determine if the allegations, if proven, would constitute bullying,

as defined by law and that policy. If the alleged prohibited conduct, if proven, would constitute prohibited conduct and would also be considered bullying as defined by law and policy FFI, an investigation of bullying will also be conducted.

The district will promptly notify the parent of any student alleged to have experienced prohibited conduct involving an adult associated with the district. In the event alleged prohibited conduct involves another student, the district will notify the parent of the student alleged to have experienced the prohibited conduct when the allegations, if proven, would constitute a violation as defined by Policy FFH.

Investigation of Report

To the extent possible, the district will respect the privacy of the student; however, limited disclosures may be necessary to conduct a thorough investigation and to comply with law. Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated.

If a law enforcement or other regulatory agency notifies the district that it is investigating the matter and requests that the district delay its investigation, the district will resume the investigation at the conclusion of the agency's investigation.

During the course of an investigation and when appropriate, the district will take interim action to address the alleged prohibited conduct.

If the district's investigation indicates that prohibited conduct occurred, appropriate disciplinary action, and, in some cases, corrective action, will be taken to address the conduct. The district may take disciplinary and corrective action even if the conduct that is the subject of the complaint was not unlawful.

All involved parties will be notified of the outcome of the district investigation within the parameters and limits allowed under the Family Educational Rights and Privacy Act (FERPA).

A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy FNG(LOCAL).

DISCRIMINATION

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

DISTANCE LEARNING

All Grade Levels

Distance learning and correspondence courses include courses that encompass the state-required essential knowledge and skills but are taught through multiple technologies and alternative methodologies such as mail, satellite, Internet, video-conferencing, and instructional television.

If a student wishes to enroll in a correspondence course or a distance-learning course that is not provided through the Texas Virtual School Network (TXVSN), as described below, to earn credit in a course or subject, the student must receive permission from the principal prior to enrolling in the course or subject. If the student does not receive prior approval, the district may not recognize and apply the course or subject toward graduation requirements or subject mastery.

Texas Virtual School Network (TXVSN) (Secondary Grade Levels)

The Texas Virtual School Network (TxVSN) has been established by the state as one method of distance learning. A student has the option, with certain limitations, to enroll in a course offered through the TxVSN to earn course credit for graduation.

Depending on the TxVSN course in which a student enrolls, the course may be subject to the “no pass, no play” rules. See **Extracurricular Activities, Clubs, and Organizations.**] In addition, for a student who enrolls in a TxVSN course for which an end-of-course (EOC) assessment is required, the student must still take the corresponding EOC assessment.

The requirements related to the incorporation of the EOC score into the student’s final course grade and the implications of these assessments on graduation apply to the same extent as they apply to traditional classroom instruction.

If you have questions or wish to make a request that your child be enrolled in a TxVSN course, please contact the counselor. Unless an exception is made by the principal, a student will not be allowed to enroll in a TXVSN course if the school offers the same or a similar course.

A copy of policy EHDE will be distributed to parents of middle and high school students at least once each year. If you do not receive a copy or have questions about this policy, please contact the campus principal.

Texas Virtual School Network	<p>The TXVSN is a state-led initiative for online learning authorized by Education Code Chapter 30A. The TXVSN is a partnership network administered by TEA in coordination with regional education service centers (ESCs), Texas public school districts and charter schools, institutions of higher education, and other eligible entities.</p> <p>The TXVSN is comprised of two components—the online school (OLS) program and the statewide course catalog.</p> <p><i>19 TAC 70.1001(4)</i></p>
“Online School (OLS) Program”	<p>“Online School (OLS) program” is a full-time, virtual instructional program that is made available through an approved course provider and is designed to serve students in grades 3–12 who are not physically present at school. <i>19 TAC 70.1001(7)</i></p> <p>A TXVSN OLS may serve students in grades 3–12 but may not serve students in kindergarten–grade 2.</p> <p>A school district that operates a TXVSN OLS that serves students in full-time virtual instruction shall, prior to the start of each academic year, notify TEA of grade levels to be served and the total number of students to be served during that academic year. A school district may not add grade levels after the start of the school year.</p> <p>A TXVSN OLS or a school district wishing to add additional grade levels to its online program shall certify that the OLS has courses sufficient to comprise a full instructional program for each additional grade level to be served by the OLS prior to serving that grade level.</p> <p>School districts approved to serve as TXVSN OLSs shall follow the TEA procedures related to obtaining a campus number for the virtual campus through which they serve their TXVSN OLS students.</p> <p>School districts serving as TXVSN OLSs must follow all requirements in 19 Administrative Code 70.1011.</p> <p><i>19 TAC 70.1011</i></p>
“Statewide Course Catalog”	<p>“Statewide course catalog” is a supplemental online high school instructional program available through approved providers. <i>19 TAC 70.1001(10)</i></p>
Course Providers	<p>A TXVSN course provider is an entity that provides an electronic course through the TXVSN. Course providers include TXVSN OLSs and providers in the statewide course catalog. <i>19 TAC 70.1001(8)</i></p>
Electronic Course	<p>“Electronic course” means an educational course in which:</p> <ol style="list-style-type: none"> 1. Instruction and content are delivered primarily over the Internet;

	<ol style="list-style-type: none"> 2. A student and teacher are in different locations for a majority of the student's instructional period; 3. Most instructional activities take place in an online environment; 4. The online instructional activities are integral to the academic program; 5. Extensive communication between a student and a teacher and among students is emphasized; and 6. A student is not required to be located on the physical premises of a school district or open-enrollment charter school. <p>An electronic course is the equivalent of what would typically be taught in one semester. For example: English IA is treated as a single electronic course and English IB is treated as a single electronic course.</p> <p><i>Education Code 30A.001(4); 19 TAC 70.1001(1)</i></p>
OLS Eligibility	<p>To be eligible to serve as a TXVSN OLS, a school district shall:</p> <ol style="list-style-type: none"> 1. Have a current accreditation status of Accredited under 19 Administrative Code 97.1055 (relating to Accreditation Status); 2. Be rated acceptable under Education Code 39.054; 3. Be rated at the Standard Achievement level or higher under the state financial accountability rating system under 19 Administrative Code 109.1001 (relating to Types of Financial Accountability Ratings); 4. Have met statutory requirements for timely submission of annual audit and compliance reports, Public Education Information Management System (PEIMS) reports, and timely deposits with the Teacher Retirement System, with all records and reports reflecting satisfactory performance; 5. Be in good standing with other programs, grants, and projects administered through TEA; and 6. Have been approved to operate a TXVSN OLS as of January 1, 2013. <p><i>19 TAC 70.1009(a)</i></p>
Statewide Course Catalog Provider Eligibility	<p>To be eligible to serve as a course provider in the TXVSN statewide course catalog, a district must be rated acceptable under Education Code 39.054. A Texas school district may provide an electronic course through the TXVSN to a student enrolled in that district or school, a student enrolled in another school district or school in the state, or a student who resides in Texas who is enrolled in a school other than a public school district or charter school. <i>19 TAC 70.1007(a)</i></p>
General	<p>TXVSN course providers shall:</p>

Requirements	<ol style="list-style-type: none"> 1. Provide the TXVSN receiver district in which each TXVSN student is enrolled with written notice of a student's performance in the course at least once every 12 weeks; 2. Provide the TXVSN receiver district in which each TXVSN student is enrolled with written notice of a student's performance at least once every three weeks if the student's performance in the course is consistently unsatisfactory, as determined by the TXVSN course provider; 3. Notify students in writing upon enrollment to participate in the TXVSN course with specific dates and details regarding enrollment; 4. Meet all federal and state requirements for educating students with disabilities; 5. Provide a contingency plan for the continuation of instructional services to all TXVSN students allowing them to complete their TXVSN courses in the event that the contract or agreement through which the electronic courses are provided are terminated or the TXVSN courses become unavailable to students; 6. Ensure a maximum class size limit of 40 students in a single section of a course and ensure that the class size does not exceed the maximum allowed by law, as applicable, whichever is less; and 7. Meet all reporting requirements established by TXVSN central operations, including timely submission of student performance reports, course completion results, catalog data, data required to verify instructor qualifications, and all data necessary for the TXVSN Informed Choice Report required under 19 Administrative Code 70.1031 (relating to Informed Choice Reports). <p><i>19 TAC 70.1007(c)</i></p>
Receiver District Requirements	<p>A district is eligible to serve as a receiver district in the TXVSN statewide course catalog. Each TXVSN receiver district shall:</p> <ol style="list-style-type: none"> 1. Register as a receiver district with TXVSN central operations; 2. Assign a qualified staff member to serve as the TXVSN coordinator; 3. Enroll a student who resides in Texas and who is enrolled in a school other than a public school district or charter school upon request by the student and/or parent or guardian; and 4. In accordance with 19 Administrative Code 74.26 (relating to Award of Credit), award credit to a student enrolled in the district who has successfully completed all state and local requirements and received a grade that is the equivalent of 70 on a scale of 100,

	<p>based upon the essential knowledge and skills for a course offered through the TXVSN statewide course catalog.</p> <p><i>19 TAC 70.1008</i></p>
Courses	<p>All electronic courses to be made available through the TXVSN shall be reviewed and approved prior to being offered in accordance with the course requirements at 19 Administrative Code 70.1005. <i>19 TAC 70.1005(a)</i></p> <p>An electronic course or program that was offered or could have been offered during the 2008–09 school year under former Education Code 29.909, as that section existed on January 1, 2009, may be offered during a subsequent school year through the TXVSN. <i>Education Code 30A.006</i></p>
Student Eligibility <i>Generally</i>	<p>A student is eligible to enroll in a TXVSN course only if the student:</p> <ol style="list-style-type: none"> 1. On September 1 of the school year is younger than 21 years of age or is younger than 26 years of age and entitled to the benefits of the Foundation School Program under Education Code 42.003; 2. Has not graduated from high school; and 3. Is otherwise eligible to enroll in a public school in this state. <p>A student is eligible to enroll full-time in courses provided through the TXVSN only if:</p> <ol style="list-style-type: none"> 1. The student was enrolled in a public school in this state in the preceding school year; 2. The student is a dependent of a member of the United States military who has been deployed or transferred to this state and was enrolled in a publicly funded school outside of this state in the preceding school year; or 3. The student has been placed in substitute care in this state, regardless of whether the student was enrolled in a public school in this state in the preceding school year.
Exception for Military Dependents	<p>A student is eligible to enroll in one or more TXVSN courses or enroll full-time in courses provided through the network if the student:</p> <ol style="list-style-type: none"> 1. Is a dependent of a member of the United States military; 2. Was previously enrolled in high school in this state; and 3. No longer resides in this state as a result of a military deployment or transfer.
Provisional Enrollment	<p>If a student has not provided required evidence of eligibility to enroll, a TXVSN OLS may enroll a student provisionally for ten school days and withdraw the student from the OLS if the student does not provide the</p>

	<p>required evidence of eligibility within ten school days of the provisional enrollment.</p> <p>Upon enrolling a student provisionally, the TXVSN OLS shall notify the student and the student's parents or guardians that the student will be withdrawn if documentation is not provided within the required timeframe.</p> <p><i>Education Code 30A.002; 19 TAC 70.1013</i></p>
Enrolled Students	<p>A student who is enrolled in the district as a full-time student may take one or more electronic courses through the TXVSN. <i>Education Code 30A.107(b)</i></p>
Unenrolled Students	<p>A student who resides in this state but who is not enrolled in a school district or open-enrollment charter school in this state as a full-time student may, subject to Education Code 30A.155, enroll in electronic courses through the TXVSN. The student:</p> <ol style="list-style-type: none"> 1. May not in any semester enroll in more than two electronic courses offered through the TXVSN; 2. Is not considered to be a public school student; 3. Must obtain access to a course provided through the network through the school district or open-enrollment charter school attendance zone in which the student resides; 4. Is not entitled to enroll in a course offered by a school district or open-enrollment charter school other than an electronic course provided through the network; and 5. Is not entitled to any right, privilege, activities, or services available to a student enrolled in a public school, other than the right to receive the appropriate unit of credit for completing an electronic course. <p><i>Education Code 30A.107(c)</i></p>
Enrollment, Advancement, And Withdrawal	<p>A student taking a course through the TXVSN statewide course catalog or a TXVSN OLS program is considered to:</p> <ol style="list-style-type: none"> 1. Be enrolled in a TXVSN course when he or she begins receiving instruction and actively engages in instructional activities in a TXVSN subject area or course; 2. Have successfully completed a course if the student demonstrates academic proficiency and earns credit for the course, as determined by the TXVSN teacher; and 3. Be, and must be reported as, withdrawn from the TXVSN when the student is no longer actively participating in the TXVSN course or program. <p>A student taking a course through the TXVSN statewide course catalog:</p>

	<ol style="list-style-type: none"> 1. Shall enroll in each TXVSN course through the TXVSN online registration system; 2. Shall be assigned a grade by the TXVSN teacher after the drop period established by TXVSN central operations; 3. May withdraw from a course taken through the TXVSN after the instructional start date without academic or financial penalty within the drop period established by TXVSN central operations; and 4. Shall have the grade assigned by the TXVSN teacher added to the student's transcript by the student's home district. <p>A student enrolled full time in grades 3–8 must demonstrate academic proficiency sufficient to earn promotion to the next grade, as determined by the TXVSN teacher for the educational program.</p> <p><i>19 TAC 70.1015</i></p>
Compulsory Attendance	<p>Texas public school students are not required to be in physical attendance while participating in courses through a TXVSN OLS or the TXVSN course catalog.</p> <p>Based upon successful completion of a TXVSN course for students in grades 9–12 or a TXVSN OLS instructional program for students in grades 3–8, students are considered to have met attendance requirements for that course or program. A student who has successfully completed the grade level or course is eligible to receive any weighted funding for which the student is eligible.</p> <p>For audit purposes, TXVSN course providers and TXVSN receiver districts shall maintain documentation to support the students' successful completion and to support verification of compulsory attendance.</p> <p>“TXVSN receiver district” means a Texas public school district that has students enrolled in the school district who take one or more online courses through the TXVSN statewide course catalog.</p> <p><i>19 TAC 70.1001(9), .1017</i></p>
Local Policy	<p>A district shall adopt a written policy that provides students enrolled in the district with the opportunity to enroll in electronic courses provided through the TXVSN statewide course catalog. The policy must be consistent with the requirements regarding notice, enrollment requests, and students with disabilities as described below.</p> <p>A district shall, at least once per school year, send to a parent of each district student enrolled at the middle or high school level a copy of the policy. A district may send the policy with any other information that the district sends to a parent.</p> <p><i>Education Code 30A.007; 19 TAC 70.1033</i></p>

Notice	At the time and in the manner that a district informs students and parents about courses that are offered in the district's traditional classroom setting, the district shall notify parents and students of the option to enroll in an electronic course offered through the TXVSN.
Requests to Enroll	<p>Except as provided below, a district may not deny the request of a parent of a full-time student to enroll the student in an electronic course offered through the TXVSN.</p> <p>A district may deny a request to enroll a student in an electronic course if:</p> <ol style="list-style-type: none"> 1. A student attempts to enroll in a course load that is inconsistent with the student's high school graduation plan or requirements for college admission or earning an industry certification; 2. The student requests permission to enroll in an electronic course at a time that is not consistent with the enrollment period established by the district providing the course; or 3. The district offers a substantially similar course. <p>The course provider shall make all reasonable efforts to accommodate the enrollment of a student in the course under special circumstances.</p> <p>If a parent of a student requests permission to enroll the student in a TXVSN course, a district has discretion to select a course provider approved by TEA for the course in which the student will enroll based on factors including the informed choice report required by Education Code 30A.108(b).</p>
Appeals	<p>A parent may appeal to the commissioner a district's decision to deny a request to enroll a student in an electronic course offered through the TXVSN. The commissioner's decision under this subsection is final and may not be appealed.</p> <p><i>Education Code 26.0031; 19 TAC 70.1008, .1035</i></p>
Students with Disabilities	For purposes of the policy, the determination of whether or not an electronic course will meet the needs of a student with a disability shall be made by the student's admission, review, and dismissal (ARD) committee in a manner consistent with state and federal law, including the Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794. <i>Education Code 30A.007(b)</i>
Required Enrollment Prohibited	A school district or open-enrollment charter school may not require a student to enroll in an electronic course. <i>Education Code 30A.107(d)</i>
Inducements for Enrollment Prohibited	A course provider may not promise or provide equipment or any other thing of value to a student or a student's parent as an inducement for the student to enroll in an electronic course offered through the TXVSN. The commissioner shall revoke approval of electronic courses offered by a course provider that violates this prohibition. The commissioner's

	action under this section is final and may not be appealed. <i>Education Code 30A.1052</i>
Course Portability	A student who transfers from one educational setting to another after beginning enrollment in an electronic course is entitled to continue enrollment in the course. <i>Education Code 30A.1051; 19 TAC 70.1015(d)</i>
Student Assessment	<p>All Texas public school students enrolled in the TXVSN are required to take the statewide assessments as required in Education Code 39.023 [see EKB]. The administration of the assessment instrument to the student enrolled in the electronic course must be supervised by a proctor.</p> <p>A district shall report to the commissioner through the Public Education Information Management System (PEIMS) the results of assessment instruments administered to students enrolled in an electronic course offered through the TXVSN separately from the results of assessment instruments administered to other students.</p> <p>All districts participating in the TXVSN OLS program are included in the state's academic accountability system.</p> <p><i>Education Code 30A.110; 19 TAC 70.1023</i></p>
Funding	<p>A district in which a student is enrolled is entitled to funding under Education Code Chapter 42 for the student's enrollment in a TXVSN course in the same manner that the district is entitled to funding for the student's enrollment in courses provided in a traditional classroom setting, provided that the student successfully completes the electronic course.</p> <p>Funding is limited to a student's enrollment in not more than three electronic courses during any school year, unless the student is enrolled in a full-time online program that was operating on January 1, 2013.</p> <p><i>Education Code 30A.153</i></p> <p>A district may decline to pay the cost for a student of more than three yearlong electronic courses, or the equivalent, during any school year unless the student is enrolled in a full-time online program that was operating on January 1, 2013. If the district declines to pay the cost, a student is able to enroll in additional electronic courses at the student's cost. <i>Education Code 26.0031(c-1)</i></p>
Course Cost	<p>A district may charge the course cost for enrollment in a TXVSN course to a student who resides in this state and:</p> <ol style="list-style-type: none"> 1. Is enrolled in the district as a full-time student with a course load greater than that normally taken by students in the equivalent grade level in other school districts; or

	<p>2. Elects to enroll in a TXVSN course for which the district in which the student is enrolled as a full-time student declines to pay the cost as authorized by Education Code 26.0031(c-1).</p> <p>A district may charge the course cost for enrollment in a TXVSN course during the summer.</p> <p>A district shall charge the course cost for enrollment in a TXVSN course to a student who resides in this state and is not enrolled in a school district or open-enrollment charter school as a full-time student.</p> <p>A TXVSN course cost may not exceed the lesser of the cost of providing the course or \$400.</p> <p>A district may decline to pay the course costs for a student who chooses to enroll in more than three year-long electronic courses, or the equivalent, during any school year. This does not limit the ability of the student to enroll in additional electronic courses offered through the TXVSN at the student's expense.</p> <p>A district that is not the course provider may charge a student enrolled in the district a nominal fee, not to exceed \$50, if the student enrolls in a TXVSN course that exceeds the course load normally taken by students in the equivalent grade level.</p> <p>A course provider in the TXVSN statewide course catalog shall receive:</p> <ol style="list-style-type: none"> 1. No more than 70 percent of the catalog course cost prior to a student successfully completing the course; and 2. The remaining 30 percent of the catalog course cost when the student successfully completes the course. <p><i>Education Code 30A.155(a)–(c-1); 19 TAC 70.1025</i></p>
<p>Educators of Electronic Courses</p>	<p>Each instructor of an electronic course, including a dual credit course, offered through the TXVSN by a course provider must be certified under Education Code Chapter 21, Subchapter B, to teach that course and grade level or meet the credentialing requirements of the institution of higher education with which they are affiliated and that is serving as a course provider.</p> <p>In addition, each instructor must successfully complete one continuing professional development course specific to online learning every three years, and:</p> <ol style="list-style-type: none"> 1. Successfully complete a professional development course or program approved by TXVSN central operations before teaching an electronic course offered through the TXVSN; or 2. Have a graduate degree in online or distance learning and have demonstrated mastery of the International Association for K–12 Learning (iNACOL) National Standards for Quality Online Teaching; or

	<p>3. Have two or more years of documented experience teaching online courses for students in grades 3–12 and have demonstrated mastery of the iNACOL National Standards for Quality Online Teaching.</p> <p>Each instructor of an electronic course, including a dual credit course, offered through the TXVSN by a course provider must meet highly qualified teacher requirements under the Elementary and Secondary Education Act, as applicable.</p> <p>TXVSN course providers shall affirm the preparedness of teachers of TXVSN electronic courses to teach public school-age students in a highly interactive online classroom and shall:</p> <ol style="list-style-type: none"> 1. Maintain records documenting: <ol style="list-style-type: none"> a. Valid Texas educator certification credentials appropriate for the instructor’s TXVSN assignment; b. Successful initial completion of TXVSN-approved professional development, evidence of prior online teaching, or a graduate degree in online or distance learning; and c. Instructors’ demonstrated mastery of the iNACOL National Standards for Quality Online Teaching prior to teaching through the TXVSN; 2. Conduct and maintain records for background checks; 3. Maintain records of successful completion of continuing professional development; 4. Maintain records documenting successful completion of TXVSN-approved professional development before the end of the school year for any instructor who is hired after the school year has begun; and 5. Make the records specified in this subsection available to TEA and TXVSN central operations upon request. <p><i>19 TAC 70.1027</i></p>
Revocation	<p>The commissioner may revoke the right to participation in the TXVSN based on any of the following factors:</p> <ol style="list-style-type: none"> 1. Noncompliance with relevant state or federal laws; 2. Noncompliance with requirements and assurances outlined in the contractual agreements with TXVSN central operations and/or these provisions and Education Code Chapter 30A; or 3. Consistently poor student performance rates as evidenced by results on statewide student assessments, student withdrawal rates, student completion rates, successful completion rates, or campus accountability ratings.

	<i>19 TAC 70.1029</i>
Applicability	<p>Unless a district chooses to participate in providing an electronic course or an electronic diagnostic assessment under Education Code Chapter 30A to a student who is located on the physical premises of a school district or open-enrollment charter school, Chapter 30A does not affect the provision of a course to such a student.</p> <p>Requirements imposed by or under Education Code Chapter 30A do not apply to a virtual course provided by a district only to district students if the course is not provided as part of the TXVSN.</p> <p><i>Education Code 30A.004</i></p>

ALTERNATIVE METHODS FOR EARNING CREDIT: DISTANCE LEARNING	EHDE (LOCAL)
Texas Virtual School Network	<p>The Superintendent or designee shall establish procedures for students to enroll in courses provided by the Texas Virtual School Network (TxVSN).</p> <p>Enrollment in courses through the TxVSN shall not be subject to limitations the District may impose for other distance learning courses.</p>
Other Distance Learning	<p>The Superintendent or designee shall establish procedures governing the use of other distance learning courses, including correspondence courses, as a means of earning credit in a subject or course. In order to receive credit, a student shall obtain approval from the principal or designee prior to enrollment in the course.</p>

DISTRIBUTION OF LITERATURE, PUBLISHED MATERIALS OR OTHER DOCUMENTS (ALL GRADE LEVELS)

SCHOOL MATERIALS

Publications prepared by and for the school may be posted or distributed, with the prior approval of the principal, sponsor, or teacher. Such items may include school posters, brochures, flyers, etc.

The school newspaper and the yearbook are available to students.

All school publications are under the supervision of a teacher, sponsor, and the principal.

NONSCHOOL MATERIALS...FROM STUDENTS

Students must obtain prior approval from the campus principal before posting, circulating, or distributing more than ten copies of written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials that were not developed under the oversight of the school. To be considered, any nonschool material must include the name of the sponsoring person or organization. The decision regarding approval will be made in two school days.

The principal has designated specific areas as the location for approved nonschool materials to be placed for voluntary viewing or collection by students. [See policies at FNAA.]

A student may appeal a decision in accordance with policy FNG(LOCAL). Any student who posts nonschool material without prior approval will be subject to disciplinary action in accordance with the *Student Code of Conduct*. Materials displayed without approval will be removed.

[See FNG(LOCAL) for student complaint procedures.]

NONSCHOOL MATERIALS...FROM OTHERS

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by the district or by a district-affiliated school-support organization will not be sold, circulated, distributed, or posted on any district premises by any district employee or by persons or groups not associated with the district, except as permitted by policies at GKDA. To be considered for distribution, any nonschool material must meet the limitations on content established in the policy, include the name of the sponsoring person or organization, and be submitted to the principal/superintendent for prior review. The principal/superintendent will approve or reject the materials within two school days of the time the materials are received. The requestor may appeal a rejection in accordance with the appropriate district complaint policy. [See policies at DGBA, FNG, or GF.]

The principal has designated specific areas as the location for approved nonschool materials to be placed for voluntary viewing or collection.

Prior review will not be required for:

- Distribution of materials by an attendee to other attendees of a school-sponsored meeting intended for adults and held after school hours.
- Distribution of materials by an attendee to other attendees of a community group meeting held after school hours in accordance with policy GKD(LOCAL) or a noncurriculum-related student group meeting held in accordance with FNAB(LOCAL).
- Distribution for electioneering purposes during the time a school facility is being used as a polling place, in accordance with state law.

All nonschool materials distributed under these circumstances must be removed from district property immediately following the event at which the materials are distributed.

DRESS AND GROOMING (ALL GRADE LEVELS)

STANDARDIZED DRESS AND GROOMING

The District's dress code is established to

- teach grooming and hygiene,
- instill discipline,
- prevent disruption,
- avoid safety hazards, and
- teach respect for authority.

Students shall come to school looking clean and neat, wearing clothing that will not be a health or safety hazard to the student or others.

The District prohibits pictures, emblems, or writings on clothing that are lewd, offensive, vulgar, obscene, or advertise or depict tobacco products, alcoholic beverages, drugs, or any other substance prohibited under policy FNCF(L) and prohibits any clothing or grooming that, in the principal's judgment, may reasonably be expected to cause disruption of, or interference with normal school operations.

Regular dress code checks will occur throughout the day by teachers and staff. Students in violation of the dress code will be sent to the office if the violation cannot be corrected in the classroom. Parent contact will be made and the student will remain out of the general population until the dress code violation is corrected. If the violation is not corrected in a timely manner, the student will receive an official office referral and will not return to class; the parents will be notified. Minor dress code issues such as tears in pants that occur during the school day will not be subject to an office referral as long as the tear/issue does not expose the student in an inappropriate manner or is a class disruption. Repeated offenses may result in more serious disciplinary action in accordance with the *Student Code of Conduct*.

The dress code applies anytime a student is on campus during a normal school day and anytime a student is involved in an event or extra-curricular activity that represents Cuero ISD. There may be exceptions to the dress and grooming policy for certain special needs students with administrative approval. Repeated offenses may result in more serious disciplinary action. Appropriate disciplinary procedures shall be followed in all cases.

The following requirements are set forth to govern the grooming and appearance standards for the district, however, school administrators reserve the right to make judgment calls concerning the appropriateness of dress and grooming when necessary.

ALL STUDENTS-ALL GRADE LEVELS

- **MASKS**

Masks will be highly recommended. CISD cannot require masks at this time.

- **SHIRTS**

Buttoned, solid color oxford (western-style permissible) or polo shirts/blouses will be worn. All shirts will be free of words and/or pictures, etc. Logos (Izod, Polo, Dockers, etc.) may not be any larger than 1-inch square. All shirt buttons, except the collar button and second button must be buttoned at all times. All shirts will have a collar and sleeves.

An approved, Cuero Gobbler, school-spirit shirt that is green, white, black, or gray may be worn on any day of the week. The original construction of the Cuero Gobbler, school-spirit shirt cannot be modified or altered. Solid color t-shirts must have an administrator-approved spirit emblem or logo. No plain, non-logo, t-shirt may be worn. This does not include select team jerseys, i.e. CYFL, Little Dribblers, etc. Jerseys may only be worn on official "jersey days". ONLY green and white Gobbler jerseys and green and white Gobbler cheer uniforms may be worn on Friday during football season.

Community sporting groups such as CYFL, CYSA, Little Dribblers, Little League, etc. will be given an opportunity to wear their uniforms (jerseys) during a special recognition day/s each year. Students will be notified by the campus principal, during their season of play, of the designated date.

School appropriate college spirit shirts may be worn on designated days ONLY.

- **BOTTOMS**

Male students may wear pants or shorts.

Female students may wear pants, shorts, skorts, or skirts.

Allowable colors are khaki, navy blue, black, or gray. Jeans are acceptable.

All bottoms must fit appropriately at the waist, be neatly hemmed, and be free of oversized logos and words. Company logos and embellishments on back pockets are permitted. Pants with holes/tears may not be worn. Pants, trousers, or slacks shall not be overly tight, baggy, and/or low riding. Pants, shorts, and skirts must be hemmed and not frayed by the manufacturer. Minimal fraying in the back of the pants due to the natural wear and tear from boots and shoes is acceptable; however, the fraying must be trimmed to the pant hem. Nylon, athletic, or wind pants are not acceptable. Boxers, spandex shorts, and spandex pants are not acceptable as outer wear.

- **COATS, SWEATERS, SWEAT SHIRTS, AND JACKETS, (INCLUDING HOODED):**

Coats, sweaters, sweat shirts, and/or jackets may be worn over regular daily dress code clothing and will not be limited in color or wording other than a restriction of offensive words or logos; or, words or logos that promote or advertise alcohol, tobacco, drugs, or illegal affiliations. School administrators reserve the right to make judgment calls concerning restriction of outer garments.

- **MISCELLANEOUS**

1. Hats, caps, bandanas, sweatbands, or any distracting headwear will not be permitted inside district school buildings at any time or on District property during the normal school day. (Exceptions made for school related activities and special events).
2. Distracting neckwear is prohibited.
3. Taps on shoes and roller-wheeled shoes are not permitted.
4. **Universal hair code: Must be well groomed and of a natural color. Must be out of the eye line. If it cannot be kept out of the eye line, will be required to be pulled back or braided. Must not be distracting or unsafe in nature or design (IE-mohawks, faux hawks, spikes, height or shape, etc.). No hard decorations, bauble, charms, etc. may be permanently placed in hair. No shaved designs or symbols may be cut in hair. Administration has sole discretion of what is distracting and unsafe.**
5. Piercings are limited to the ears only and only to female students.
6. See-through clothing is not permitted.
7. Grades 6-12: All student footwear must have either a closed toe or a closed heel, back strap, or ties. House shoes, Crocs, flip flops are distracting and unsafe shoes are not permitted. Principal's discretion is final. Elementary students must follow the elementary shoe rules.
8. Tattoos are discouraged. Administrators have the authority to require students to cover tattoos they deem inappropriate or unsafe for the school environment.
9. No trench coats will be allowed.

- **FEMALE STUDENTS**

1. All shirt buttons, except the collar button and second button, must be buttoned at all times.
2. Skirts, sweaters, shorts, and pant-type clothing must be no shorter than fingertip length.
3. Skirts should be long enough to be in good taste and appropriate for the school setting. Decency when sitting shall be a prime factor in determining the appropriateness for the school setting.
4. Capri pants with slits are permitted.
5. Modest necklines are required for both the front and back of garments.
6. Proper undergarments and/or foundation garments must be worn. If more than one shirt is worn, then all shirts but the outer shirt must be tucked in.
7. Shirts must be long enough to cover the midriff. NO BARE MIDRIFTS. Leggings, jeggings, tights, and yoga pants may **only** be worn as undergarments (covered by shorts, skirt, or pants) and must follow the same color guidelines as pant bottoms.
8. No dresses will be allowed, only separates.

- **MALE STUDENTS**

1. All shirt buttons, except the collar button and second button must be buttoned at all times. Shirts may not extend beyond rear pant pocket. Excessively long shirts will be required to be tucked in.
2. Boys shall be clean-shaven. (No goatees, beards, mustaches, or any type of facial hair growth). Sideburns shall not extend below the ear lobe.
3. Earrings or any other piercing items may not be worn.
4. Pants may not be excessively tight or baggy. No sagging, excessively loose pants will require a belt.

ELEMENTARY CAMPUSES - GRADES PRE-K – 5

1. Closed toe and closed heel tennis shoes will be worn at all times. The Sperry Top-Sider or other types of deck shoes are not considered a tennis shoe
2. No make-up or fake, acrylic nails shall be worn.
3. **Athletic shorts may be worn. Must fit at waist and have drawstring or ties. Must not be overly baggy or tight. Must not be see through. Mid-thigh minimum length, max length bottom of knee. Solid colors only: green, black, gray, and navy.**

If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school. If not corrected, the student will be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the *Student Code of Conduct*.

ELECTRONIC DEVICES AND TECHNOLOGY RESOURCES (ALL GRADE LEVELS)

POSSESSION AND USE OF PERSONAL TELECOMMUNICATIONS DEVICES, INCLUDING MOBILE TELEPHONES

For safety purposes, the district permits students in grades 6-12 to possess personal mobile telephones; however, these devices must be put away and remain turned off or on silent in the classroom. Students may use their mobile telephones in the common areas and hallways during passing periods and at lunch. During state testing and other designated times, smart watches with the capability to transmit texts or access the internet are not allowed on campus. A student must have approval to possess other telecommunications devices such as netbooks, laptops, tablets, or other portable computers.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

If a student uses a telecommunications device without authorization during the school day, the device will be confiscated. The parent may pick up the confiscated telecommunications device from the principal's office for a fee of \$15.

Confiscated telecommunications devices that are not retrieved by the student or the student's parents will be disposed of after the notice required by law. [See policy FNCE.]

In limited circumstances and in accordance with law, a student's personal telecommunications device may be searched by authorized personnel. [See **Searches** and policy FNF.]

Any disciplinary action will be in accordance with the *Student Code of Conduct*. The district will not be responsible for damaged, lost, or stolen telecommunications devices.

POSSESSION AND USE OF OTHER PERSONAL ELECTRONIC DEVICES

Except as described below, students are not permitted to possess or use personal electronic devices such as laptops, tablets, MP3 players, video or audio recorders, DVD players, cameras, game systems, e-readers, or other electronic devices at school, unless prior permission has been obtained. Without such permission, teachers will collect the items and turn them in to the principal's office. The principal will determine whether to return items to students at the end of the day or to contact parents to pick up the items.

In limited circumstances and in accordance with law, a student's personal electronic device may be searched by authorized personnel. [See **Searches** and policy FNF.]

Any disciplinary action will be in accordance with the *Student Code of Conduct*. The district will not be responsible for any damaged, lost, or stolen electronic device.

INSTRUCTIONAL USE OF PERSONAL TELECOMMUNICATIONS AND OTHER ELECTRONIC DEVICES

In some cases, students may find it beneficial or might be encouraged to use personal telecommunications or other personal electronic devices for instructional purposes while on campus. ***Students in grades 6-12*** must obtain prior approval from their classroom teacher before using personal telecommunications or other personal electronic devices for instructional use, in airplane mode with no access to cellular networks. Students may utilize the District's wireless network on their personal devices in order to perform school work in accordance with the District's Acceptable Use Policy.

Students must also sign a user agreement that contains applicable rules for use (separate from this handbook). ***When students are not using the devices for approved instructional purposes, all devices must be put away and remain turned off or on silent during the instructional day. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.***

ACCEPTABLE USE OF DISTRICT TECHNOLOGY RESOURCES

District-owned technology resources for instructional purposes may be issued to individual students. Use of these technological resources, which include the district's network systems and use of district equipment, is restricted to approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these district resources. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

UNACCEPTABLE AND INAPPROPRIATE USE OF TECHNOLOGY RESOURCES

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition also applies to conduct off school property, whether the equipment used to send such messages is district-owned or personally owned, if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as “sexting,” will be disciplined according to the *Student Code of Conduct*, may be required to complete an educational program related to the dangers of this type of behavior; and, in certain circumstances, may be reported to law enforcement. Because engaging in this type of behavior can lead to bullying or harassment, as well as possibly impede future endeavors of a student, we encourage you to review with your child, ‘Before You Text’ Sexting Prevention Course, a state-developed program that addresses the consequences of engaging in inappropriate behavior using technology.

In addition, any student who engages in conduct that results in a breach of the district’s computer security will be disciplined in accordance with the *Student Code of Conduct*, and, in some cases, the consequence may rise to the level of expulsion.

END-OF-COURSE (EOC) ASSESSMENTS

[See Graduation, and Standardized Testing.]

ENGLISH LANGUAGE LEARNERS (ALL GRADE LEVELS)

A student who is an English language learner is entitled to receive specialized services from the district. To determine whether the student qualifies for services, a Language Proficiency Assessment Committee (LPAC) will be formed, which will consist of both district personnel and at least one parent representative. The student’s parent must consent to any services recommended by the LPAC for an English language learner. However, pending the receipt of parental consent or denial of services, an eligible student will receive the services to which the student is entitled and eligible.

In order to determine a student’s level of proficiency in English, the LPAC will use information from a variety of assessments. If the student qualifies for services, and once a level of proficiency has been established, the LPAC will then designate instructional accommodations or additional special programs that the student will require to eventually become proficient at grade level work in English. Ongoing assessments will be conducted to determine a student’s continued eligibility for the program.

The LPAC will also determine whether certain accommodations are necessary for any state-mandated assessments. The STAAR Spanish, as mentioned at **Standardized Testing**, may be administered to an English language learner for a student up to grade 5. In limited circumstances, a student’s LPAC may exempt the student from an otherwise required state-mandated assessment or may waive certain graduation requirements related to the English I end-of-course (EOC) assessment. The Texas English Language Proficiency Assessment System (TELPAS) will also be administered to English language learners who qualify for services.

If a student is considered an English language learner and receives special education services because of a qualifying disability, the student’s ARD committee will make instructional and assessment decisions in conjunction with the LPAC.

EXTRACURRICULAR ACTIVITIES, CLUBS, AND ORGANIZATIONS (ALL GRADE LEVELS)

Participation in school-sponsored activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students; participation, however, is a privilege, not a right.

Participation in some of these activities may result in events that occur off-campus. When the district arranges transportation for these events, students are required to use the transportation provided by the district to and from

the events. Exceptions to this may only be made with the approval of the activity's coach or sponsor. See **Transportation.**]

Eligibility for initial and continuing participation in many of these activities is governed by state law and the rules of the University Interscholastic League (UIL)—a statewide association overseeing interdistrict competition. If a student is involved in an academic, athletic, or music activity governed by UIL, the student and parent are expected to know and follow all rules of the UIL organization. Students involved in UIL athletic activities and their parents can access the UIL Parent Information Manual at [UIL Parent Information Manual](#); a hard copy can be provided by the coach or sponsor of the activity on request. To report a complaint of alleged noncompliance with required safety training or an alleged violation of safety rules required by law and the UIL, please contact the curriculum division of the Texas Education Agency at (512) 463-9581 or curriculum@tea.state.tx.us.

[See UIL Texas for additional information on all UIL-governed activities.]

Student safety in extracurricular activities is a priority of the district. The equipment used in football is no exception. As a parent, you are entitled to review the district's records regarding the age of each football helmet used by the campus, including when a helmet has been reconditioned.

The following requirements apply to all extracurricular activities:

- A student who receives at the end of a grading period a grade below 70 in any academic class may not participate in extracurricular activities for at least three school weeks. An exception exists for a student enrolled in an Advanced Placement, honors or academic dual credit class in English language arts, mathematics, science, social studies, economics, or language other than English. A student enrolled in one of the above courses who fails a six weeks grading period in one of those courses may request a waiver to the eligibility rule. A waiver is available once per semester only.
- A student who receives special education services and who fails to meet the standards in the individualized education program (IEP) may not participate for at least three school weeks.
- An ineligible student may practice or rehearse.
- A student is allowed in a school year up to 10 absences not related to post-district competition, a maximum of 5 absences for post-district competition prior to state, and a maximum of 2 absences for state competition. All extracurricular activities and public performances, whether UIL activities or other activities approved by the board, are subject to these restrictions.
- An absence for participation in an activity that has not been approved will receive an unexcused absence.

STANDARDS OF BEHAVIOR

Sponsors of student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the *Student Code of Conduct* or by Board policy will apply in addition to any consequences specified by the organization's standards of behavior.

EXTRACURRICULAR ACTIVITY ABSENCES

The District shall make no distinction between absences for UIL activities and absences for other extracurricular activities approved by the Board. A student shall be allowed in a school year ten extracurricular absences not related to post-district competition, five absences for post-district competition prior to state, and two absences for state competition.

Additional absences, to a maximum of 14, shall be permitted for any level of competition.

[See policy FM(LOCAL) and FO(LOCAL) for further information.]

OFFICES AND ELECTIONS

Certain clubs, organizations, and performing groups may hold elections for student officers.

FEES (ALL GRADE LEVELS)

Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. A student, however, is expected to provide his or her own pencils, paper, erasers, and notebooks and may be required to pay certain other fees or deposits, including:

- Costs for materials for a class project that the student will keep.
- Membership dues in voluntary clubs or student organizations and admission fees to extracurricular activities.
- Security deposits, including iPad insurance.
- Personal physical education and athletic equipment and apparel.
- Voluntarily purchased pictures, publications, class rings, yearbooks, graduation announcements, etc.
- Voluntarily purchased student health and accident insurance.
- Musical instrument rental and uniform maintenance including dry cleaning, when uniforms are provided by the district.
- Personal apparel used in extracurricular activities that becomes the property of the student.
- Parking fees and student identification cards.
- Fees for lost, damaged, or overdue library books.
- Fees for driver training courses, if offered.
- Fees for optional courses offered for credit that requires use of facilities not available on district premises.
- Summer school for courses that are offered tuition-free during the regular school year.
- A reasonable fee for providing transportation to a student who lives within two miles of the school. [See **Buses and Other School Vehicles.**]
- A fee not to exceed \$50 for costs of providing an educational program outside of regular school hours for a student who has lost credit because of absences and whose parent chooses the program in order for the student

to meet the 90 percent attendance requirement. The fee will be charged only if the parent or guardian signs a district-provided request form.

- In some cases, a fee for a course taken through the Texas Virtual School Network (TxVSN).
- Fees for Advanced Placement exams and in some cases fees for Credit by Examination exams
- Fees for official transcripts. The first one will be provided free. After that, a fee of \$2.00 per transcript will be charged.

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the campus principal. [For further information, see policy at FP.]

FIELD TRIPS

Campuses encourage all students to attend school field trips. With principal approval, parents are welcome to accompany classes on field trips, but must provide their own transportation and expense. All students must ride in transportation provided by the District to the field trip site. If permission is requested, in writing, and obtained from the principal, parents may take their child home from the field trip in their vehicle.

Students with a temperature of 100.0° or greater and/or has a communicable illness as determined by the school nurse, will not be allowed to attend school or a school related activity i.e. field trips for that day.

Students owing fees and/or fines may not be allowed to participate in field trips.

JOHN C. FRENCH ELEMENTARY and HUNT ELEMENTARY SCHOOL

If a student has a “U” during the current six-weeks in conduct or has received a school discipline slip during the 10 school days prior to the trip, the student may not be allowed to attend the field trip or co-curricular activities.

CUERO JUNIOR HIGH SCHOOL

If a student is failing during the current reporting period or has been assigned to the Behavioral Room in the past six-weeks, they will not be allowed to attend field trips. Also, if a student has been placed in DAEP during the current school year, they cannot attend field trips.

FUNDRAISING (All Grade Levels)

Student groups or classes and/or parent groups may be permitted to conduct fundraising drives for approved school purposes in accordance with administrative regulations. [For further information, see policies at FJ and GE.]

GANG-FREE ZONES (ALL GRADE LEVELS)

Certain criminal offenses, including those involving organized criminal activity such as gang-related crimes, will be enhanced to the next highest category of offense if they are committed in a gang-free zone. For purposes of the district, a gang-free zone includes a school bus and a location in, on, or within 1,000 feet of any district-owned or leased property or campus playground.

GENDER-BASED HARASSMENT

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

GRADE LEVEL CLASSIFICATION (GRADES 9-12 ONLY)

After the ninth grade, students are classified according to the number of credits earned toward graduation.

<u>Credits Earned</u>	<u>Classification</u>
6	Grade 10 (Sophomore)
12	Grade 11 (Junior)
18	Grade 12 (Senior)

GRADING GUIDELINES (ALL GRADE LEVELS)

Grading guidelines for each grade level or course will be communicated and distributed to students and their parents by the classroom teacher. These guidelines have been reviewed by each applicable curriculum department and have been approved by the campus principal. These guidelines establish the minimum number of assignments, projects, and examinations required for each grading period. In addition, these guidelines establish how the student's mastery of concepts and achievement will be communicated (i.e., letter grades, numerical averages, checklist of required skills, etc.). Grading guidelines also outline in what circumstances a student will be allowed to retake an examination for which the student originally made a failing grade. Procedures for a student to follow after an absence will also be addressed.

See **Report Cards/Progress Reports and Conferences** for additional information on grading guidelines. See **Graduation, Course Credit and Standardized Testing** for additional information regarding EOC assessments.

In grades EC-12, achievement is reported to parents as:

RELATION TO ESSENTIAL KNOWLEDGE AND SKILLS

The District shall establish instructional objectives that relate to the essential knowledge and skills for grade-level subjects or courses. These objectives shall address the skills needed for successful performance in the next grade or next course in a sequence of courses.

Assignments, tests, projects, classroom activities, and other instructional activities shall be designed so that the student's performance indicates the level of mastery of the designated District objectives. The student's mastery level shall be a major factor in determining the grade for a subject or course.

GUIDELINES FOR GRADING

The Superintendent or designee shall ensure that each campus or instructional level develops guidelines for teachers to follow in determining grades for students. These guidelines shall ensure that grading reflects a student's relative mastery of an assignment and that a sufficient number of grades are taken to support the grade average assigned. Guidelines for grading shall be clearly communicated to students and parents.

In accordance with grading guidelines, a student shall be permitted a reasonable opportunity to retake a test for which the student received a failing grade.

PROGRESS REPORTING

Grade reports shall be issued every grading cycle (approximately six weeks) on a form approved by the Superintendent or designee. Performance shall be measured in accordance with this policy and the standards established in EIE.

INTERIM REPORTS

Interim progress reports may be issued at the teacher's discretion; however, notice of a student's consistent unsatisfactory performance shall be issued in accordance with law.

CONFERENCES

In addition to conferences scheduled on the campus calendar, conferences may be requested by a teacher or parent as needed.

ACADEMIC DISHONESTY

Students found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the *Student Code of Conduct*. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, or information from students.

The Cuero ISD has adopted the following conversion scale for those schools that do use letter grades:

A+ = 98	B+ = 88	C+ = 78	
A = 95	B = 85	C = 75	F = below 70
A- = 93	B- = 83	C- = 73	

To convert the numerical grade average to a 4-point system, this mathematical equation shall be used:

$$\frac{\text{GPA}}{X} = \frac{100}{4}$$

Numerical grades will be issued on report cards and Academic Achievement Records except for students who are enrolled at SWAS or for advance academic students who choose Pass/Fail in lieu of a numeric grade. Grades of 69 and below are unsatisfactory and will indicate no credit earned. Grades of 70 and above will receive units of credit according to TEA regulations.

The letter "U" for unsatisfactory will prevent a student from making the Honor Roll.

JOHN C. FRENCH ELEMENTARY

GRADING SCALE

Pre-K and Kindergarten:

Students earn grades of S (satisfactory), N (needs improvement), or U (unsatisfactory) for each six weeks grading period. Students are allowed multiple opportunities to demonstrate mastery of introduced concepts.

First Grade:

Students are graded on the following numeric scale:

90-100 = A	80-89 = B
------------	-----------

70-79 = C

69 and below = F

SUBJECT GRADE REQUIREMENTS (EACH SIX WEEKS)

Students receive the minimum number of grades each six weeks in the following subjects:

Math: Two Test Grades and Six Daily Grades

ELAR: Two Test Grades and Six Daily Grades

Spelling: One Test Grade and Three Daily Grades

Science: One Test Grade and Three Daily Grades

Social Studies: One Test Grade and Three Daily Grades

Teachers are encouraged to give more than the minimum number of grades in each subject each six weeks. Major Projects may count as a test grade. In Reading and Math Test Grades count as 50% of the average and Daily Grades comprise 50% of the average. Teachers are expected to enter a minimum of three daily grades and one test grade in reading and math prior to each progress report within each six week grading period. A minimum of three daily grades and one test grade in Reading and Math will occur prior to each three weeks Progress Report.

HUNT ELEMENTARY

GRADING SCALE

Students are graded on the following numeric scale:

90-100 = A

80-89 = B

70-79 = C

69 and below = F

SUBJECT GRADE REQUIREMENTS (EACH SIX WEEKS)

Students receive the minimum number of grades each six weeks in the following subjects:

Math: Two Test Grades and Six Daily Grades

ELAR: Two Test Grades and Six Daily Grades

Spelling: One Test Grade and Three Daily Grades (HUNT ELEMENTARY ONLY)

Science: One Test Grade and Three Daily Grades

Social Studies: One Test Grade and Three Daily Grades

Teachers are encouraged to give more than the minimum number of grades in each subject each six weeks. Major Projects may count as a test grade. In Reading and Math Test Grades count as 50% of the average and Daily Grades comprise 50% of the average. Teachers are expected to enter a minimum of three daily grades and one test grade in reading and math prior to each progress report within each six week grading period. A minimum of three daily grades and one test grade in Reading and Math will occur prior to each three weeks Progress Report.

PROMOTION/RETENTION

A student will be promoted only on the basis of academic achievement or demonstrated proficiency. Promotion to the next grade level is based on an overall yearly average of 70 or higher in Math, English/Language Arts/Reading, as well as Science *or* Social Studies. If a student has a yearly average less than 70 or has not met the passing standard on STAAR then he/she may attend Summer School to help accelerate learning as offered. This is pending the decision of the grade level placement committee.

REDOING ASSIGNMENTS/MISSED ASSIGNMENTS/LATE WORK

A student shall be permitted a reasonable opportunity to retake a test for which the student received a failing grade. After re-teaching (if needed), the teacher should make every effort to re-assess the student as soon as possible. The re-assessment must cover the same material to the degree and depth of the original assessment, but the re-assessment may take a different form as the teacher decides is appropriate for the skills and content being assessed. Only one re-assessment is available when a student fails the initial assignment, and it needs to be completed prior to the end of the respective six week grading period. The higher of the two grades will be recorded, even if the re-assessment is also a failing grade. The re-assessment will be graded from 100 for the purpose of evaluating the student's performance and providing feedback, but the maximum a student can earn is 70.

Late work will be accepted up to three days past the due date; however, a student will be docked 10 points each day the assignment is late.

ADDITIONAL GRADING INFORMATION

Teachers may choose to drop the lowest grade in a subject provided that each student maintains the minimum number of grades required for that subject. Each assignment shall only count as one recorded grade. Students may receive incentives for attending campus events, bringing items to school, or other miscellaneous reasons, but these incentives are not to include grades—grades are earned for academic work. The PE and Fine Arts Teachers may grade students weekly on participation and other performance objectives as appropriate. Teachers are to post grades weekly by 9:00 a.m. each Tuesday in TxEIS.

PARENT-TEACHER CONFERENCES

We are always happy to communicate via telephone, email, or face-to-face conference with parents about student progress. It is required that parent(s) meet face to face with his/her child's teacher(s) at the completion of the first six weeks grading period.

Students who miss assignments due to illness or absence will be given additional time to complete the work. Incomplete grades will be assigned an "I" until the assignments are submitted. Missed work due to absences will be accepted up to one week upon return to school.

CUERO JUNIOR HIGH SCHOOL

SUBJECT GRADE REQUIREMENTS (EACH SIX WEEKS)

Practice Grades: 50% of the student's grade

Achievement Grades: 50% of the student's grade

Note: Teachers will take a minimum of 9 practice grades and 2 achievement grades per each subject each six weeks. Major projects may count as achievement grades.

Assignments are expected to be turned in the next school day or by the allotted time designated by the classroom teacher.

LATE WORK

Late work will be accepted; however, a 10 point penalty will be assessed for each day late, up to three days.

RETAKING TESTS

Students shall also be permitted a reasonable opportunity to retake a test for which the student received a failing grade. The re-assessment will be graded from 100 for the purpose of evaluating the students' performance and providing feedback, but the maximum a student can earn is 70. The retaking of tests must be completed prior to the end of the six weeks grading period.

ADDITIONAL GRADING INFORMATION

- Teachers may choose to drop the lowest grade in a subject provided that each student maintains the minimum number of grades required for that subject.
- Students' grades are based on academic work. Students may receive incentives for attending campus events and/or for miscellaneous reasons.
- PE and Fine Arts may grade students on participation grades and other performance objectives.
- Teachers are expected to post grades within a 48-hour period. Essays and projects may require more time to post.

TUTORIALS

After school tutorials will be held Monday - Thursday from 3:35-4:30.

SATURDAY SCHOOL

Saturday School may be held throughout the school year from 8:00 – 12:00 as a way of making up work and decreasing the amount of zeros.

CUERO HIGH SCHOOL

Unless otherwise noted, all information outlined below applies to all students enrolled at CHS in grades 9 through 12, unless otherwise prescribed in a student's Individual Education Plan or Individual Accommodation Plan.

TYPES OF GRADES

CHS will utilize two types of grades – those taken while a student is in the process of learning material and those taken to assess a student's mastery of the material. These are called "Practice" grades and "Achievement" grades.

Practice: It takes time and effort to learn new material. It is expected that a student will make some mistakes

during this learning process. Any work done during this learning period is considered Academic Practice. The purpose of Academic Practice is not to evaluate a student's **final** achievement of a topic, but to determine where he or she is in the learning process, diagnose any problems, and aid in getting the help needed to learn the material. Academic Practice could consist of many different types of assessments including, but not limited to:

- Homework/daily class work
- Notebooks
- Observations
- Journals
- Minor lab reports
- Oral responses
- Writing processes
- Checks for understanding

Achievement: After a student has had sufficient instruction and practice on a given topic, it is then reasonable to evaluate his or her independent mastery of the information or skills. Any work done at that point is considered Academic Achievement. The purpose of Academic Achievement is to evaluate how well a student has learned the material. Academic Achievement could consist of many different types of assessments including, but not limited to:

- Unit tests
- Chapter tests
- Book reports
- Presentations
- Portfolios
- Writings (term papers, essays)
- Performances
- Major lab reports
- Research or other projects

Other Considerations:

- Teachers may choose to drop the lowest grade in a subject provided that each student maintains the minimum number of grades required for that subject.
- If extra credit is offered, it will be made available to all students enrolled in that course on the campus (e.g., all Algebra I students will have the same opportunity). Extra credit will be related to the TEKS in that subject and will not be given for clerical tasks such as returning a report card or progress report, parent signatures, canned goods, fundraiser, etc. Extra credit will not create an undue financial hardship on a student.
- Grades will not be entered twice for the same assignment (called “doubling”).
- A 100 is the maximum grade that can be reported as a six weeks grade or semester grade.

WEIGHT, QUANTITY, AND QUALITY OF ASSIGNMENTS AND GRADES

For on-level, honors/pre-AP, and AP classes, Academic Practice assignments will make up 40% of a student's grade for the six weeks. A minimum of ten Academic Practice grades will be taken during a six weeks, with at least three occurring prior to the 3-week Progress Report.

For on-level, honors/pre-AP, and AP classes, Academic Achievement assignments will make up 60% of a student's grade for the six weeks. A minimum of three Academic Achievement grades will be taken during a six weeks, with at least one occurring prior to the 3-week Progress Report. Teachers will make every effort to ensure that all work assigned to students, whether for Practice or Achievement, is meaningful and relevant to learning.

Grades in courses taken through credit recovery or while enrolled in SWAS, will not follow the guideline as in other courses due to the computer-based nature of credit recovery.

LATE WORK

For on-level and honors/pre-AP courses, work turned in late will have 10 points deducted for each day late, up to three days. The primary goal is to give students an opportunity to complete the work and demonstrate their learning while at the same time to teach students the importance of a strong work ethic.

Certain Achievement assignments are given to a student weeks in advance with a pre-determined deadline communicated to students and parents in multiple ways. This might include a major research paper/project or a presentation occurring over the course of 4-5 weeks in some cases. In situations like this, late work for an Achievement assignment may not be accepted. In addition, the late work guidelines do not apply to Achievement assignments (such as tests or science labs) that must occur on a certain day to correspond to the classroom and course schedule.

For AP courses, late Achievement assignments will not be accepted. For dual credit/dual enrollment courses and college readiness courses, students will follow the policy of the college/university and the professor.

POSTING OF GRADES

All grades taken for Academic Practice and Academic Achievement will be recorded in the electronic grade book within one week of being collected. However, major projects, research papers, essays, and similar student work may take longer than a week to grade due to the nature of the grading process.

RE-ASSESSMENT OPTION FOR STUDENTS WHO FAIL A TEST

Students shall also be permitted a reasonable opportunity to retake a test for which the student received a failing grade. The re-assessment will be graded from 100 for the purpose of evaluating the student's performance and providing feedback, but the maximum a student can earn is 70. The retaking of tests must be completed prior to the end of the six weeks grading period. Students in an AP, dual credit course, or college readiness course are not eligible for re-testing.

After re-teaching (if needed), the teacher should make every effort to re-assess the student as soon as possible and no later than the next major test (Achievement grade). The re-assessment must cover the same material to the degree and depth of the original assessment, but the re-assessment will take a different form as the teacher decides is appropriate for the skills and content being assessed. For example, the original test may be multiple choice/short-answer, and the re-assessment may be essay or oral presentation. The date and the form of the re-assessment is determined by the teacher.

Only one re-assessment is available when a student fails the initial test. The higher of the two grades will be recorded, even if the re-assessment is also a failing grade. The re-assessment will be graded from 100 for the purpose of evaluating the student's performance and providing feedback, but the maximum a student can earn is 70. The re-assessment option is not available for semester exams.

Note: Failed Practice assignments do not qualify for re-do. However, students are encouraged to correct Practice assignments and get teacher feedback to improve their own learning.

GRADES FOR DUAL CREDIT/ENROLLMENT COURSES AND OTHER COURSES OFFERED IN PARTNERSHIP WITH VICTORIA COLLEGE/ UNIVERSITY OF HOUSTON-VICTORIA/ UT ONRAMPS

CHS students have the opportunity to enroll in dual credit courses offered through Victoria College and dual enrollment courses through The University of Texas OnRamps. In addition, some 12th grade students may be

enrolled in a college readiness (Math 301, Math 303, English 301, English 303). There are differences between CHS, Victoria College, and the UT OnRamps that students and parents should be aware of, such as the academic calendar, types of assignments given to students, professor expectations and policies, grading guidelines, and more. Students who are enrolled in dual credit/enrollment courses or college readiness courses are expected to understand and follow the policies and expectations of the college/university and the individual professor.

Students will have access to their grades via the Victoria College/ UHV system or UT OnRamps system, not necessarily through CHS; however, we will make an effort to work with Victoria College/ UHV/ UT OnRamps so that we may report student grades via the parent portal. In any case, students and parents should familiarize themselves with how to access the Victoria College/ UHV/ UT OnRamps grading system to stay informed about grades.

WEIGHTING OF COURSES

The majority of courses offered at CHS are on-level or regular courses and follow a 4.0 GPA scale. Beginning with students entering the 9th grade in 2014-2015, courses that are listed as honors or pre-AP will follow a 4.5 GPA scale. Courses that are listed as AP dual credit, Dual Enrollment will follow a 5.0 GPA scale.

Examples are below:

English I – 89 = 2.9 GPA English I Honors – 89 = 3.4 GPA Dual Credit English – 89 = 3.9 GPA

The non-weighted numeric grade will be displayed on a student's report card. The extra GPA points will be calculated and documented on the transcript and factored into class rank. Not all courses listed below are currently offered at CHS and courses offered may vary depending on availability of staffing and other resources. Courses that are added to the course catalog that carry the title of "Honors", "Pre-AP", "AP", or are an academic dual credit class will follow the same rule for weighting.

The following courses, if offered, will use the 4.5 GPA weighting:

- | | | |
|---------------------------------------|---------------------------------|------------------------------|
| • English I, II, III
Pre-AP/Honors | • Geometry
Pre-AP/Honors | • Biology Pre-AP/Honors |

The following courses, if offered, will use the 5.0 GPA weighting:

SEMESTER EXAM EXEMPTION STANDARDS

The student must be classified as a Junior or Senior AND...

1. maintain an 80 average with no more than one (1) absence per semester; or

2. maintain an 85 average with no more than two (2) absences per semester; or
3. maintain a 90 average with no more than three (3) absences per semester;

AND

1. May NOT have been placed in principal's D-Hall, AEP, suspended during the semester, or received a "U" in conduct.

NOTE: Parent request days count toward absences. Approved college days do not count toward absences for exemption purposes. Students who start or end the day or return to school with a valid doctor signed excuse within 3 days and are marked as a medical absence do not count towards exemption related absence.

GRADUATION (SECONDARY GRADE LEVELS ONLY)

REQUIREMENTS FOR A DIPLOMA BEGINNING WITH THE 2014–15 SCHOOL YEAR

Beginning with students who entered grade 9 in the 2014–15 school year, a student must meet the following requirements to receive a high school diploma from the district:

- Complete the required number of credits established by the state and any additional credits required by the district;
- Complete any locally required courses in addition to the courses mandated by the state;
- Achieve passing scores on certain end-of-course (EOC) assessments or approved substitute assessments, unless specifically waived as permitted by state law; and
- Demonstrate proficiency, as determined by the district, in the specific communication skills required by the State Board of Education.

TESTING REQUIREMENTS FOR GRADUATION

Students are required, with limited exceptions and regardless of graduation program, to perform satisfactorily on the following EOC assessments: English I, English II, Algebra I, Biology, and United States History. A student who has not achieved sufficient scores on the EOC assessments to graduate will have opportunities to retake the assessments. State law and state rules also provide for certain scores on norm-referenced national standardized assessments or on the state-developed assessment used for entrance into Texas public universities to substitute for the requirement to meet satisfactory performance on an applicable EOC assessment should a student choose this option. [See the school counselor for more information on the state testing requirements for graduation.]

If a student fails to perform satisfactorily on an EOC assessment, the district will provide remediation to the student in the content area for which the performance standard was not met. This may require participation of the student before or after normal school hours or at times of the year outside normal school operations.

In limited circumstances, a student who fails to demonstrate proficiency on two or fewer of the required assessments may still be eligible to graduate if an individual graduation committee, formed in accordance with state law, unanimously determines that the student is eligible to graduate.

[See Standardized Testing for more information.]

FOUNDATION GRADUATION PROGRAM

Every student in a Texas public school who entered grade 9 in the 2014–15 school year and thereafter will graduate under the “foundation graduation program.” Within the foundation graduation program are “endorsements,” which are paths of interest that include Science, Technology, Engineering, and Mathematics (STEM); Business and Industry; Public Services; Arts and Humanities; and Multidisciplinary Studies. Endorsements earned by a student will be noted on the student’s transcript. The foundation graduation program also involves the term “distinguished level of achievement,” which reflects the completion of at least one endorsement and Algebra II as one of the required advanced mathematics credits. A personal graduation plan will be completed for each high school student.

State law and rules prohibit a student from graduating solely under the foundation graduation program without an endorsement unless, after the student’s sophomore year, the student and student’s parent are advised of the specific benefits of graduating with an endorsement and submit written permission to the school counselor for the student to graduate without an endorsement. A student who anticipates graduating under the foundation graduation program without an endorsement and who wishes to attend a four-year university or college after graduation must carefully consider whether this will satisfy the admission requirements of the student’s desired college or university.

Graduating under the foundation graduation program will also provide opportunities to earn “performance acknowledgments” that will be acknowledged on a student’s transcript. Performance acknowledgments are available for outstanding performance in bilingualism and biliteracy; in a dual credit course; on an AP or IB examination; on certain national college preparatory and readiness or college entrance examinations, or for earning a state recognized or nationally or internationally recognized license or certificate. The criteria for earning these performance acknowledgments are prescribed by state rules, and the school counselor can provide more information about these acknowledgments.

Credits Required

The foundation graduation program requires completion of the following credits:

Course Area	Number of credits Foundation Graduation Program	Number of credits Foundation Graduation Program with an Endorsement
English/Language Arts	4	4
Mathematics	3	4*
Science	3	4
Social Studies, including Government/ Economics	3	4

Course Area	Number of credits Foundation Graduation Program	Number of credits Foundation Graduation Program with an Endorsement
Physical Education**	1	1
Language other than English***	2	2
Fine Arts	1	1
Locally required courses	½ credit in Health; ½ credit in Speech; 1 credit in Technology	½ credit in Health; ½ credit in Speech; 1 credit in Technology
Electives	3	4
TOTAL	22 credits	26 credits

Additional considerations apply in some course areas, including:

- Mathematics. In order to obtain the distinguished level of achievement under the foundation graduation program, which will be included on a student's transcript and is a requirement to be considered for automatic admission purposes to a Texas four-year college or university, a student must complete an endorsement and take algebra 2 as one of the 4 mathematics credits.
- Physical education. A student who is unable to participate in physical activity due to a disability or illness may be able to substitute a course in English language arts, mathematics, science, social studies, or another locally determined credit-bearing course for the required credit of physical education. This determination will be made by the student's ARD committee, as applicable.
- Language other than English. Students are required to earn two credits in the same language other than English to graduate. Any student may substitute computer programming languages for these credits. In limited circumstances, a student may be able to substitute this requirement with other courses, as determined by a district committee authorized by law to make these decisions for the student.

Available Endorsements and Programs of Study

A student must specify upon entering grade 9 the endorsement he or she wishes to pursue.

- Science, Technology, Engineering, and Mathematics
- Business and Industry
- Public Services
- Arts and Humanities
- Multidisciplinary Studies

PERSONAL GRADUATION PLANS

A personal graduation plan will be developed for each high school student. The district encourages all students to pursue a personal graduation plan that includes the completion of at least one endorsement and to graduate with the distinguished level of achievement. Attainment of the distinguished level of achievement entitles a student to be considered for automatic admission to a public four year college or university in Texas, depending on his or her rank in class. The school will review personal graduation plan options with each student entering grade 9 and his or her parent. Before the end of grade 9, a student and his or her parent will be required to sign off on a personal graduation plan that includes a course of study that promotes college and workforce readiness and career placement and advancement, as well as facilitates the transition from secondary to postsecondary education. The student's personal graduation plan will denote an appropriate course sequence based on the student's choices for endorsements, as well as the student's program of study of choice plus how they will achieve CCMR (College-Career-Military Readiness).

Please also review TEA's Graduation Toolkit

A student may, with parental permission, amend his or her personal graduation plan after the initial confirmation.

AVAILABLE COURSE OPTIONS FOR ALL GRADUATION PROGRAMS

Information regarding specific courses required or offered in each curriculum area will be distributed to students each spring in order to enroll in courses for the upcoming school year.

NOTE: The district may require the completion of certain courses for graduation even if these courses are not required by the state for graduation.

Please be aware that not all courses are offered at every secondary campus in the district. A student who wants to take a course not offered at his or her regular campus should contact the school counselor about a transfer or other alternatives. If the parents of at least 22 students request a transfer for those students to take a course in the required curriculum other than fine arts or career and technical education (CTE), the district will offer the course for the following year either by teleconference or at the school from which the transfers were requested.

CERTIFICATES OF COURSEWORK COMPLETION

A certificate of coursework completion will not be issued to a student who has successfully completed state and local credit requirements for graduation but has not yet demonstrated satisfactory performance on the state-mandated tests required for graduation.

STUDENTS WITH DISABILITIES

Upon the recommendation of the admission, review, and dismissal (ARD) committee, a student with a disability who receives special education services may be permitted to graduate under the provisions of his or her individualized education plan (IEP).

A student who receives special education services and has completed four years of high school, but has not met the requirements of his or her IEP, may participate in graduation ceremonies and receive a certificate of attendance. Even if the student participates in graduation ceremonies to receive the certificate of attendance, he or

she may remain enrolled to complete the IEP and earn his or her high school diploma; however, the student will only be allowed to participate in one graduation ceremony.

[See policy FMH(LEGAL).]

ARD committees for students with disabilities who receive special education services will make instructional and assessment decisions for these students in accordance with state law and rules. In order to earn an endorsement under the foundation program, a student must perform satisfactorily on the end of course (EOC) assessments and receive no modified curriculum in the student's chosen endorsement area. A student may still be awarded an endorsement when the student fails to perform satisfactorily on no more than two EOC assessments but meets the other requirements for graduation under state law.

GRADUATION ACTIVITIES

Graduation activities include graduation practice. It is the policy of Cuero High School that all seniors must successfully attend graduation rehearsal in order to participate in the graduation ceremony. For the graduation ceremony, students are expected to wear enhanced dress that includes either a suit, or slacks/dress pants, dress shirt and tie, dress or skirt, and dress shoes.

GRADUATION SPEAKERS

Certain graduating students will be given an opportunity to have speaking roles at graduation ceremonies. A student must meet local eligibility criteria, which may include requirements related to student conduct, to have a speaking role. Students eligible for speaking roles will be notified by the principal and given an opportunity to volunteer.

[See FNA(LOCAL).]

GRADUATION EXPENSES

Because students and parents will incur expenses in order to participate in the traditions of graduation—such as the purchase of invitations, senior ring, cap and gown, and senior picture—both student and parent should monitor progress toward completion of all requirements for graduation. The expenses often are incurred in the junior year or first semester of the senior year. [See **Fees**.]

SCHOLARSHIPS AND GRANTS

- Students who have a financial need according to federal criteria and who complete the foundation graduation program, may be eligible under the T.E.X.A.S. Grant Program and the Teach for Texas Grant Program for tuition and fees to Texas public universities, community colleges, and technical schools, as well as to private institutions.
- Contact the counselor for information about other scholarships and grants available to students.

HARASSMENT

[See **Dating Violence, Discrimination, Harassment, and Retaliation**.]

HAZING (ALL GRADE LEVELS)

Hazing is defined as any intentional, knowing, or reckless act occurring on or off campus directed against a student that endangers the mental or physical health or the safety of a student for the purpose of pledging, being initiated to, affiliating with, holding office in, or maintaining membership in any organization whose members are or include other students. Examples include:

- Any type of physical brutality
- Any type of physical activity that subjects the student to an unreasonable risk of physical or mental harm, such as sleep deprivation, exposure to the elements, confinement to small spaces, or calisthenics;
- Any activity involving consumption of food, liquids, drugs, or other substances that subjects the student to unreasonable risk of physical or mental harm;
- Any activity that adversely affects the mental health or dignity of the student, such as ostracism, shame, or humiliation; and
- Any activity that induces, causes, or requires the student to violate the Penal Code.

Hazing will not be tolerated by the district. If an incident of hazing occurs, disciplinary consequences will be handled in accordance with the *Student Code of Conduct*. It is a criminal offense if a person engages in hazing; solicits, encourages, directs, aids, or attempts to aid another in hazing; or has firsthand knowledge of an incident of hazing being planned or having occurred and fails to report this to the principal or superintendent.

[See **Bullying** policies FFI and FNCC.]

HEALTH-RELATED MATTERS

STUDENT ILLNESS

When your child is ill, please contact the school to let us know he or she won't be attending that day. It is important to remember that schools are required to exclude students with certain illnesses from school for periods of time as identified in state rules. For example, if your child has a fever over 100 degrees, he or she must stay out of school until fever free for 24 hours without fever-reducing medications. In addition, students with diarrheal illnesses must stay home until they are diarrhea free without diarrhea-suppressing medications for at least 24 hours. A full list of conditions for which the school must exclude children can be obtained from the school nurse.

If a student becomes ill during the school day, he or she must receive permission from the teacher before reporting to the school nurse. If the nurse determines that the child should go home, the nurse will contact the parent.

The district is also required to report certain contagious (communicable) diseases or illnesses to the Texas Department of State Health Services (TDSHS) or our local/regional health authority. The school nurse can provide information from TDSHS on these notifiable conditions.

Contact the school nurse if you have questions or if you are concerned about whether or not your child should stay home.

Asthma and Severe Allergic Reactions

A student with asthma or severe allergic reaction (anaphylaxis) may possess and use prescribed asthma or anaphylaxis medication at school or school-related events only if he or she has written authorization from his or her parent and a physician or other licensed health-care provider. The student must also demonstrate to his or her health-care provider and the school nurse the ability to use the prescribed medication, including any device required to administer the medication.

If the student has been prescribed asthma or anaphylaxis medication for use during the school day, the student and parents should discuss this with the school nurse or principal.

Self-Administration of Asthma or Anaphylaxis Medication

A student with asthma or anaphylaxis may possess and self-administer prescription asthma or anaphylaxis medicine while on school property or at a school-related event or activity if:

1. The medicine has been prescribed for that student as indicated by the prescription label on the medicine;
2. The student has demonstrated to the student's physician or other licensed health-care provider and the school nurse, if available, the skill level necessary to self-administer the prescription medication, including the use of any device required to administer the medication;
3. The self-administration is done in compliance with the prescription or written instructions from the student's physician or other licensed health-care provider; and
4. A parent of the student provides to the school:
 - a. Written authorization, signed by the parent, for the student to self-administer the prescription medicine while on school property or at a school-related event or activity; and
 - b. A written statement, signed by the student's physician or other licensed health-care provider, that states:
 - (1) That the student has asthma or anaphylaxis and is capable of self-administering the medicine;
 - (2) The name and purpose of the medicine;
 - (3) The prescribed dosage for the medicine;
 - (4) The times at which or circumstances under which the medicine may be administered; and
 - (5) The period for which the medicine is prescribed.

The physician's statement must be kept on file in the school nurse's office, or, if there is no school nurse, in the office of the principal of the school the student attends. [see policy FFAC(LEGAL)]

BACTERIAL MENINGITIS (ALL GRADE LEVELS)

State law requires the district to provide information about bacterial meningitis:

- What is meningitis?

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is common and most people recover fully. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical, surgical, pharmaceutical, and life support management.

What are the symptoms?

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Children (over 2 years old) and adults with bacterial meningitis commonly have a severe headache, high fever, vomiting, and neck stiffness. Other symptoms might include nausea, vomiting, discomfort looking into bright lights, confusion, and sleepiness. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

- How serious is bacterial meningitis?

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

- How is bacterial meningitis spread?

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. They are spread when people respiratory or throat secretions (such as by kissing, coughing, or sneezing).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.

- How can bacterial meningitis be prevented?

Maintaining healthy habits, like getting plenty of rest, can help prevent infection. Using good health practices such as covering your mouth and nose when coughing and sneezing and washing your hands frequently with soap and water can also help stop the spread of the bacteria. It's a good idea not to share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

There are vaccines available to offer protection from some of the bacteria that can cause bacterial meningitis. The vaccines are safe and effective (85–90 percent). They can cause mild side effects, such as redness and

pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

- What should you do if you think you or a friend might have bacterial meningitis?

You should seek prompt medical attention.

- Where can you get more information?

Your school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Department of State Health Services office to ask about a meningococcal vaccine. Additional information may also be found at the Web sites for the Centers for Disease Control and Prevention, Centers for Disease Control and Prevention, particularly the CDC's information on bacterial meningitis, and the Texas Department of State Health Services.

NOTE: the DSHS requires at least one meningococcal vaccination on or before the student's 11th birthday, unless the student received the vaccine at age 10. Also note that entering college students must show, with limited exception, evidence of receiving a bacterial meningitis vaccination within the five-year period prior to enrolling in and taking courses at an institution of higher education. Please see the school nurse for more information, as this may affect a student who wishes to enroll in a dual credit course taken off campus.

See **Immunizations**.

DIABETES

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF(LEGAL) for more information.]

DIETARY SUPPLEMENTS CONTAINING PERFORMANCE ENHANCING COMPOUNDS

A school district employee is prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance enhancing compounds to a primary or secondary education student with whom the employee has contact as part of the employee's school district duties. In addition, an employee is prohibited by state law from knowingly endorsing or suggesting the ingestion, intranasal application, or inhalation of a dietary supplement that contains performance enhancing compounds by a primary or secondary education student with whom the employee has contact as part of the employee's school district duties. A person who violates this section commits an offense. An offense under this section is a Class C misdemeanor.

Although this section, does not prohibit a district employee, from providing or endorsing the use of these items by, the employee's child; or the selling, marketing, or distributing of the items to a primary or secondary education student, as part of activities that do not occur on school property or at a school-related function. They

are entirely separate from any aspect of the employee's employment with the school district; and do not in any way involve information about or contacts with students that the employee has had access to, directly or indirectly, through any aspect of the employee's employment with the school district. "Dietary supplement" has the meaning assigned by 21 U.S.C. Section 321 and its subsequent amendments.

"Performance enhancing compound" means a manufactured product for oral ingestion, intranasal application, or inhalation that contains a stimulant, amino acid, hormone precursor, herb or other botanical, or any other substance other than an essential vitamin or mineral; and is intended to increase athletic or intellectual performance, promote muscle growth, or increase an individual's endurance or capacity for exercise.

EMERGENCY MEDICAL TREATMENT AND INFORMATION

If a student has a medical emergency at school or a school-related activity when the parent cannot be reached, the school may have to rely on previously provided written parental consent to obtain emergency medical treatment, and information about allergies to medications, foods, insect bites, etc. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the school nurse to update any information that the nurse or the teacher needs to know.

ENERGY DRINKS AND OTHER SIMILAR FOODS AND BEVERAGES

The risks and benefits of the consumption of products that may qualify as a dietary supplement containing performance enhancing compounds by children remains a personal parental decision. Because of the existence of a law, that affects district employees and the combined obvious confusion surrounding the consumption of various items. That may or may not qualify as dietary supplements containing performance enhancing compounds depending on their specific ingredients, individual campus administrators may elect to prohibit items such as energy drinks from school campuses and/or from being provided by parents to their own child at campus during the school day.

FEVER AND COMMUNICABLE ILLNESS

Students with a temperature of 100.0°F or higher, any condition, and/or communicable disease that presents with fever will not be allowed to attend school or a school related activity i.e. field trip until the student has been fever-free for 24 hours without the use of fever-suppressing medications.

Students with any diarrhea and/or vomiting will not be allowed to attend school or a school related activity until they are diarrhea/vomiting free for 24 hours without the use of diarrhea/vomiting suppressing medications.

Students with chicken pox lesions will not be allowed to attend school until the lesions become dry or if lesions are not vesicular, until 24 hours have passed with no "new" lesions occurring.

Students with conjunctivitis (pink eye), bacterial or viral, will not be allowed to attend school until a physician permission to return to school form is received or until the student is symptom free.

FOOD ALLERGIES (ALL GRADE LEVELS)

The district requires to be notified when a student has been diagnosed with a food allergy, especially those allergies that could result in dangerous or possibly life-threatening reactions either by inhalation, ingestion, or skin contact with the particular food. It is important to disclose the food to which the student is allergic, as well

as the nature of the allergic reaction. Please contact the school nurse or campus principal if your child has a known food allergy or as soon as possible after any diagnosis of a food allergy.

The district has developed and annually reviews a food allergy management plan, which addresses employee training, dealing with common food allergens, and specific strategies for dealing with students diagnosed with severe food allergies. When the district receives information that a student has a food allergy that puts the student at risk for anaphylaxis, individual care plans will be developed to assist the student in safely accessing the school environment. The district's food allergy management plan can be accessed at each campus nurse's office and central office.

Also see policy FFAF and **Celebrations**.

HEAD LICE (ALL GRADE LEVELS)

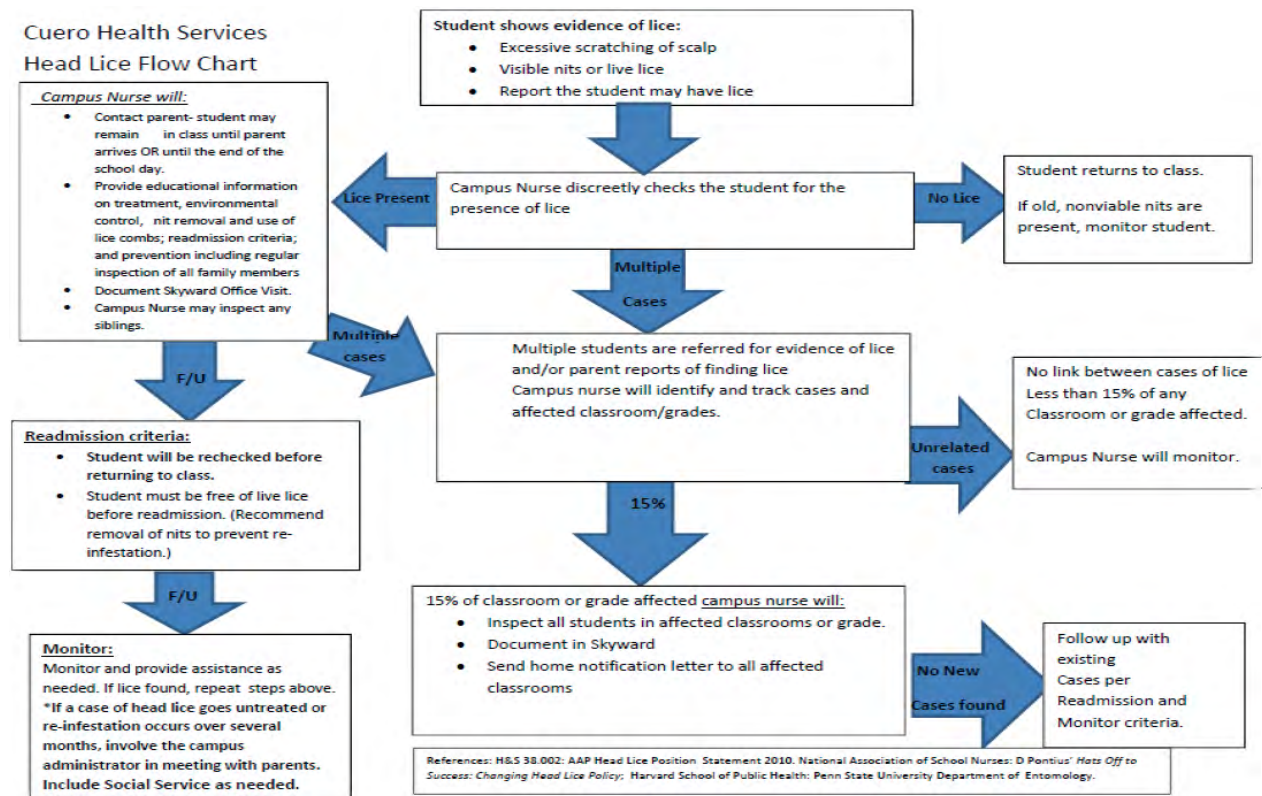

Head lice, although not an illness or a disease, is very common among children and is spread very easily through head-to-head contact during play, sports, or nap time and when children share things like brushes, combs, hats, and headphones. If careful observation indicates that a student has head lice, the school nurse will contact the student's parent to determine whether the student will need to be picked up from school and to discuss a plan for treatment with an FDA-approved medicated shampoo or cream rinse that may be purchased from any drug or grocery store. After the student has undergone one treatment, the parent should check in with the school nurse to discuss the treatment used. The nurse can also offer additional recommendations, including subsequent treatments and how best to get rid of lice and prevent their return.

All nap mats should be made of plastic/vinyl. No pillows, blankets, or cloth will be allowed.

More information on head lice can be obtained from the DSHS Web site [Managing Head Lice](#).

See plan of action below:

Cuero Health Services Head Lice Flow Chart

If your child/children are sent home with head lice, they will be given the opportunity to make up any missed classwork/assignment at before-school tutoring when available, after-school tutoring, or Saturday school.

For additional information, please see the campus principal.

IMMUNIZATION (ALL GRADE LEVELS)

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized. For exemptions based on reasons of conscience, only official forms issued by the Texas Department of State Health Services (DSHS), Immunization Branch, can be honored by the district. This form may be obtained by writing the DSHS Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347; or online at Affidavit Request for Exemption from Immunization. The form must be notarized and submitted to the principal or school nurse within 90 days of notarization. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student.

The immunizations required are: diphtheria, tetanus, pertussis, rubeola (measles), mumps, and rubella; polio, hepatitis A, hepatitis B, varicella (chicken pox), and meningococcal. The school nurse can provide information on age-appropriate doses or on an acceptable physician-validated history of illness required by the Texas Department of State Health Services. Proof of immunization may be established by personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. registered and licensed physician stating that, in the doctor's opinion, the immunization required medically contraindicated or poses a significant risk to the health and well-being of the student or member of the student's family or household. This certificate must be renewed yearly unless the physician specifies a life-long condition.

As noted at **Bacterial Meningitis**, entering college students must also, with limited exception, furnish evidence of having received a bacterial meningitis vaccination within the five years prior to enrolling in and attending classes at an institution of higher education. A student wanting to enroll in a dual credit course taken off campus may be subject to this requirement.

[For further information, see policy FFAB(LEGAL) and the DSHS Web site: Texas School & Child Care Facility Immunization Requirements.]

MEDICINE AT SCHOOL (ALL GRADE LEVELS)

Medication that must be administered to a student during school hours must be provided by the student's parent. All medication, whether prescription or nonprescription, must be kept in the nurse's office and administered by the nurse or another authorized district employee, unless the student is authorized to possess his or her own medication because of asthma or a severe allergy as described below or as otherwise allowed by law.

The district will not purchase nonprescription medication to give to a student.

NON-PRESCRIPTION MEDICATION:

1. Non-Prescription medicine **must** be in the manufacturer's labeled container.
2. CISD is required to have **written permission** from a parent or legal guardian to administer non-prescription medicine.

PRESCRIPTION MEDICATION:

1. Prescription medicine **must** be in a container with the pharmacy label legibly designating the prescription number, student's name, physician's name, and the directions.
2. CISD is required to have **written permission** from a parent or legal guardian to administer the medication.

NOTE:

- Any medication to be given more than ten (10) consecutive days, OR any medication required to be kept at school, will require a Physician's **WRITTEN AUTHORIZATION**.
- Students must bring **all** medications to the nurse's office before the bell rings in the morning with the authorization attached.
- Students taking "sample" medications provided by a physician must bring written instructions from the physician authorizing those medications to be given.
- An administrator or nurse may request the parent (or responsible adult) of a student in any grade to personally deliver the student's medications if the administrator/nurse determine the safety of any student may be compromised by not doing so.

- Over the counter medication dosages must be age appropriate, in date, and must not exceed the recommended dosage and directions on the manufacturer's label unless accompanied by a physician's orders.
- Only FDA approved pharmaceuticals (prescription and non-prescription) manufactured within the United States will be administered. Homeopathic preparations and allergy injections will not be accepted.
- If your child has medication in the Nurse's Office, arrangements must be made for pick up before the end of the school year. No medication will be sent home with the student.
- Any Medication left after the last day of school will be discarded. It is the District policy to follow the District's Pharmaceutical Waste Disposal Guidelines.
- Please Note: Emergency medications such as Epi-pens, Glucagon kits, and inhalers need to be in the Nurse's Office until the last day of school. Please make arrangements with the school nurse to pick them up on the last day that child will be in school.
- A student with asthma or severe allergic reaction (anaphylaxis) who has written authorization from his/her parent AND physician MAY be permitted to possess and use prescribed asthma or anaphylaxis medication at school or school-related events. For permission to possess and use prescribed asthma or anaphylaxis medication at school or school-related events, the student and parent must see the school nurse.
- Any leftover or unclaimed medications, including oral medications, injectable medications, Epi pens or inhalers will be disposed of after 30 days following the District's Pharmaceutical Waste Disposal Guidelines.
- In addition, all District medication guidelines will apply to students attending summer school and ESY.
- In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF(LEGAL).]

Sunscreen: Students whose schedules provide for regular time spent outdoors, including recess and physical education classes, should apply sunscreen before coming to school. Any student who needs sunscreen to be administered to treat any type of medical condition should communicate with the school nurse so the District is made aware of any safety and medical issues. Student health and well-being is of utmost importance to CISD. Elementary: The elementary student's teacher or other District personnel will apply sunscreen to the student's exposed skin if the student brings a note giving permission from their parent/guardian along with their personal bottle of sunscreen to school. Secondary: If the secondary student brings a note giving permission from their parent/guardian along with their personal bottle of sunscreen to school, they may possess and apply sunscreen when necessary. ALL STUDENTS: If sunscreen is required for ANY type of treatment for a medical condition, the parent or guardian should contact the school nurse to ensure all safety and medical concerns may be appropriately addressed and a plan put in place. Sunscreen should be age appropriate and must not exceed the recommended dosage and directions on the manufacturer's label unless accompanied by a physician's order.

For any questions or concerns, please contact your student's school nurse .Health Services Forms may be found on the District website and at all campuses.

Mental Health Support (All Grade Levels)

The district has implemented programs to address the following mental health, behavioral health, and substance abuse concerns:

- Mental health promotion and early intervention;
- Building skills to manage emotions, establish and maintain positive relationships, and engage in responsible decision-making;
- Substance abuse prevention and intervention;
- Suicide prevention, intervention, and postvention (interventions after a suicide in a community);
- Grief, trauma, and trauma-informed care;
- Positive behavior interventions and supports;
- Positive youth development; and
- Safe, supportive, and positive school climates.

If a student has been hospitalized or placed in residential treatment for a mental health condition or substance abuse, the district has procedures to support the student's return to school. Please contact the district's mental health liaison for further information.

Teachers and other district employees may discuss a student's academic progress or behavior with the student's parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication that is intended to alter perception, emotion, mood, or behavior.

A district employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or credentialed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [See policy FFEB for more information.]

For related information, see:

- Consent to Conduct a Psychological Evaluation or Provide a Mental Health Care Service on page 12 for the district's procedures for recommending a mental health intervention and the mental health liaison's contact information;
- Counseling on page 114 for the district's comprehensive school counseling program;
- Physical and Mental Health Resources on page 37 for campus and community mental and physical health resources; and
- Policies and Procedures that Promote Student Physical and Mental Health FFAE(LEGAL) for board-adopted policies and administrative procedures that promote student health.

PHYSICAL ACTIVITY REQUIREMENTS

PHYSICAL FITNESS ASSESSMENT (GRADES 3-12)

Annually, the district will conduct a physical fitness assessment of students in grades 3–12. At the end of the school year, a parent may submit a written request to the Athletic Director at 361-275-1940 to obtain the results of his or her child's physical fitness assessment conducted during the school year.

ELEMENTARY SCHOOL

In accordance with policies at EHAB, EHAC, EHBG, and FFA, the district will ensure that students in full-day prekindergarten–grade 5 engage in moderate or vigorous physical activity for at least 30 minutes per day or 135 minutes per week.

For additional information on the district’s requirements and programs regarding elementary school student physical activity requirements, please see the principal.

JUNIOR HIGH SCHOOL

In accordance with policies at EHAB, EHAC, EHBG, and FFA, the district will ensure students in middle or junior high school will engage in 30 minutes of moderate or vigorous physical activity per day for at least four semesters OR at least 225 minutes of moderate or vigorous physical activity within each two-week period for at least four semesters.

For additional information on the district’s requirements and programs regarding middle and junior high school student physical activity requirements, please see the principal.

PSYCHOTROPIC DRUGS

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

Teachers and other district employees may discuss a student’s academic progress or behavior with the student’s parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A district employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or credentialed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [For further information, see policies at FFAC.]

RELEASE OF STUDENTS FROM SCHOOL

Because class time is important, doctor’s appointments should be scheduled, if possible, at times when the student will not miss instructional time.

A student who will need to leave school during the day must bring a note from his or her parent that morning and follow the campus sign-out procedures before leaving the campus. Otherwise, a student will not be released from school at times other than at the end of the school day. Unless the principal or superintendent has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the instructional day.

If a student becomes ill during the school day, the student should receive permission from the teacher before reporting to the school nurse. The nurse will decide whether or not the student should be sent home and will notify the student’s parent.

SCHOOL HEALTH ADVISORY COUNCIL (SHAC)

The School Health Advisory Council is made of parents, school personnel, and other stakeholders interested in school health. The purpose of SHAC is to monitor coordinated school health, particularly on eight components designated by DSHS and TEA, and advise the district on ways to implement effective strategies to improve the health and wellness of students and staff. SHAC will meet a minimum of four times per school year. Any interested parent/guardian is encouraged to become involved in SHAC. Additional information regarding the district's School Health Advisory Council is available from the District Nurse or through the CISD website. [See also policies at BDF and EHAA.]

The duties of the SHAC range from recommending curriculum to developing strategies for integrating curriculum into a coordinated school health program encompassing school health services, counseling services, a safe and healthy school environment, recess recommendations, and employee wellness. See policies at BDF and EHAA.

Seizure Management and Treatment Plan (All Grade Levels)

Student health and well-being is of utmost importance to CISD. The parent or guardian of a student with a seizure disorder can be assured care will be provided for the student's seizure while the student is at school or participating in a school activity, by submitting to the district at which the student is enrolled, a copy of their seizure management and treatment plan developed by the parent / guardian AND physician responsible for the student's seizure treatment plan to the district before the beginning of the school year, upon enrollment of the student, or as soon as practicable following diagnosis of a seizure disorder.

This plan must include:

- Identify the health care services the student will receive at school or while participating in a school activity
- A new treatment plan will be submitted anytime changes are made to the plan and annually
- Evaluate the student's ability to manage and level of understanding of the student's seizures
- Also signed by the student's parent/ guardian AND the physician responsible for the student's seizure treatment plan.

[See Policy FFAC(LEGAL) and/ or **A Student with Physical or Mental Impairments Protected under Section 504** on page 85 and contact the school nurse for more information.]

STEROIDS

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use.

Bodybuilding, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

STUDENT WELLNESS POLICY/WELLNESS PLAN (ALL GRADE LEVELS)

The Cuero ISD is committed to encouraging healthy students and therefore has developed a board-adopted wellness policy at FFA(LOCAL) and corresponding plans and procedures to implement the policy. You are

encouraged to contact the District Nurse with questions about the content or implementation of the district's wellness policy and plan.

OTHER HEALTH-RELATED MATTERS

ASBESTOS MANAGEMENT PLAN

The district works diligently to maintain compliance with federal and state law governing asbestos in school buildings. A copy of the district's Asbestos Management Plan is available in the superintendent's office. If you have any questions or would like to examine the district's plan in more detail, please contact the Administrative Assistant, the district's designated asbestos coordinator, at the CISD Administration Building.

PEST MANAGEMENT PLAN

The district is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the district strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, pesticide use is sometimes necessary to maintain adequate pest control and ensure a safe, pest-free school environment.

All pesticides used are registered for their intended use by the United States Environmental Protection Agency and are applied only by certified pesticide applicators. Except in an emergency, signs will be posted 48 hours before indoor application. All outdoor applications will be posted at the time of treatment, and signs will remain until it is safe to enter the area. Parents who have further questions or who want to be notified prior to pesticide application inside their child's school assignment area may contact the District Facilities Director.

PHYSICAL EXAMINATIONS/HEALTH SCREENINGS

The District shall establish, maintain, and periodically evaluate a health services program that is coordinated with other student services and related instructional programs to focus on health-related needs of students and their families. Health Services staff will conduct annual screenings including vision, hearing, scoliosis, heights/weights, and Acanthosis Nigricans (indicator for predisposition to Type 2 diabetes). Referral notices will be sent to parents for any abnormal results.

The District program shall maintain a liaison with community health resources.

UIL PHYSICAL EXAMINATIONS/HEALTH SCREENINGS

A student who wishes to participate in, or continue participation in, the district's athletics program governed by the UIL must submit certification from a health-care provider authorized under UIL rules that the student has been examined and is physically able to participate in the athletic program.

This examination is required to be submitted annually to the district.

Students are required to undergo a risk assessment for type 2 diabetes at the same time the district screens students for hearing and vision issues, or for abnormal spinal curvatures.

Also see policy FFAA.

Spinal Screening Program

School-based spinal screening helps identify adolescents with abnormal spinal curvature and refer them for appropriate follow-up by their physician. Screening can detect scoliosis at an early stage, when the curve is mild and may go unnoticed. Early detection is key to controlling spinal deformities.

All students who meet the Texas Department of State Health Services criteria will be screened for abnormal spinal curvature before the end of the school year. For information on spinal screening by an outside professional or exemption from spinal screening based on religious beliefs, see policy FFAA(LEGAL) or contact the superintendent.

Spinal screening is non-invasive and conducted following the most recent, nationally accepted and peer-reviewed standards for spinal screening.

Other Examinations and Screenings (All Grade Levels)

Students are required to undergo a risk assessment for Type 2 diabetes at the same time the district screens students for hearing and vision issues, or for abnormal spinal curvatures. [See policy FFAA.]

TOBACCO AND E-CIGARETTES PROHIBITED (ALL GRADE LEVELS AND ALL OTHERS ON SCHOOL PROPERTY)

Students are prohibited from possessing or using any type of tobacco product, electronic cigarettes (e-cigarettes), or any other electronic vaporizing device, while on school property at any time or while attending an off campus school-related activity.

The district and its staff strictly enforce prohibitions against the use of all tobacco products, e-cigarettes or any other electronic vaporizing device, by students and all others on school property and at school-sponsored and school-related activities. [See the *Student Code of Conduct* and policies at FNCD and GKA.]

VENDING MACHINES (ALL GRADE LEVELS)

The district has adopted policies and implemented procedures to comply with state and federal food service guidelines for restricting student access to vending machines. For more information regarding these policies and guidelines see the District Nurse or District Foodservice Director. [See policies at CO and FFA.]

Policies and Procedures that Promote Student Physical and Mental Health (All Grade Levels)

The district has adopted board policies that promote student physical and mental health. (LOCAL) policies on the topics below can be found in the district's policy manual, available at: www.cueroisd.org.

- Food and nutrition management: CO, COA, COB
- Wellness and Health Services: FFA
- Physical Examinations: FFAA
- Immunizations: FFAB
- Medical Treatment: FFAC
- Communicable Diseases: FFAD

- School-Based Health Centers: FFAE
- Care Plans: FFAF
- Crisis Intervention: FFB
- Trauma-informed Care: FFBA
- Student Support Services: FFC
- Student Safety: FFF
- Child Abuse and Neglect: FFG
- Freedom from Discrimination, Harassment, and Retaliation: FFH
- Freedom from Bullying: FFI

In addition, the District Improvement Plan details the district's strategies to improve student performance through evidence-based practices that address physical and mental health. The district has developed administrative procedures as necessary to implement the above policies and plans.

Please contact campus principal at (361) 275-1900 for further information regarding these procedures and access to the District Improvement Plan.

HOMELESS STUDENTS (ALL GRADE LEVELS)

You are encouraged to inform the district if you or your child are experiencing homelessness. District staff can share resources with you that may be able to assist you and your family.

For more information on services for homeless students, contact the district's Liaison for Homeless Children and Youths, Dr. Pam Longbotham, at 361-275-1922.

HONOR ROLL

To be named to the honor roll a student must receive honor grades in all subjects. Honor roll information will be released at the end of each six-weeks grading period.

- All A Honor Roll: Students must make no grade below "90" in any subject.
- A-B Honor Roll: Students must make no grade below "80" in any subject, and have at least one "A" in an academic class.

NOTE: There can be no conduct grade of "U" in any subject in order to be considered for either the "A" or "A-B" Honor Roll.

HONORS CLASSES

Cuero Junior High School and Cuero High School have an open "honors" program. Once a student withdraws from an honors class during the school year, they may not re-enter that particular class without the teacher's approval. Honors classes cover material more quickly and in greater depth than the regular classes. The content of the classes and the expectations of the teacher will not be reduced in order to accommodate grades. Students having difficulty maintaining their grades will be placed in a regular class setting. The regular classes will give a

student all the experience and knowledge necessary to successfully reach any educational level desired by the student. Students will be expected to maintain an 90 average to remain in the classes..

LAW ENFORCEMENT AGENCIES (ALL GRADE LEVELS)

QUESTIONING OF STUDENTS

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation. In other circumstances:

- The principal will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student at school.
- The principal ordinarily will make reasonable efforts to notify the parents unless the interviewer raises what the principal considers to be a valid objection.
- The principal ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection.

STUDENTS TAKEN INTO CUSTODY

State law requires the district to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court.
- To comply with the laws of arrest.
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision.
- By a law enforcement officer to obtain fingerprints or photographs for comparison in an investigation.
- By a law enforcement officer to obtain fingerprints or photographs to establish a student's identity, where the child may have engaged in conduct indicating a need for supervision, such as running away.
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court.
- By an authorized representative of Child Protective Services (CPS), Texas Department of Family and Protective Services (DFPS), a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student's physical health or safety.
- To comply with a properly issued directive from a juvenile court to take a student into custody.

Before a student is released to a law enforcement officer or other legally authorized person, the principal will verify the officer's identity and, to the best of his or her ability, will verify the official's authority to take custody of the student.

The principal will immediately notify the superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a student's release to a law enforcement officer, any notification will most likely be after the fact.

NOTIFICATION OF LAW VIOLATIONS

The district is required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been taken into custody, arrested or referred to the juvenile court for any felony offense or for certain misdemeanors.
- All instructional and support personnel who have regular contact with a student who is thought to have committed certain offenses, or who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated for delinquent conduct for any felony offense or certain misdemeanors.
- All appropriate personnel in regards to a student who is required to register as a sex offender.

[For further information, see policy FL(LEGAL).]

LEAVING CAMPUS (ALL GRADE LEVELS)

Please remember that student attendance is crucial to learning. We ask that appointments be scheduled outside of school hours as much as reasonably possible. Also note that picking up a student early on a regular basis results in missed opportunities for learning. Unless the principal has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the school day.

State rules require that parental consent be obtained before any student is allowed to leave campus for any part of the school day. The district has put the following procedures in place in order to document parental consent:

- For students in elementary and middle school, a parent or otherwise authorized adult must come to the office and sign the student out. Please be prepared to show identification. Once an identity is verified, a campus representative will then call for the student or collect the student and bring him or her to the office. For safety purposes and stability of the learning environment, we cannot allow you to go to the classroom or other area unescorted to pick up the student. If the student returns to campus the same day, the parent or authorized adult must sign the student back in through the main office upon the student's return. Documentation regarding the reason for the absence will also be required.
- For students in high school, the same process will be followed. If the student's parent will authorize the student to leave campus unaccompanied, a note provided by the parent must be submitted to the main office in advance of the absence, no later than two hours prior to the student's need to leave campus. A phone call received from the parent may be accepted, but the school may ultimately require a note to be submitted for documentation purposes. Once the office has received information that the student's parent consents to the student leaving campus, a pass will be issued to the student to hand to his or her teacher with the necessary information.

- If a student becomes ill during the school day and the school nurse or other district personnel determines that the student should go home, the nurse will contact the student's parent and document the parent's wishes regarding release from school. Unless directed by the parent to release the student unaccompanied, the parent or other authorized adult must follow the sign-out procedures as listed above. If a student is allowed to leave campus by himself or herself, as permitted by the student's parent, or if the student is age 18 or is an emancipated minor, the nurse will document the time of day the student was released. Under no circumstances will a student in elementary or middle school be released unaccompanied by a parent or adult authorized by the parent.

<p>LEAVING CAMPUS DURING LUNCHTIME</p>	<p>Students in grades 10-12 shall be permitted to leave campus during lunch.</p>
	<p>Students in other grades shall not be permitted to leave campus during lunch except as approved by the principal, on a case-by-case basis in response to a parent's written request.</p>
<p>ALL STUDENTS</p>	<p>Students who violate this policy or leave campus at any time without administrative approval shall be subject to disciplinary action in accordance with the <i>Student Code of Conduct</i>.</p>

MAKEUP WORK

MAKEUP WORK BECAUSE OF ABSENCE (ALL GRADE LEVELS)

For any class missed, the teacher may assign the student makeup work based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills or in meeting subject or course requirements.

A student will be responsible for obtaining and completing the makeup work in a satisfactory manner. A student who does not make up assigned work within one week of the absence will receive a grade of zero for the assignment.

A student is encouraged to speak with his or her teacher if the student knows of an absence ahead of time, including absences for extracurricular activities, so that the teacher and student may plan any work that can be completed before or shortly after the absence. Please remember the importance of student attendance at school and that, even though absences may be excused or unexcused, all absences account for the 90 percent threshold in regards to the state laws surrounding “attendance for credit or final grade.” [See **Attendance for Credit or Final Grade.**]

A student involved in an extracurricular activity must notify his or her teachers ahead of time about any absences.

A student will be permitted to make up tests and to turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with time lines approved by the principal and previously communicated to students.

DAEP MAKEUP WORK

A student removed to a Disciplinary Alternative Education Program (DAEP) during the school year will have an opportunity to complete, before the beginning of the next school year, a foundation curriculum course in which the student was enrolled at the time of removal. The district may provide the opportunity to complete the course through an alternative method, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district. [See policy FOCA(LEGAL).]

In-school Suspension (ISS) Makeup Work (All Grade Levels)

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district. [See policy FO(LEGAL).]

NONDISCRIMINATION STATEMENT

In its efforts to promote nondiscrimination and as required by law, the Cuero ISD does not discriminate on the basis of race, religion, color, national origin, gender, sex, disability, age, or any other basis prohibited by law, in providing education services, activities, and programs, including CTE programs, and provides equal access to the Boy Scouts and other designated youth groups. The following district representatives have been designated to coordinate compliance with these legal requirements:

- Title IX Coordinator, for concerns regarding discrimination on the basis of sex: Dr. Pam Longbotham, Cuero Administration Offices, 960 East Broadway, Cuero, TX 77954. Phone: 361-275-1922.
- ADA/Section 504 Coordinator, for concerns regarding discrimination on the basis of disability: Dr. Pam Longbotham, Cuero Administration Offices, 960 East Broadway, Cuero, TX 77954. Phone: 361-275-1922.
- All other concerns regarding discrimination: See the superintendent: Cuero Administration Offices, 960 East Broadway, Cuero, TX 77954. Phone: 361-275-1914.

NONTRADITIONAL ACADEMIC PROGRAMS (ALL GRADE LEVELS)

[See **Requirements for a Diploma.**]

PARENT AND FAMILY ENGAGEMENT (ALL GRADE LEVELS)

Working Together

Both experience and research tell us that a child's education succeeds best when there is good communication and a strong partnership between home and school.

Your involvement and engagement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child's school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the school counselor or principal any questions you may have about the options and opportunities available to your child.
- Reviewing the requirements and options for graduation with your child in middle school and again while your child is enrolled in high school.
- Monitoring your child's academic progress and contacting teachers as needed. [See **Academic Counseling.**]
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, school counselor, or principal, please call the school office at for an appointment. The teacher will usually return your call or meet with you during his or her conference period, before or after school. [See **Report Cards/Progress Reports and Conferences** on.]
- Becoming a school volunteer. [For further information, see policy GKG and **Volunteers**]
- Participating in campus parent organizations.

- Serving as a parent representative on the district-level or campus-level planning committees, assisting in the development of educational goals and plans to improve student achievement. [For further information, see policies at BQA and BQB, and contact the superintendent's office at 361-275-1914.
- Serving on the School Health Advisory Council (SHAC), assisting the district in ensuring local community values are reflected in health education instruction and other wellness issues. [See policies at BDF, EHAA, FFA, and information in this handbook at **School Health Advisory Council (SHAC)**}]
- Being aware of the school's ongoing bullying and harassment prevention efforts.
- Contacting school officials if you are concerned with your child's emotional or mental well-being.
- Attending board meetings to learn more about district operations. [See policies at BE and BED for more information.]

PLEDGES OF ALLEGIANCE AND A MINUTE OF SILENCE (ALL GRADE LEVELS)

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge. [See **Reciting the Pledges to the U.S. and Texas Flags.**]

State law requires one minute of silence follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. [See policy EC(LEGAL) for more information.]

PRAYER (ALL GRADE LEVELS)

Each student has a right to pray individually, voluntarily, and silently or to meditate in school in a manner that does not disrupt instructional or other activities of the school. The school will not encourage, require, or coerce a student to engage in or to refrain from such prayer or meditation during any school activity.

PROMOTION AND RETENTION

A student will be promoted only on the basis of academic achievement or demonstrated proficiency in the subject matter of the course or grade level, the recommendation of the student's teacher, the score received on any criterion-referenced or state-mandated assessment, and any other necessary academic information as determined by the district.

In addition, at certain grade levels a student—with limited exceptions—will be required to pass the State of Texas Assessments of Academic Readiness (STAAR), if the student is enrolled in a public Texas school on any day between January 1 and the date of the first administration of the STAAR.

ELEMENTARY AND MIDDLE/JUNIOR HIGH GRADE LEVELS

In order to be promoted to grade 6, students enrolled in grade 5 must perform satisfactorily on the mathematics and reading sections of the grade 5 assessment in English or Spanish.

In order to be promoted to grade 9, students enrolled in grade 8 must perform satisfactorily on the mathematics and reading sections of the grade 8 assessment in English.

If a student in grade 5 or 8 is enrolled in a course that earns high school credit and for which an end-of-course (EOC) assessment will be administered, the student will not be subject to the promotion requirements described above for the relevant grade 5 or 8 assessment. This student will instead take the corresponding EOC assessment.

If a student in grades 3–8 is enrolled in a class or course intended for students above his or her current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state-mandated assessment only for the course in which he or she is enrolled, unless otherwise required to do so by federal law.

A student in grade 5 or 8 will have two additional opportunities to take a failed assessment. If a student fails a second time, a grade placement committee, consisting of the principal or designee, the teacher, and the student's parent, will determine the additional special instruction the student will receive. After a third failed attempt, the student will be retained; however, the parent can appeal this decision to the committee. In order for the student to be promoted, based on standards previously established by the district, the decision of the committee must be unanimous and the student must complete additional special instruction before beginning the next grade level. Whether the student is retained or promoted, an educational plan for the student will be designed to enable the student to perform at grade level by the end of the next school year. [See policy EIE.]

Certain students—some with disabilities and some classified as English language learners—may be eligible for exemptions, accommodations, or deferred testing. For more information, see the principal, school counselor, or special education director.

Parents of a student at or above grade level 3 who does not perform satisfactorily on his or her state-mandated examinations will be notified that their child will participate in special instructional programs designed to improve performance. The student may be required to participate in this instruction before or after normal school hours or outside of the normal school year. Failure of a student to attend these programs may result in violations of required school attendance as well as the student not being promoted to the next grade level.

A Personal Graduation Plan (PGP) will be prepared for any student at the middle school or junior high level who did not perform satisfactorily on a state-mandated assessment or is determined by the district as not likely to earn a high school diploma before the fifth school year following enrollment in grade 9. The PGP will be designed and implemented by a school counselor, teacher, or other staff member designated by the principal. The plan will, among other items, identify the student's educational goals, address the parent's educational expectations for the student, and outline an intensive instruction program for the student. [For additional information, see the school principal and policy EIF(LEGAL).] For a student receiving special education services, the student's IEP may serve as the student's PGP and would therefore be developed by the student's ARD committee.

[For information related to the development of personal graduation plans for high school students, see **Personal Graduation Plans**.]

HIGH SCHOOL GRADE LEVELS

To earn credit in a course, a student must receive a grade of at least 70 based on course-level or grade-level standards.

A student in grades 9–12 will be advanced a grade level based on the number of course credits earned. [See **Grade Level Classification**.]

Students will also have multiple opportunities to retake EOC assessments. [See **Graduation and Standardized Testing** for more information about EOC assessments.]

REPORT CARDS/PROGRESS REPORTS AND CONFERENCES

Report cards with each student's grades or performance and absences in each class or subject, including courses taken through credit recovery, are issued at least once every six weeks. Grades for courses taken through credit recovery that are issued at progress report or report card time will be considered in determining UIL eligibility.

At the end of the first three weeks of a grading period, parents will receive a progress report if their child's performance in any course, including a course taken through credit recovery, is near or below 70, or is below the expected level of performance. If the student receives a grade lower than 70 in any class or subject at the end of a grading period, the parent may request to schedule a conference with the teacher of that class or subject. [See **Working Together** for how to schedule a conference.]

Teachers follow grading guidelines that have been approved by the principal or superintendent and are designed to reflect each student's academic achievement for the grading period, semester, or course. State law provides that a test or course grade issued by a teacher cannot be changed unless the board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the district's grading policy. [See policy EIA(LOCAL) and **Grading Guidelines**.]

Questions about grade calculation should first be discussed with the teacher; if the question is not resolved, the student or parent may request a conference with the principal in accordance with FNG(LOCAL).

The report card or unsatisfactory progress report may state whether tutorials are required for a student who receives a grade lower than 70 in a class or subject.

The district may use an electronic program to communicate academic information about your child, including for report card and progress reporting purposes. An electronic signature of the parent will be accepted by the district, but you are entitled to request the option to provide a handwritten signature of acknowledgment instead.

RETALIATION

[See **Dating Violence, Discrimination, Harassment, and Retaliation**.]

SAFETY (ALL GRADE LEVELS)

Student safety on campus and at school-related events is a high priority of the district. Although the district has implemented safety procedures, the cooperation of students is essential to ensuring school safety. A student is expected to:

- Avoid conduct that is likely to put the student or others at risk.
- Follow the behavioral standards in this handbook and the *Student Code of Conduct*, as well as any additional rules for behavior and safety set by the principal, teachers, or bus drivers.
- Remain alert to and promptly report to a teacher or the principal any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member.
- Know emergency evacuation routes and signals.

- Follow immediately the instructions of teachers, bus drivers, and other district employees who are overseeing the welfare of students.

ACCIDENT INSURANCE

Soon after the school year begins, parents will have the opportunity to purchase low-cost accident insurance that would help meet medical expenses in the event of injury to their child.

PREPAREDNESS DRILLS: EVACUATION, SEVERE WEATHER, AND OTHER EMERGENCIES

From time to time, students, teachers, and other district employees will participate in preparedness drills of emergency procedures. When the command is given or alarm is sounded, students need to follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

Preparedness Training: CPR and Stop the Bleed

The district will annually offer instruction in CPR at least once to students enrolled in in grades 7–12. The instruction can be provided as part of any course and is not required to result in CPR certification.

The district will annually offer students in grades 7–12 instruction on the use of bleeding control stations to respond to traumatic injury. For more information, see Homeland Security’s Stop the Bleed and Stop the Bleed Texas.

EMERGENCY SCHOOL-CLOSING INFORMATION

Each year, parents are asked to complete an emergency release form to provide contact information in the event that school is dismissed early because of severe weather or opening is delayed another emergency or if the campus must restrict access due to a security threat.

The district will rely on contact information on file with the district to communicate with parents in an emergency situation, which may include real-time or automated messages. It is crucial to notify your child’s school when a phone number previously provided to the district has changed. In case of emergency, school personnel and students will be notified of school closing by radio and television stations.

SCHEDULE CHANGES

CUERO HIGH SCHOOL

All students are given the opportunity to select their courses for the next school year during the pre-registration process. The master schedule is then designed to accommodate the students' requests. Schedule changes can result in overcrowding of classes, which reduces teacher availability for addressing individual student needs.

Schedule changes must be made before the end of the first week of school.

Students must:

- meet with their Counselor,
- complete schedule change form,
- get form signed by parent/guardian, and
- return form to Counseling Office before the end of the first week of each semester.

Schedule changes will be made for the following reasons:

- course for graduation is not scheduled,
- already have credit for a course, and
- school error.

Level Changes:

Level schedule changes (i.e., a Pre-AP/AP course to a regular course) should be made by the end of the third week of school when the first progress reports come out or at the end of the semester. Before any level schedule changes are considered, the following interventions and/or strategies are highly recommended:

- Attend tutorials before and/or after school.
- Attend class daily.
- Complete missing assignments.
- Schedule a parent-teacher conference.

The grades earned at the previous level of the course will transfer with the student to the new course. Failure to complete required summer reading assignments or failure on the summer reading assessment will result in a level schedule change (for example from Pre-AP to Regular). Any student with an average below 70% in a Pre-AP/AP course at semester may be removed from that course.

SCHOOL FACILITIES

USE BY STUDENTS BEFORE AND AFTER SCHOOL (ALL GRADE LEVELS)

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place.

Unless the teacher or sponsor overseeing an activity gives permission, a student will not be permitted to go to another area of the building or campus.

After dismissal of school in the afternoon, unless a student is involved in an activity under the supervision of a teacher or other authorized employee or adult, or unless students are granted permission to remain on campus in accordance with policy FNAB, students must leave campus immediately.

CONDUCT BEFORE AND AFTER SCHOOL (ALL GRADE LEVELS)

Teachers and administrators have full authority over student conduct at before- or after-school activities on district premises and at school-sponsored events off district premises, such as play rehearsals, club meetings, athletic practices, and special study groups or tutorials. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to consequences established by the *Student Code of Conduct* or any stricter standards of behavior established by the sponsor for extracurricular participants.

USE OF HALLWAYS DURING CLASS TIME (ALL GRADE LEVELS)

Loitering or standing in the halls during class is not permitted. During class time, a student must have a hall pass to be outside the classroom for any purpose. Failure to obtain a pass will result in disciplinary action in accordance with the *Student Code of Conduct*.

CAFETERIA SERVICES (ALL GRADE LEVELS)

The district participates in the School Breakfast Program and National School Lunch Program and offers students nutritionally balanced meals daily in accordance with standards set forth in state and federal law.

Free and reduced-price meals are available based on financial need or household situation. Information about a student’s participation is confidential; however, disclosure of a student’s eligibility may be made without prior notice or consent to programs, activities, and individuals that are specifically authorized access under the National School Lunch Act (NSLA), which is the law that sets forth the disclosure limits for the district’s child nutrition programs. A student’s name, eligibility status, and other information may be disclosed to certain agencies as authorized under the NSLA to facilitate the enrollment of eligible children in Medicaid or the state children’s health insurance program (CHIP) unless the student’s parent notifies the district that a student’s information should not be disclosed. A parent’s decision will not affect the student’s eligibility for free and reduced price meals or free milk. See campus offices to apply for free or reduced price meal services.

The cafeteria serves breakfast each morning at 7:30 a.m. All meals must be consumed inside the cafeteria. This includes snack bar items and lunches brought from home.

Students are asked to leave all tables and chairs in order, take all dishes and eating utensils to the disposal station, and deposit trash in the proper trash receptacle.

Regular Priced Meals

- Breakfast \$1.30
- Lunch \$2.65

Reduced Price Meals

- Breakfast \$0.30
- Lunch \$0.40

CAFETERIA CHARGING GUIDELINES

In an effort to combat excessive student charges, Cuero ISD implemented the following cafeteria charging guidelines effective August 1, 2016.

Students will be allowed to charge five lunch meals. After this limit is met, students will be offered an alternative meal of a ham and cheese sandwich and milk for lunch. **No charging will be allowed at breakfast or at the snack bar.**

Employees and visitors will not be allowed to charge at the cafeteria. NO EXCEPTIONS.

Parents may view their child's account online at www.myschoolbucks.com. The online site offers reminder emails to parents about low account balances on their child's account. Please see the Food Service website at www.cueroisd.org for instructions.

Food Service will attempt different ways to alert parents about first and second charges.

Parents are encouraged to prepay. Payments may be made in the following ways:

- Cash or check brought by the student to the cafeteria
- Parents bring payment to the cafeteria
- Online at www.myschoolbucks.com

All positive balances will transfer over to the next year. Refunds must be requested in writing, please see cafeteria for information.

LIBRARY (ALL GRADE LEVELS)

The library is a learning laboratory with books, computers, magazines, and other materials available for classroom assignments, projects, and reading or listening pleasure. There is a varied collection of diversified subjects and should be used by students to aid in lesson assignments or to provide recreation through reading. A quiet, restful atmosphere should be maintained at all times; however, students are free to move about as long as they do not interfere with others who are working. If they disturb others, they will be asked to leave the library. When conduct is unsatisfactory, a student may be expelled from the library for a given period, the length being determined by the librarian in relation to the seriousness of the offense.

All books except reference books may be checked out for two weeks, subject to renewal. A fine of five cents a day is charged on overdue books; five cents per period on reserved books. All library fines must be paid before a student is allowed to check out another book. Books overdue due to a student's illness must be returned to the library on the student's first day back at school. Each student is held responsible for all books he has checked out and all fines he has acquired on the books. Students shall be expected to pay for lost books or damaged books beyond reasonable repair. Library fines will be paid to the librarian.

MEETINGS OF NONCURRICULUM-RELATED GROUPS (SECONDARY GRADE LEVELS ONLY)

Student-organized, student-led noncurriculum-related groups are permitted to meet during the hours designated by the principal before and after school. These groups must comply with the requirements of policy FNAB(LOCAL).

A list of these groups is available in the principal's office.

SEARCHES

In the interest of promoting student safety and attempting to ensure that schools are safe and drug free, district officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

STUDENTS' DESKS AND LOCKERS (ALL GRADE LEVELS)

Students' desks and lockers are school property and remain under the control and jurisdiction of the school even when assigned to an individual student.

Students are fully responsible for the security and contents of their assigned desks and lockers. Students must be certain that their lockers are locked, and that the combinations are not available to others.

Searches of desks or lockers may be conducted at any time there is reasonable cause to believe that they contain articles or materials prohibited by policy, whether or not a student is present.

The parent will be notified if any prohibited items are found in the student's desk or locker.

TELECOMMUNICATIONS AND OTHER ELECTRONIC DEVICES (ALL GRADE LEVELS)

Use of district-owned equipment and its network systems is not private and will be monitored by the district. [See policy CQ for more information.]

Any searches of personal telecommunications or other personal electronic devices will be conducted in accordance with law, and the device may be confiscated in order to perform a lawful search. A confiscated device may be turned over to law enforcement to determine whether a crime has been committed.

[See policy FNF(LEGAL) for more information.]

VEHICLES ON CAMPUS (SECONDARY GRADE LEVELS ONLY)

A student has full responsibility for the security and content of his or her vehicle parked on district property and must make certain that it is locked and that the keys are not given to others. [See also the *Student Code of Conduct*.]

Vehicles parked on district property are under the jurisdiction of the district. School officials may search any vehicle any time there is reasonable cause to do so, with or without the permission of the student. If a vehicle subject to search is locked, the student will be asked to unlock the vehicle. If the student refuses, the student's parent will be contacted. If a search is also refused by the student's parent, the district will turn the matter over to law enforcement. The district may, in certain circumstances, contact law enforcement even if permission to search is granted.

TRAINED DOGS (ALL GRADE LEVELS)

The district will use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol. At any time, trained dogs may be used around lockers and the areas around vehicles parked on school property. Searches of classrooms, common areas, or student belongings may also be conducted by trained dogs when students are not present. An item in a classroom, a locker, or a vehicle to which a trained dog alerts may be searched by school officials.

METAL DETECTORS

[For further information, see policy FNF(LOCAL).]

DRUG-TESTING

As per FNF(LOCAL):

INTERROGATIONS BY SCHOOL OFFICIALS	Administrators, teachers, and other professional personnel may <i>question a student regarding the student's own conduct or the conduct</i> of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves.
BY POLICE OR OTHER AUTHORITIES	For provisions pertaining to student questioning by law enforcement officials or other lawful authorities, see GRA (LOCAL).
LOCKERS AND VEHICLES	<p>Students have full responsibility for the security of their lockers, and for vehicles parked on school property. It is the student's responsibility to ensure that lockers and vehicles are locked and that the keys and combinations are not given to others. Students shall not place, keep, or maintain any article or material that is forbidden by District policy in lockers or in vehicles parked on school property.</p> <p>School officials may search lockers or vehicles parked on school property if there is reasonable cause to believe that they contain articles or materials prohibited by District policy. Students shall be responsible for any prohibited items found in their lockers or in vehicles parked on school property.</p> <p>If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle. If the student refuses, the District shall contact the student's parents. If the parents also refuse to permit a search of the vehicle, the District may turn the matter over to local law enforcement officials.</p>
USE OF TRAINED DOGS	<p>The District shall use specially trained nonaggressive dogs to sniff out and alert officials to the current presence of concealed prohibited items, illicit substances defined in FNCF (LEGAL), and alcohol. This program is implemented in response to drug- and alcohol-related problems in District schools, with the objective of maintaining a safe school environment conducive to education.</p> <p>Such visits to schools shall be unannounced. The dogs shall be used to sniff vacant classrooms, vacant common areas, the areas around student lockers, and the areas around vehicles parked on school property. The dogs shall not be used with students. If a dog alerts to a locker, a vehicle, or an item in a classroom, it may be searched by school officials. Searches of vehicles shall be conducted as described above.</p>
NOTICE	<p>At the beginning of the school year, the District shall inform students of the District's policy on searches, as outlined above, and shall specifically notify students that:</p> <ol style="list-style-type: none">1. Lockers may be sniffed by trained dogs at any time.2. Vehicles parked on school property may be sniffed by trained dogs at any time.3. Classrooms and other common areas may be sniffed by trained dogs at any time when students are not present.

4. If contraband of any kind is found, the possessing student shall be subject to appropriate disciplinary action in accordance with the Student Code of Conduct.

PARENT
NOTIFICATION

The student's parent or guardian shall be notified if any prohibited articles or materials are found in a student's locker, in a student's vehicle parked on school property, or on the student's person, as a result of a search conducted in accordance with this policy.

REASONABLE
SUSPICION
ALCOHOL AND
CONTROLLED
SUBSTANCE
TESTING

Under the District's own authority, the Superintendent or designee may require a student to undergo controlled drug/alcohol testing to determine whether the student is using or is under the influence of a controlled substance or alcohol. Such an examination may be required when the Superintendent or designee has reasonable cause to believe that the student is using or is under the influence of a controlled substance or alcohol while at school or at school-related activities. The District's determination that reasonable cause exists to require the alcohol or controlled substance test shall be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the student, or indications of the chronic and withdrawal effects of controlled substances.

The person authorized to require controlled drug/alcohol testing under this policy shall have received at least 60 minutes of training on alcohol misuse and an additional 60 minutes of training on controlled substance use. The training shall cover the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances.

The controlled drug/alcohol testing shall be completed by an examiner chosen by the District and shall be at the District's expense. If, in the Superintendent's discretion, the circumstances so require, the student may be placed in an alternative educational setting pending the results of the examination.

A student confirmed to have violated the District's alcohol or controlled substances policy [see FNCF (LEGAL)] by either being under the influence or using alcohol or controlled substances while at school or at a school-related activity shall be subject to appropriate disciplinary action in accordance with the Student Code of Conduct.

CONFIDENTIAL-
ITY

Results shall be kept confidential and disclosed only to the student, his or her parents, and school officials designated by the Superintendent.

APPEAL

The student or parent may appeal any sanctions imposed under this policy by giving written notice to the Superintendent within fifteen days. The student shall be subject to the imposed consequences subject to the appeal. In accordance with provisions at FNG (LOCAL) regarding Level Three complaints, the Board shall determine whether the sanction was justified.

RANDOM DRUG
TESTING FOR
SPECIFIC GROUPS
OF STUDENTS

The District encourages students to participate in school-sponsored co-curricular and extracurricular activities and believes that the opportunity to participate in such activities, as well as the opportunity to drive to school and park on school property, and for eligible students to leave campus during lunchtime, are privileges offered to students on an equal opportunity basis.

RATIONALE

The District believes drug testing student participants in school-sponsored co-curricular and extracurricular activities, as well as students who drive to school and park on school property and/or leave campus during lunchtime, serves the important purpose of detecting and preventing illegal drug use among students. Furthermore, implementing this policy shall serve the following objectives:

1. To provide students a deterrent to the use of illegal drugs and alcohol;
2. To give students a valid reason to resist peer pressure to use illegal drugs and alcohol;
3. To prevent injury, illness, and harm as a result of the use of the illegal drugs and alcohol;
4. To maintain a school environment free of drug and alcohol use and its effects; and

5. To educate students as to the serious physical, mental, and emotional harm caused by the use of illegal drugs and alcohol.

“School-sponsored co-curricular or extracurricular activity” shall mean, without limitation, all grade 7–12 interscholastic athletics, cheerleading, academic UIL, special interest clubs and organizations, groups that perform musical performances or dramatic productions, student government, and any other activity or group that participates in contests, competitions, or community service projects on behalf of or as a representative of the District.

DRIVING AND PARKING

Driving and parking on campus by District students is a privilege and not a right. The privilege of driving and parking on campus is considered similar to the privilege of participating in co-curricular and extracurricular activities and implies its own safety concerns for other students and staff members. Therefore, the District has chosen to include students who drive to school and park on campus in the requirements of the random drug-testing policy adopted by the Board. If a student refuses to participate in the random drug-testing program, he or she will not be allowed to drive or park on campus.

OPEN CAMPUS

The option to leave campus during lunchtime for grade 10–12 students (open campus) is a privilege and not a right. The privilege of leaving campus during lunch is considered similar to the privilege of participating in co-curricular or extracurricular activities and implies its own safety concerns for other students and staff members. Therefore, the District has chosen to include grade 10–12 students who leave campus during lunchtime in the requirements of the random drug-testing policy adopted by the Board. If a student refuses to participate in the random drug-testing policy, he or she will not be allowed to leave campus during lunchtime.

REQUIRED TESTING

To be eligible to participate in any school-sponsored co-curricular or extracurricular activity, or to be eligible for parking or open campus lunch privileges, a secondary student must agree to participate in a drug-testing program that includes random testing during the school year.

USE OF RESULTS

The results of any drug test administered under this policy shall be used only to determine eligibility for participation in school-sponsored co-curricular or extracurricular activities, for parking, and/or for open campus privileges.

CONFIDENTIALITY

Results shall be kept confidential and shall be disclosed only to the student, his or her parents/guardians, and school officials designated by the Superintendent. Results shall not be placed in students’ permanent files with other student records.

PROHIBITED CONDUCT

Student participants in school-sponsored co-curricular or extracurricular activities, students eligible for parking, and/or students eligible for open campus lunch privileges shall not at any time during the school year use, possess, sell, distribute, or be under the influence of any illegal or dangerous drug.

PARENT / STUDENT MEETING

Parents shall be duly informed of this policy in a timely manner. The drug-testing plan shall be discussed and copies of the policy, procedures, and consent form shall be provided for each participant at that time.

CONSENT FORM

Student participants shall be required to sign a consent form agreeing to participate in the drug-testing program. The consent form must also be signed by the student’s parent or guardian before the beginning of the school year or at the time of enrollment if enrolled after the beginning of the school year. Consent forms shall be valid until revoked by the student or parent. If the student participant or his or her parent or guardian declines to sign the consent form, the student shall not be permitted to participate in school-sponsored co-curricular or extracurricular activities, to be allowed to drive or park on campus, or to leave campus during lunch.

TESTING PROCEDURE

A licensed medical facility or third-party administrator, selected by the Superintendent and approved by the Board, shall conduct testing for the presence of drugs or other contraband in student urine and/or saliva

samples. The principal or designee shall be the program manager and shall administer the program with the selected drug-testing provider.

Substances specifically tested for may include substances that are illegal to buy, possess, use, sell, or distribute under state or federal law, including prescription drugs and alcohol. These substances include marijuana, cocaine, methaqualone, benzodiazepines, phencyclidine (PCP), methadone, barbiturates, propoxyphene, amphetamines/methamphetamines, opiates, metabolites of any of these substances, and performance-enhancing substances.

Tests may also be run for synthetic marijuana (commonly known as “Spice,” “K2,” and possibly other names), synthetic cocaine (commonly known as bath salts) and other over-the-counter substances that may cause impairment of physical and mental faculties.

Prior to each testing and before students have been selected to be tested, the District shall inform the drug-testing provider of the specific panels of substances to be included in that test. A percentage of student participants shall be selected on a random basis. In addition to the students chosen by random selection, any students who had a prior confirmed positive test result shall be tested according to the provisions at SANCTIONS, below.

Samples shall be taken under conditions that are no more intrusive to students than the conditions experienced in a public restroom (for urine sample). All aspects of the drug/alcohol use testing program shall be conducted in a manner that shall safeguard the personal and privacy rights of students to the maximum degree possible.

A staff member shall be designated to accompany each student to a restroom or other private area where the sample is to be produced under the supervision of a designated health-care professional. The monitor(s) shall not observe the student while the sample is being produced but shall remain within hearing distance in order to guard against tampered samples and to ensure an accurate chain of custody of the sample.

If at any time during the sampling procedure a monitor has reason to believe that a student is tampering with the sample, it shall be determined if a new sample should be obtained.

The principal or designee, in cooperation with the selected drug-testing provider, shall develop administrative regulations for collection and testing.

Any student who refuses to be tested, who tampers with any sample, or assists others in tampering with any sample shall be removed from all co-curricular and/or extracurricular activities and/or shall have his or her parking and/or open campus privileges taken away for the period of time specified at SANCTIONS, below. Such a violation shall be counted as a positive result.

Random tests shall be conducted and may occur at any time. Students shall not be notified in advance of any drug test. If a student is in school and fails to report for testing at the appointed time, he or she shall be removed from all co-curricular or extracurricular activities and/or will have parking and/or open campus privileges taken away for the period of time specified at SANCTIONS, below. Failure to report for testing shall be counted as a positive result, and refusal to test shall be counted as a positive result.

TESTING SCHEDULE

POSITIVE TEST RESULTS

Any participant testing positive shall be tested during each testing session for a calendar year following the date of the positive result.

Initial results will be reported to the school principal or designee by the testing service provider. When there is an initial positive test result, the following steps shall be taken:

6. An initial positive test shall be confirmed by a second test of the same specimen.
7. The testing entity may use quantitative results to determine if positive results on repeat testing indicate recent use of illegal drugs or the natural decline of levels of the illegal drug from the body. If the testing entity feels the quantitative levels do not reflect current use, then a negative result may be reported.
8. If a confirmed positive test is received, the principal or designee shall notify the student, the student's parent or guardian if under 18, and the sponsor or coach of the affected activity. The principal or designee shall schedule a meeting or phone conference with the student and the student's parent or guardian if under 18 for the purpose of developing a plan of assistance for the student.
9. At the meeting or phone conference, the principal or designee shall give to the student and the student's parent or guardian if under 18 a copy of the test results and shall provide them an opportunity to offer an explanation for the results.
10. Any explanation for the presence of a prescription drug must be accompanied by a valid prescription in the student's name at the time of the positive test.

SANCTIONS

The following sanctions shall be imposed:

FIRST POSITIVE TEST RESULT

After the first positive test result, the following sanctions shall be imposed:

1. The student shall be restricted from any extracurricular or co-curricular activities, from driving and parking on campus, and/or from open campus lunch privileges for a period of 15 calendar days. The restriction shall begin upon receipt of confirmation and notification to the Superintendent.
2. The student shall complete a drug-counseling program approved by the District at the parent's expense. The District shall notify the parent and student of drug and alcohol counseling programs available at DeWitt County Juvenile Probation Department. The student shall show proof that the student has started drug counseling within ten days of the student/parent meeting and must show proof of successful completion of the program. If the student refuses counseling, the consequences of a second confirmed positive drug test shall be imposed.
3. The student shall be retested at each random testing date for one calendar year.

SECOND POSITIVE TEST RESULT

After the second positive test result, the following sanctions shall be imposed:

1. The student shall be restricted from any extracurricular or co-curricular activities, from driving and parking on campus, and/or from open campus lunch privileges for a period of 90 calendar days. The restriction shall begin upon receipt of confirmation and notification to the Superintendent.
2. The student shall complete a drug-counseling program approved by the **District at the parent's expense.** The District shall notify the parent and student of drug and alcohol counseling **programs available in the area, particularly programs that are free of charge.** The student shall show proof that the student has started drug counseling within ten days of the student/parent meeting and must show proof of successful completion of the program. If the student refuses counseling, the consequences of a third confirmed positive drug test shall be imposed.
3. The student shall be retested at each random testing date for one calendar year.

THIRD POSITIVE TEST RESULT

After the third confirmed positive test result, the student shall be permanently restricted from all co-curricular and/or extracurricular activities. For students who drive and/or park on campus or leave campus for lunch, the student's parking and/or open campus privileges will be revoked permanently.

Test results shall be cumulative from grade 7 through grade 8, and suspensions from activities and privileges shall carry over from season to season and from school year to school year. Test results shall also be cumulative from grade 9 through grade 12, and suspensions from activities and privileges shall carry over from season to season and from school year to school year.

During the period of sanctions, the student shall be permitted to continue full participation in practices or rehearsals, except for the period following a third confirmed positive test result.

REINSTATEMENT

A student who chooses to cease all participation in co-curricular or extracurricular activities, who chooses to not drive and park on campus, or who chooses not to participate in the open campus lunch privilege after a positive drug test may later seek reinstatement to any or all of the activities in which the student formerly participated. Conditions for reinstatement shall include the following:

1. The student must receive the written permission of the principal and coach/sponsor to return to the activity.
2. The student must first participate in the next random testing opportunity and produce a negative result.
3. The student must complete any remaining counseling and the suspension from activities as of the date the student withdrew from participation in the activities.

One calendar year following the third positive test, a student may appeal to the Board for reinstatement in co-curricular or extracurricular activities and/or for the return of his or her parking and/or open campus privileges. To be eligible to appeal, the student and his or parent shall be required to sign a voluntary consent for the student to participate in a full-year drug-testing program at the parent's expense. During this interim calendar year, the student must not have a positive drug test result. Financial provisions can be made to pay for the required drug-testing for a student who is economically disadvantaged.

Upon appeal, the Board shall determine whether the student has satisfied the requirements necessary to warrant reinstatement. If the student is granted reinstatement and then receives another positive drug test, the student shall be permanently removed from all co-curricular and/or extracurricular activities, as well as have all parking and open campus privileges suspended with no further option for reinstatement.

EFFECT OF DISCIPLINE POLICY

Nothing in this policy shall limit or prohibit the application of Board policies providing for disciplinary action for students using, being under the influence of, possessing, selling, or distributing illegal drugs or alcohol on school property or at school events.

SEXUAL HARASSMENT

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

SPECIAL PROGRAMS (ALL GRADE LEVELS)

The district provides special programs for gifted and talented students, homeless students, bilingual students, migrant students, English language learners, diagnosed with dyslexia, and students with disabilities. The coordinator of each program can answer questions about eligibility requirements, as well as programs and services offered in the district or by other organizations. A student or parent with questions about these programs should contact the campus principal or counselor.

STANDARDIZED TESTING

SAT/ ACT (SCHOLASTIC APTITUDE TEST AND AMERICAN COLLEGE TEST)

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the school counselor early during their junior year to determine

the appropriate examination to take; these examinations are usually taken at the end of the junior year. The Preliminary SAT (PSAT) and ACT-Aspire are the corresponding preparatory and readiness assessments for the SAT and ACT, and more information can be obtained on these assessments from the school counselor.

NOTE: Participation in these assessments may qualify a student to receive a performance acknowledgment on his or her transcript under the foundation graduation program and may qualify as a substitute for an end-of-course testing requirement in certain circumstances. A student's performance at a certain level on the SAT or ACT also makes the student eligible for automatic admission to a Texas public institution of higher education.

TSI (Texas Success Initiative) Assessment

Prior to enrollment in a Texas public college or university, most students must take a standardized test called the Texas Success Initiative (TSI) assessment. The purpose of the TSI assessment is to assess the reading, mathematics, and writing skills that entering freshmen-level students should have if they are to perform effectively in undergraduate certificate or degree programs in Texas public colleges and universities. This assessment may be required before a student enrolls in a dual-credit course offered through the district as well. Achieving certain benchmark scores on this assessment for college readiness may also waive certain end-of-course assessment requirements in limited circumstances.

STAAR (STATE OF TEXAS ASSESSMENTS OF ACADEMIC READINESS)

Grades 3–8

In addition to routine tests and other measures of achievement, students at certain grade levels are required to take the state assessment, called STAAR, in the following subjects:

- Mathematics, annually in grades 3–8
- Reading, annually in grades 3–8
- Writing, including spelling and grammar, in grades 4 and 7
- Science in grades 5 and 8
- Social Studies in grade 8

Successful performance on the reading and math assessments in grades 5 and 8 is required by law for the student to be promoted to the next grade level, unless the student is enrolled in a reading or math course intended for students above the student's current grade level. Exceptions may apply for students enrolled in a special education program if the admission, review, and dismissal (ARD) committee concludes the student has made sufficient progress in the student's individualized education plan (IEP). [See Promotion and Retention for additional information.]

STAAR Alternate 2 is available for eligible students receiving special education services who meet certain state-established criteria, as determined by the student's ARD committee.

STAAR Spanish is available for eligible students of whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

High School Courses—End-of-Course (EOC) Assessments

STAAR end-of-course (EOC) assessments are administered for the following courses:

- Algebra I
- English I and English II
- Biology
- United States History

Satisfactory performance on the applicable assessments will be required for graduation, unless otherwise waived or substituted as allowed by state law and rules.

There are three testing windows during the year in which a student may take an EOC assessment, which will occur during the fall, spring, and summer months. If a student does not meet satisfactory performance, the student will have additional opportunities to retake the assessment.

STAAR Alternate 2 is available for eligible students receiving special education services who meet certain criteria established by the state as determined by the student's ARD committee.

An **admission, review, and dismissal (ARD)** committee for a student receiving special education services will determine whether successful performance on the EOC assessments will be required for graduation within the parameters identified in state rules and the student's personal graduation plan (PNP). [See **Graduation** for additional information.]

STERIODS

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use.

Body building, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

Students participating in UIL athletic competition may be subject to random steroid testing. More information on the UIL testing program may be found on the UIL Web site at <http://www.uil texas.org/health/steroid-information>.

STUDENTS IN FOSTER CARE (ALL GRADE LEVELS)

In an effort to provide educational stability, the district will assist any student who is currently placed or newly placed in foster care (temporary or permanent custody of the state, sometimes referred to as substitute care) with the enrollment and registration process, as well as other educational services throughout the student's enrollment in the district.

Please contact the superintendent's office, who has been designated as the district's foster care liaison, at 361-275-1914 with any questions.

STUDENT SPEAKERS (ALL GRADE LEVELS)

The district provides students the opportunity to introduce the events listed in FNA(LOCAL).

If a student meets the eligibility criteria and wishes to introduce one of the school events listed above, the student should submit his or her name in accordance with policy FNA(LOCAL).

[See policy FNA(LOCAL) regarding other speaking opportunities and **Graduation** for information related to student speakers at graduation ceremonies.]

SUBSTANCE ABUSE PREVENTION AND INTERVENTION (ALL GRADE LEVELS)

If you are worried that your child may be using or is in danger of experimenting, using, or abusing illegal drugs or other prohibited substances, please contact the school counselor. The school counselor can provide you with a list of community resources that may be of assistance to you. The DSHS maintains information regarding children's mental health and substance abuse intervention services on its website: Services for Children and Adolescents.

SUICIDE AWARENESS (ALL GRADE LEVELS)

The district is committed to partnering with parents to support the healthy mental, emotional, and behavioral development of its students. If you are concerned about your child, please access Texas Suicide Prevention video cameras or contact the school counselor for more information related to suicide prevention services available in your area.

You may also contact the National Suicide Prevention Lifeline at 1-800-273-8255.

SUMMER SCHOOL (ALL GRADE LEVELS)

Summer school information will be announced upon completion of the school year. Summer school tuition will be announced at that time.

TARDIES

[See **Tardiness** under **Absences/Attendance**.]

TEXTBOOKS, ELECTRONIC TEXTBOOKS, TECHNOLOGICAL EQUIPMENT, AND OTHER INSTRUCTIONAL MATERIALS (ALL GRADE LEVELS)

Textbooks and other district-approved instructional materials are provided to students free of charge for each subject or class. Any books must be covered by the student, as directed by the teacher, and treated with care. Electronic textbooks and technological equipment may also be provided to students, depending on the course and course objectives. A student who is issued a damaged item should report the damage to the teacher. Any student failing to return an item in acceptable condition loses the right to free textbooks and technological equipment until the item is returned or the damage paid for by the parent; however, the student will be provided the necessary instructional resources and equipment for use at school during the school day.

TRANSFERS (ALL GRADE LEVELS)

The principal is authorized to transfer a student from one classroom to another.

As per Cuero ISD Board Policy FDA(LOCAL): The Superintendent of the receiving district is authorized to accept or reject any transfer requests, provided that such action is without regard to race, religion, color, sex, disability, national origin, or ancestral language.

A nonresident student wishing to transfer into the District shall file an application for transfer each school year with the Superintendent or designee. Transfers shall be granted for one regular school year at a time.

In approving transfers, the Superintendent or designee shall consider availability of space and instructional staff and the student's disciplinary history and attendance records.

Completion of and signature of this document by the parent/guardian of said student, this form is considered a written transfer agreement that he or she must follow all rules and regulations of the District, including those for student conduct and attendance, and that violation of the District's rules and regulations may result in revocation of the transfer agreement. Written notification of any transfer revocation shall be sent to the school district of residence.

All students, including transfers must follow all rules and regulations of the District. Transfer students violating the terms of this agreement, other than those from districts that have entered into the binding contract *Agreement for the Education of Students Outside of the Cuero ISD* (Meyersville ISD, Nursery ISD, Westhoff ISD), may result in the transfer request not being approved the following year.

[See **Safety Transfers/Assignments, Bullying, and Students Who Have Learning Difficulties or Who Need Special Education or Section 504 Services** for other transfer options.]

TRANSPORTATION (ALL GRADE LEVELS)

SCHOOL-SPONSORED TRIPS

Students who participate in school-sponsored trips are required to use transportation provided by the school to and from the event. As approved by the principal, a coach or sponsor of an extracurricular activity may establish procedures related to making an exception to this requirement when a parent requests that the student be released to the parent or to another adult designated by the parent.

BUSES AND OTHER SCHOOL VEHICLES

The district makes school bus transportation available to all students living two or more miles from school. This service is provided at no cost to students. Bus routes and any subsequent changes are posted at the school.

A parent may also designate a child-care facility or grandparent's residence as the regular pickup and drop-off location for his or her child. The designated facility or residence must be on an approved stop on an approved route. For information on bus routes and stops or to designate an alternate pickup or drop-off location, you may contact the Transportation Director at 361-275-1918 or Bus Barn at 361-275-1907.

See the *Student Code of Conduct* for provisions regarding transportation to the Disciplinary Alternative Education Program (DAEP).

Students are expected to assist district staff in ensuring that buses remain in good condition and that transportation is provided safely. When riding in district vehicles, students are held to behavioral standards established in this handbook and the *Student Code of Conduct*. Students must:

- Follow the driver's directions at all times.
- Enter and leave the bus or van in an orderly manner at the designated stop nearest home.

- Keep feet, books, instrument cases, and other objects out of the aisle.
- Not deface the bus, van, or its equipment.
- Not put head, hands, arms, or legs out of the window, hold any object out of the window, or throw objects within or out of the bus or van.
- Not possess or use any form of tobacco or e-cigarettes in any district vehicle .
- Observe all usual classroom rules.
- Be seated while the vehicle is moving.
- Fasten their seat belts.
- Wait for the driver's signal upon leaving the bus or van and before crossing in front of the vehicle.

Misconduct will be punished in accordance with the *Student Code of Conduct*; bus-riding privileges may be suspended.

VANDALISM (ALL GRADE LEVELS)

The taxpayers of the community have made a sustained financial commitment for the construction and upkeep of school facilities. To ensure that school facilities can serve those for whom they are intended—both this year and for years to come—littering, defacing, or damaging school property is not tolerated. Students will be required to pay for damages they cause and will be subject to criminal proceedings as well as disciplinary consequences in accordance with the *Student Code of Conduct*.

VIDEO CAMERAS (ALL GRADE LEVELS)

For safety purposes, video and audio recording equipment is used to monitor student behavior, including on buses and in common areas on campus. Students will not be told when the equipment is being used.

The principal will review the video and audio recordings routinely and document student misconduct. Discipline will be in accordance with the *Student Code of Conduct*.

Upon request of a parent of a student who receives special education services, a staff member, or a board member, state law requires the district to place video and audio recording equipment in a classroom in which the student spends at least 50 percent of his or her instructional day, referred to in the law as a self-contained classroom. The majority of students in this type of classroom must also be students who receive special education services. Before the district places a video camera in a classroom or other setting in which your child receives special education services, the district will provide notice to you. Please speak directly with the principal for further information or to request the installation and operation of this equipment.

[See EHBAF(LOCAL).]

VISITORS TO THE SCHOOL (ALL GRADE LEVELS)

GENERAL VISITORS

Parents and others are welcome to visit district schools. For the safety of those within the school and to avoid disruption of instructional time, all visitors must first report to the main office and must comply with all applicable district policies and procedures. When arriving on campus, all parents and other visitors should be prepared to show identification.

Visits to individual classrooms during instructional time are permitted only with approval of the principal and teacher and only so long as their duration or frequency does not interfere with the delivery of instruction or disrupt the normal school environment. Even if the visit is approved prior to the visitor's arrival, the individual must check in at the main office first.

All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted.

GKC(LOCAL)

Prominent notices shall be posted at each campus requiring all visitors to first report to the campus administrative office. This shall apply to parents, Board members, volunteers, social service workers, invited speakers, maintenance and repair persons not employed by the District, vendors, representatives of the news media, former students, and any other visitors.

Visits to individual classrooms during instructional time shall be permitted only with the principal's and teacher's approval, and such visits shall not be permitted if their duration or frequency interferes with the delivery of instruction or disrupts the normal school environment.

VISITORS PARTICIPATING IN SPECIAL PROGRAMS FOR STUDENTS

On Career Day, the district invites representatives from colleges and universities and other higher education institutions, prospective employers, and military recruiters to present information to interested students.

VOLUNTEERS (ALL GRADE LEVELS)

We appreciate so much the efforts of parent and grandparent volunteers that are willing to serve our district and students. If you are interested in volunteering, please contact the campus or District office for more information and to complete an application.

VOTER REGISTRATION (SECONDARY GRADE LEVELS ONLY)

A student who is eligible to vote in any local, state, or federal election may obtain a voter registration application at the main campus office.

WITHDRAWING FROM SCHOOL (ALL GRADE LEVELS)

A student under 18 may be withdrawn from school only by a parent. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. The parent may obtain a withdrawal form from the principal's office.

On the student's last day, the withdrawal form must be presented to each teacher for current grade averages and book clearance; to the librarian to ensure a clear library record; to the clinic for health records; to the counselor for

the last report card and course clearance; and finally, to the principal. A copy of the withdrawal form will be given to the student, and a copy will be placed in the student's permanent record.

A student who is 18 or older, who is married, or who has been declared by a court to be an emancipated minor, may withdraw without parental signature.

GLOSSARY

Accelerated instruction is an intensive supplemental program designed to address the needs of an individual student in acquiring the knowledge and skills required at his or her grade level and/or as a result of a student not meeting the passing standard on a state-mandated assessment.

ACT, or the American College Test, is one of the two most frequently used college or university admissions examinations. The test may be required for admission to certain colleges or universities.

ACT-Aspire refers to an assessment that took the place of ACT-Plan and is designed as a preparatory and readiness assessment for the ACT. This is usually taken by students in grade 10.

ARD is the admission, review, and dismissal committee convened for each student who is identified as needing a full and individual evaluation for special education services. The eligible student and his or her parents are members of the committee.

Attendance review committee is responsible for reviewing a student's absences when the student's attendance drops below 90 percent, or in some cases 75 percent, of the days the class is offered. Under guidelines adopted by the board, the committee will determine whether there were extenuating circumstances for the absences and whether the student needs to complete certain conditions to master the course and regain credit or a final grade lost because of absences.

CCMR Indicator stand for College, Career, and Military Readiness

CPS stands for Child Protective Services

DAEP stands for disciplinary alternative education program, a placement for students who have violated certain provisions of the *Student Code of Conduct*.

DFPS is the Texas Department of Family Protective Services

DPS stands for the Texas Department of Public Safety

EOC (end of course) assessments are end-of-course tests, which are state-mandated, and are part of the STAAR program. Successful performance on EOC assessments are required for graduation. These examinations will be given in English I, English II, Algebra I, Biology, and United States History.

ESSA is the Every Student Succeeds Act passed by the federal government in December 2015.

FERPA refers to the federal Family Educational Rights and Privacy Act that grants specific privacy protections to student records. The law contains certain exceptions, such as for directory information, unless a student's parent or a student 18 or older directs the school not to release directory information.

IEP is the written record of the individualized education program prepared by the ARD committee for a student with disabilities who is eligible for special education services. The IEP contains several parts, such as a statement of the student's present educational performance; a statement of measurable annual goals, with short-term objectives; the special education and related services and supplemental aids and services to be provided, and program modifications or support by school personnel; a statement regarding how the student's progress will be measured and how the parents will be kept informed; accommodations for state or districtwide tests; whether successful completion of state-mandated assessments is required for graduation, etc.

IGC is the individual graduation committee, formed in accordance with state law, to determine a student's eligibility to graduate when the student has failed to demonstrate satisfactory performance on no more than two of the required state assessments.

ISS refers to in-school suspension, a disciplinary technique for misconduct found in the *Student Code of Conduct*. Although different from out-of-school suspension and placement in a DAEP, ISS removes the student from the regular classroom.

MAPS stands for Mathematical And Physical Sciences Course

PGP stands for Personal Graduation Plan, which is required for high school students and for any student in middle school who fails a section on a state-mandated test or is identified by the district as not likely to earn a high school diploma before the fifth school year after he or she begins grade 9.

PSAT is the preparatory and readiness assessment for the SAT. It also serves as the basis for the awarding of National Merit Scholarships.

SAT refers to one of the two most frequently used college or university admissions exams: the Scholastic Aptitude Test. The test may be a requirement for admissions to certain colleges or universities.

SHAC stands for School Health Advisory Council, a group of at least five members, a majority of whom must be parents, appointed by the school board to assist the district in ensuring that local community values and health issues are reflected in the district's health education instruction, along with providing assistance with other student and employee wellness issues.

Section 504 is the federal law that prohibits discrimination against a student with a disability, requiring schools to provide opportunities for equal services, programs, and participation in activities. Unless the student is determined to be eligible for special education services under the Individuals with Disabilities Education Act (IDEA), general education with appropriate instructional accommodations will be provided.

STAAR is the State of Texas Assessments of Academic Readiness, the state's system of standardized academic achievement assessments

STAAR Alternate 2 is an alternative state-mandated assessment designed for students with severe cognitive disabilities receiving special education services who meet the participation requirements, as determined by the student's ARD committee.

STAAR Spanish is an alternate state-mandated assessment administered to eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

State-mandated assessments are required of students at certain grade levels and in specified subjects. Successful performance sometimes is a condition of promotion, and passing the STAAR EOC assessments is a condition of graduation. Students have multiple opportunities to take the tests if necessary for promotion or graduation.

Student Code of Conduct is developed with the advice of the district-level committee and adopted by the board and identifies the circumstances, consistent with law, when a student may be removed from a classroom, campus, or district vehicle. It also sets out the conditions that authorize or require the principal or another administrator to place the student in a DAEP. It outlines conditions for out-of-school suspension and for expulsion. The *Student Code of Conduct* also addresses notice to the parent regarding a student's violation of one of its provisions.

TELPAS stands for the Texas English Language Proficiency Assessment System, which assesses the progress that English language learners make in learning the English language, and is administered for those who meet the participation requirements in kindergarten–grade 12.

TSI assessment is the Texas Success Initiative assessment designed to measure the reading, mathematics, and writing skills that entering college-level freshmen students should have if they are to be successful in undergraduate programs in Texas public colleges and universities.

TxVSN is the Texas Virtual School Network, which provides online courses for Texas students to supplement the instructional programs of public school districts. Courses are taught by qualified instructors, and courses are equivalent in rigor and scope to a course taught in a traditional classroom setting.

UIL refers to the University Interscholastic League, the statewide voluntary nonprofit organization that oversees educational extracurricular academic, athletic, and music contests.
