

STEROID LAW

Anabolic steroids are for MEDICAL USE only. State law prohibits possessing, dispensing, delivering, or administering an anabolic steroid in any manner not allowed by state law. State law provides that body building, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a person who is in good health is not a valid medical purpose. Only a MEDICAL DOCTOR may prescribe an anabolic steroid or human growth hormone for a person. A violation of state law concerning anabolic steroids or human growth hormones is a criminal offense punishable by CONFINEMENT IN JAIL or imprisonment in the institutional division of the Texas Department of Criminal Justice.
