09-22-2020

Dear Parents and Guardians,

This letter is to inform you that October 9<sup>th</sup> is the last day of online instruction. Starting October 13<sup>th</sup> CISD will only offer face-to-face instruction. Students online can continue for now but online instruction will be ending.

As you know students may return this week as long as they check-in by September 30<sup>th</sup>. All CISD students are expected to return to on campus instruction starting October 13<sup>th</sup>-16<sup>th</sup>. If you have not checked your child in by that time they will be considered absent.

Families who do not want their child/children to return to face to face instruction, they will have the alternatives to either home school, enroll in Texas Virtual School Network, or transfer to a district that offers online instruction. If you choose any of these options, you must withdrawal your student from school.

We understand not everyone will agree with this decision. This is a decision we did not take lightly and after doing our due diligence we believe this is the best option for students and staff. We will still follow our STRONG START plan and safety and through cleaning protocols will still be in place. Since we have been in school for six weeks now we have only had 12 cases or 0.6% percent of our students and staff contracting COVID-19. None of which have contracted or transmitted COVID-19 at CISD as verified through contact tracing.

Students will only have access to online learning or at home work only if they are on a mandatory quarantine by the COVID team, a physician, or medical clinic. If student is quarantined they may contact the school for assignments or login into the Google Classroom platform to complete work.

For the Children,

Micah A. Dyer, Ed.D.  
Superintendent  
Cuero ISD
